## Basic Aspects

### Technical Aspects of Pneumoperitoneum and Gasless Laparoscopy

V. PAOLUCCI, W. BANK, C.N. GUTT

Laparoscopy with Pneumoperitoneum . . . . .	3
Gas . . . . .	3
Gas Pressure . . . . .	5
Complications of Laparoscopy with Pneumoperitoneum..	7
Laparoscopic Surgery Without Pneumoperitoneum . . . . .	9
Intra-abdominal Retraction Systems . . . . .	10
Subcutaneous Retraction Systems. . . . .	14
References. . . . .	17

### Equipment and Strategies of Staging Laparoscopy

D.M. LABOW, K.C. CONLON

Historical Perspective . . . . .	19
Set-Up and Equipment. . . . .	20
Future Directions . . . . .	25
References. . . . .	26

### Pathophysiological Aspects of the Pneumoperitoneum

P. HOHENBERGER

Historical Aspects . . . . .	27
Complications During Laparoscopic Procedures . . . . .	28
Changes in Hepatoportal Blood Flow . . . . .	29
Changes in Renal Blood Flow and Function . . . . .	30
Alterations of the Cardiopulmonary System. . . . .	31
Hemodynamic Changes to the Lower Limbs. . . . .	35
References. . . . .	37

**Risk of Port Site Metastases**

V. PAOLUCCI, R. LINKER, C.N. GUTT

Literature Review . . . . .	41
International Survey . . . . .	43
Metastases of Nonapparent Gallbladder Cancer . . . . .	44
Metastases of Colorectal Cancer . . . . .	45
Metastases of Other Carcinomas . . . . .	45
Discussion . . . . .	46
References . . . . .	49

## **Results and Strategies of Clinical Applications: Gastrointestinal Tract**

**Staging Laparoscopy for Esophageal Cancer**

B. RAU, M. HÜNERBEIN, P. HOHENBERGER, P.M. SCHLAG

Introduction . . . . .	55
General Therapeutic Approach to Esophageal Cancer . . . . .	56
Staging Methods and Requirements . . . . .	56
Operative Technique of Staging Laparoscopy for Esophageal Cancer . . . . .	58
The Sequence of Explorative Steps . . . . .	59
Regions of Interest . . . . .	62
Assessment of Resectability . . . . .	62
Assessment of Visuable Lesions . . . . .	62
Peritoneal Spread . . . . .	62
Assessment of Nonvisuable Lesions . . . . .	63
Lymph Node Metastases . . . . .	63
Liver . . . . .	63
References . . . . .	65

**The Role of Laparoscopy in the Staging of Gastric Cancer**

J.B. KOEA, M.S. KARPEH

Introduction . . . . .	69
Technique . . . . .	70
Results . . . . .	71
Hospital Stay, Morbidity, and Mortality . . . . .	71
Economic Considerations . . . . .	71
Distal Esophagus and Gastroesophageal Junction . . . . .	72
T Stage (category) . . . . .	72
N Stage (category) . . . . .	72
M Stage (category) . . . . .	73
Distal Cancers . . . . .	74
Resectability . . . . .	74
T Stage (category) . . . . .	74
N Stage (category) . . . . .	75
M Stage (category) . . . . .	75
Peritoneal Cytology . . . . .	77

Optimal Staging Technique in Gastric Cancer .....	77
The Effect of Laparoscopic Staging on Tumor Management. ....	78
Conclusions .....	79
References. ....	80

### **Extended Diagnostic Laparoscopy in Gastric Cancer**

H. FEUSSNER, S.J.M. KRAEMER, J.R. SIEWERT

Introduction. ....	83
Indication for EDL in Gastric Cancer .....	84
Technique .....	84
Practical Aspects of EDL .....	89
Diagnostic Yield of EDL .....	89
Modification of the Tumor Stage by Laparoscopy .....	89
Inspection of the Lesser Sac. ....	90
Laparoscopic Ultrasound .....	90
Detection of Liver Metastases .....	90
Assessment of Peritoneal Spread. ....	90
Infliction of Adjacent Organs .....	90
Comparison of Prelaparoscopic and Laparoscopic Staging with Intraoperative Findings .....	92
Discussion .....	92
References. ....	94

