## BASIC STUDIES

### I Molecular Mechanisms of Estrogen Receptor Function

1 Structure and Function of the Estrogen Receptor <i>Stefan Nilsson, PhD and Jan-Åke Gustafsson, MD, PhD</i> .....	3
2 Ligand-Induced Conformational Changes in Estrogen Receptors- $\alpha$ and - $\beta$ <i>Elizabeth A. Allegretto, PhD</i> .....	19
3 Expression and Function of Estrogen Receptors- $\alpha$ and - $\beta$ <i>Jonathan Lindzey, PhD</i> .....	29
4 SERM Modulation of Gene Expression: <i>Role of Coactivators and Corepressors</i> <i>Paul Webb, PhD</i> .....	57
5 Crosstalk Between Estrogen Receptors and Growth Factor Signaling <i>Douglas Yee, MD and Carol A. Lange, PhD</i> .....	77

### II Tissue-Specific Effects of Estrogens and SERMs

6 Direct Estrogen Effects on the Cardiovascular System <i>Munish K. Goyal, MD and Suzanne Oparil, MD</i> .....	99
7 Estrogens and the Brain: <i>Implications for the Treatment</i> <i>of Postmenopausal Women</i> <i>Bruce S. McEwen, PhD, Phyllis M. Wise, PhD,</i> <i>and Stanley Birge, MD</i> .....	121

### III Preclinical Studies

8 Insights into the Molecular Mechanism of SERMs Through New Laboratory Models <i>Csaba Gajdos, MD, James Zapf, PhD,</i> <i>and V. Craig Jordan, PhD, DSc</i> .....	147
9 Third- and Fourth-Generation SERMs <i>Fernand Labrie, MD, PhD, Claude Labrie, MD, PhD,</i> <i>Alain Bélanger, PhD, and Jacques Simard, PhD</i> .....	167

## CLINICAL STUDIES

**IV Organ Specific Effects of Estrogens and SERMs**

- 10 SERMs' Effect on the Neuroendocrine System  
and the Reproductive Organs  
*Nanette F. Santoro, MD, and Peter Kovacs, MD* ..... 191
- 11 Epidemiology of Cardiovascular Disease in Women:  
*Role of Estrogens*  
*Jacques E. Rossouw, MD* ..... 207
- 12 SERMs Effects on Cardiovascular Risk Factors and Disease  
*Richard R. Love, MD* ..... 223
- 13 Estrogen and the Skeleton  
*Michael Kleerekoper, MD, FACE and Ashish Verma, MD* ..... 237
- 14 Effects of SERMs on Bone in Clinical Studies  
*Aurelie Fontana, MD, and Pierre D. Delmas, MD, PhD* ..... 245
- 15 Estrogens and SERMs: *Clinical Aspects of Cognition*  
*with Aging and Neurodegenerative Disorders*  
*Alan J. Lerner, MD* ..... 255

**V SERMs and Endocrine Dependent Tumors**

- 16 SERMs and Breast Cancer Prevention  
*Jenny Chang, MD and C. Kent Osborne, MD* ..... 267
- 17 SERMs in Postmenopausal Women's Health  
*Jan L. Shifren, MD, and Leo Plouffe, Jr., MD, CM* ..... 279

**VI Roles of Estrogens and SERMs  
in Postmenopausal Hormone Replacement Therapy**

- 18 Menopause Therapy: *An Individualized Approach*  
*Nananda F. Col, MD, FACP, MPP, MPH, Michele G. Cyr, MD, FACP*  
*and Anne W. Moulton, MD, FACP* ..... 299
- 19 Alternatives to Estrogen for Treatment of Menopause  
*Richard J. Santen, MD and JoAnn V. Pinkerton, MD* ..... 313
- 20 Phytoestrogens in the Context of SERMs  
*Susan R. Davis, MB, BS, PhD, FRACP* ..... 345
- Index ..... 365
