Contents

IFIP and TC3 xi

Foreword xiii

Stream 3 International Programme Committee xvii

The Challenge for the Third Millenium xix

Teacher education (TED) track - Invited Paper

Design of teacher e-learning: The scenario model 3
BENT B. ANDRESEN

Teacher education (TED) track - Papers

Developing technology competencies among Egyptian college of education students 13
MAGDY M. ALY

Co-operative parent-child learning: In computerised technological environments 21
UZI ARMON

ICT-supported teaching and learning: Some priorities and objectives for the future 29
ROSA M. BOTTINO

Learning aids and learners' activities in the field of object-oriented modelling 37
TORSTEN BRINDA AND SIGRID E. SCHUBERT

Experiment around a training engine 45
ANNE BRYGOO, TITOU DURAND, PASCALE MANOURY, CHRISTIAN QUEINNEC AND MICHÈLE SORIA

Collaborative learning of mathematics: Problem-solving and problem-posing supported by 'Knowledge Forum' 53
ERIK DE CORTE, LIEVEN VERSCHAFFEL, JOOST LOWYCK, STIJN DHERT, AND LUC VANDEPUT

Teaching historical truth: Pages from the history of Russian computer science 61
YAKOV I. FET

Creating technology mentor teachers through a digital sabbatical opportunity on-line 69
CATHERINE P. FULFORD, RACHEL A. RIVERS, GARY THEAL AND CELIA MAIN-ANAKALEA

Pedagogical ICT licences: A Danish national initiative to offer teachers technology literacy 77
ULLA GJØRLING

Electronic testing system 85
BOYKA GRADINAROVA AND OGNJAN JELEZOV

Banjos on the Snowy: Implementing e-Activism in education 93
LEISSA KELLY AND PAUL NICHOLSON

Streaming technology - How does it affect education? Report from a project using satellite-based communication 97
ANTON KNIERZINGER, CAROLINE WEIGNER AND BERNHARD COLLINI-NOCKER

National strategy for teacher training in new ICT use: The Ukrainian case 101
VALENTINA KOLOS

e-learning Portal@Austria: The innovative platform for education, science and culture in the Knowledge Society 105
ROBERT KRISTÖFL

ULEARN: A project for building a European community of pioneer teachers 109
VITTORIO MIDORO, STEFANIA BOCCONI AND FRANCESCA POZZI

City-to-Surf - A peer-to-peer model of on-line professional development: A collaborative mentoring model 113
PAUL NICHOLSON AND PETER DE WACHT

The challenge of the information society for South African teachers 121
JYRKI PULKKINEN AND TRUDI VAN WYK

A computerised examination system 125
TEEMUPEKKA VIRTANEN, RONJA ADDAMS-MORING, SANNA LIIMATAINEN AND LINDA STAFFANS

Life-long learning - Professional development (LL-PD) track - Invited Paper

Life-long learning in virtual learning organisations: Designing virtual learning environments 135
TOM J. VAN WEERT

Life-long learning - Professional development (LL-PD) track - Papers

Using case studies to promote life-long learning 145
ROBERT M. AIKEN, CHERYL SANDAS, NED KOCK AND MUNIR MANDVIWALLA

Virtual Institute for the Modelling of Industrial Manufacturing Systems: Integration of on-line and 'face-to-face' learning in an international platform for teaching and research 153
SERGIO CAVALIERI, MARCO GARETTI, MARCO MACCHI, ALESSANDRO CAMPI, FRANCESCA COLLINA, ALBERTO COLORNI, IGNAZIO LOCATELLI, TIZIANA LONGERI, GREGOR VON CIEMINSKI, JENS LOPITZSCH, MARIA DI MASCOLO, YANNICK FREIN, BOTOND KADAR, LASZLO MONOSTORI, ELISABETA ILIE ZUDOR, ALBERTO MERONI, AND NICOLETTA SANTAMBROGIO

Quality of working life, knowledge-intensive work processes and creative learning organisations: Information processing paradigm versus self-organisation theory 161
KLAUS FUCHS-KITTOWSKI AND FRANK FUCHS-KITTOWSKI

Public and private partnerships for intense e-Business training 169
THOMAS GULLEDGE AND JENNIFER SHERWIN

Adaptive context-aware learning environments: Live spaces as a basis for life-long learning in computer science 177
GERALD QUIRCHMAYR AND JILL SLAY

Learning environments and responsibility: Three types of learning environments 185
MARIJKE HEZEMANS AND MAGDA RITZEN

Issues in the organisational and change context for innovations using ICT in higher education 193
MURRAY SAUNDERS, JOËL BONAMY AND BERNADETTE CHARLIER

Cultural differences of female enrolment in tertiary education in computer science 201
BRITTA SCHINZEL

Towards a cyclical model of distance education 209
PETER SERDIUKOV AND STEVE WHEELER

A qualitative study of change and reform through professional development and innovation diffusion: One university's experience 217
MICHAEL SZABO, DAYLENE J. LAUMAN AND SONIA A.C.K. SOBON

Understanding the process of information systems and ICT curriculum development: Three models 225
ARTHUR TATNALL AND BILL DAVEY

Issues of decentralisation and central control in educational management: The enabling and shaping role of technology 233
ARTHUR TATNALL AND ALLAN PITMAN

Informal learning communities in the knowledge economy: Informal knowledge development in the multimedia sector
DIANE-GABRIELLE TREMBLAY 241

Learning technologies (LT) track - Invited Paper

Modelling and delivering distributed learning environments 251
GILBERT PAQUETTE

Learning technologies (LT) track - Papers

A distributed and co-operative environment to help the rehabilitation of childen with Down's syndrome 261
ANA MARGARIDA P. ALMEIDA AND FERNANDO M. S. RAMOS

Information systems and educational engineering: Bridging two concepts through meta modelling 269
MARIE-NOËLLE BESSAGNET, CHRISTOPHE MARQUESUZAÀ, THIERRY NODENOT, CHRISTIAN SALLABERRY AND PIERRE LAFORCADE

Emerging base for telE-learning in India 277
RAKESH M. BHATT AND KRISHNAMURTHY SUBRAMANIAN

Web-adaptive training system based on cognitive student style 281
MARIA A. M. SOUTO, MARIANO NICOLAO, ROSA M. VICCARI, JOSÉ P. M. DE OLIVEIRA, REGINA VERDIN, KARINE BESCHOREN, MILTON MADEIRA, AND RENATA ZANELLA

A methodological and physical instrumentation to support experimentation in telE-learning 289
AUDE DUFRESNE, FRANCE HENRI AND RICHARD HOTTE

How to change the unchanging? Restructuring Polish universities for the XXI century 297
R. ROBERT GAJEWSKI

The long-term trends in changing educational organisation in the Ukraine 301
SVETLANA KUDRJAVTSEVA

Distributed learning and management system for university courses 305
SANNA LIIMATAINEN AND TEEMUPEKKA VIRTANEN
