

Landolt-Börnstein
Group IV: Physical Chemistry

Volume 2
Heats of Mixing and Solution

| | | |
|-----|--|-----|
| | Title Page, Preface, Notation | |
| 1 | Introduction | 1 |
| 2 | Aqueous systems | 10 |
| 2.1 | Inorganic substances - water | 10 |
| 2.2 | Organic substances - water | 139 |
| 2.3 | Polymer substances - water | 200 |
| 2.4 | Ternary and polynary systems containing water | 204 |
| 2.5 | Diagrams for aqueous and some non-aqueous systems | 227 |
| 3 | Non-aqueous systems | 250 |
| 3.1 | Inorganic substances - inorganic substances (including elements) | 250 |
| 3.2 | Inorganic substances - organic substances | 315 |
| 3.3 | Organic substances - organic substances | 353 |
| 3.4 | Polymer substances - inorganic substances | 517 |
| 3.5 | Polymer substances - organic substances | 518 |
| 3.6 | Ternary and polynary systems not containing water | 532 |

Heats of Mixing and Solution / Mischungs- und
Lösungswärmen

Beggerow, G. - Schäfer, K. (Ed.)

1976, 695 p., Hardcover

ISBN: 978-3-540-07443-4
