About the Author .....	<i>xi</i>
About the Technical Reviewer .....	<i>xi</i>
Acknowledgments .....	<i>xiii</i>
Introduction .....	<i>xv</i>
<b>Chapter 1 JSP Foundations .....</b>	<b><i>1</i></b>
Developing Web Applications .....	<i>1</i>
Developing J2EE Web Applications .....	<i>5</i>
Patterns for Web Application Development .....	<i>7</i>
Learning JSP Basics .....	<i>10</i>
Setting Up a JSP Environment .....	<i>15</i>
Building a Simple JSP Application .....	<i>19</i>
Summary .....	<i>25</i>
<b>Chapter 2 Using JSP .....</b>	<b><i>27</i></b>
Handling Errors .....	<i>27</i>
Including Other Files .....	<i>32</i>
Processing Form Data .....	<i>36</i>
Controlling Page Navigation with JSP .....	<i>40</i>
Maintaining State .....	<i>42</i>
Summary .....	<i>46</i>
<b>Chapter 3 Role Separation with JavaBeans .....</b>	<b><i>47</i></b>
Introducing JavaBeans .....	<i>47</i>
Dealing with Large Sets of Data .....	<i>53</i>
Standardizing Form Handling .....	<i>66</i>
Summary .....	<i>82</i>

<b>Chapter 4</b>	<b>Role Separation with Custom Tags</b>	<b>.....83</b>
Using Custom Tags		.....83
Looking at a Simple Tag Example		.....86
Processing Body Content		.....91
Nesting Tags		.....97
Summary		.....103
<b>Chapter 5</b>	<b>Development Using Patterns</b>	<b>.....105</b>
Why Use Patterns?		.....105
Introducing the J2EE Patterns Catalog		.....106
Looking at Presentation Design Patterns		.....107
Understanding Model-View-Controller (MVC)		.....109
Summary		.....129
<b>Chapter 6</b>	<b>The Decorating Filter Pattern</b>	<b>.....131</b>
Defining the Pattern		.....132
Applying Strategies		.....133
Applying the Decorator Filter Pattern		.....134
Summary		.....150
<b>Chapter 7</b>	<b>The Front Controller Pattern</b>	<b>.....151</b>
Defining the Pattern		.....151
Developing Strategies		.....152
Applying the Front Controller Pattern		.....158
Summary		.....176
<b>Chapter 8</b>	<b>The View Helper Pattern</b>	<b>.....177</b>
Defining the Pattern		.....177
Implementing View Helper Pattern Strategies		.....179
Applying the View Helper Pattern		.....182
Summary		.....199

<b>Chapter 9 Testing Techniques</b>	<b>201</b>
Why Is Testing So Important?	201
Building a Unit Testing Framework	203
Testing for Performance	210
Summary	214
 <b>Chapter 10 Deployment Techniques</b>	 <b>215</b>
Managing the Development Process	216
Automating the Build Process with Ant	220
Summary	230
 <b>Chapter 11 Application Frameworks</b>	 <b>231</b>
Designing a Framework	231
Building a Web Application Framework	232
Deploying a Framework	255
Summary	258
 <b>Chapter 12 Putting It All Together</b>	 <b>259</b>
Building an Online Catalog	259
Logging in to the Application	269
Viewing the Catalog	271
Accessing the Shopping Cart	286
Summary	295
 <b>Index</b>	 <b>297</b>
