

Landolt-Börnstein
Group I: Elementary Particles, Nuclei and Atoms

Volume 12
Total Cross-Sections for Reactions of High Energy Particles

Subvolume A

Introductory material

Introduction, conventions adopted, particle dictionary

I	(π^-) induced reactions	1
II	(π^+) induced reactions	119
III	(K^-) induced reactions	210
IV	(K^+) induced reactions	
V	Proton/neutron induced reactions	
VI	Antiproton/antineutron induced reactions	
VII	Hyperon induced reactions	
VIII	(K^0)(L) induced reactions	
IX	Photon induced reactions	
X	Neutrino/antineutrino induced reactions	

Total Cross-Sections for Reactions of High Energy
Particles (Including Elastic, Topological, Inclusive and
Exclusive Reactions) / Totale Wirkungsquerschnitte für
Reaktionen hochenergetischer Teilchen (einschließlich
elastischer, topologischer, inklusive
