In the contribution of R. Saito and H. Kataura, *Optical Properties and Raman Spectroscopy of Carbon Nanotubes*, p. 225, part (b) of Fig. 9 was reproduced twice. Part (a) is missing. The corrected figure is shown below.

**Fig. 9.** (a) Phonon dispersion relations and (b) phonon DOS for 2D graphite (*left*) and for a (10,10) nanotube (*right*) [35]