### **Laparoscopic Staging for Pancreatic Malignancy**

N.J. ESPAT, K.C. CONLON

Introduction. ....	97
Goal of Laparoscopic Staging .....	97
The Role of CT in the Staging of Pancreatic Malignancy. ....	97
The Early Experience with Laparoscopy for Pancreatic Malignancy .....	100
The Memorial Sloan-Kettering Experience .....	100
Management Algorithm .....	100
The Technique of Extended Laparoscopic Staging .....	101
Laparoscopic Ultrasound .....	105
Palliative Bypass .....	106
Is There a Role for Prophylactic Bypass? .....	107
Length of Stay .....	107
Cost of Laparoscopic Staging .....	107
Summary .....	108
References. ....	108

### **Laparoscopic Ultrasonography for Staging of Gastrointestinal Cancer**

M. HÜNERBEIN, B. RAU, P. HOHENBERGER

Introduction. ....	113
Equipment .....	114
Examination Technique. ....	116

Results. . . . .	117
Gastroesophageal Cancer. . . . .	117
Pancreatic Cancer. . . . .	119
Hepatic Metastases and Hepatocellular Carcinoma. . . . .	121
Summary . . . . .	122
References. . . . .	123

## Further Results and Strategies of Clinical Application

### Contribution to Initial Staging and Assessment of Treatment Results in Gynecologic Cancers

J.P. CURTIN

Overview. . . . .	127
Ovarian Neoplasms . . . . .	127
Adnexal Mass. . . . .	127
Preoperative Evaluation . . . . .	128
Reproductive-Age Patients. . . . .	129
Postmenopausal Patients . . . . .	131
Second-Look Laparoscopy . . . . .	132
Cervical Neoplasms . . . . .	133
Laparoscopy in the Treatment of Early-Stage Disease . . . . .	133
Laparoscopically Assisted Radical Vaginal Hysterectomy. . . . .	134
Laparoscopic Radical Hysterectomy . . . . .	135
Laparoscopic Staging of Advanced-Stage Disease . . . . .	136
Endometrial Neoplasms. . . . .	137
Laparoscopically Assisted Surgical Staging . . . . .	137
Complications . . . . .	139
Conclusion. . . . .	140
References. . . . .	141

### Indications in Urologic Tumors

P. RUSSO

Laparoscopy in Urologic Oncology . . . . .	145
Introduction . . . . .	145
Laparoscopy and Prostate Cancer . . . . .	145
Laparoscopic Node Dissection:	
Applications in Other Malignancies . . . . .	147
Testicular Cancer . . . . .	148
Laparoscopy and the Kidney . . . . .	148
References. . . . .	150

### Is There Any Role for the Laparoscopic Staging of Urologic Malignancies?

P. FORNARA, C. DOEHN, D. JOCHAM

Introduction. . . . .	153
Prostate Cancer . . . . .	154
Technique of Laparoscopic Pelvic Lymphadenectomy . . . . .	155

Testicular Cancer .....	156
Technique of Laparoscopic Retroperitoneal	
Lymphadenectomy .....	157
Role of Laparoscopy for Staging of Transitional Cell	
Carcinoma of the Bladder and Upper Urinary Tract .....	157
Renal Cancer .....	158
Penile Cancer .....	159
Discussion .....	161
Role of Laparoscopy for Staging of Prostate Cancer .....	161
Role of Laparoscopy for Staging of Testicular Cancer .....	163
Role of Laparoscopy for Staging of Transitional Cell	
Carcinoma of the Bladder and Upper Urinary Tract .....	164
Conclusions .....	165
References .....	166

### **Impact of Laparoscopy in Malignant Lymphomas**

G.B. MANN, K.C. CONLON

Introduction and Background .....	169
Role of Laparoscopy in Diagnosis .....	170
Laparoscopic Biopsy After Previous Attempts .....	171
Staging .....	172
Residual Disease .....	173
Impact on Treatment .....	173
Technical Aspects .....	174
Conclusion and Future Directions .....	176
References .....	177
