

INDEX

A

Academic self-concept, 180, 181, 184, 185, 206
Accreditation of tertiary teachers, 1, 265, 285
Accreditation requirements, 266
Active instructional techniques, 142, 147
Active learning, 148
Adult learners. *See* Adult students
Adult students, 220, 224, 227, 229, 230, 266, 269, 272, 275, 276, 345
Alternative methods of instruction, 148
Apprenticeship, 300
Approaches to learning. *See* Approaches to study
Approaches to study, 219-222, 226, 227, 235-237, 265-268, 273, 280, 281
 achieving approach, 222, 268, 281
 deep and surface, 260
 deep approach, 220, 222, 235, 237, 281
 surface approach, 220, 222, 235, 237, 281
Approaches to teaching, 8, 9, 106, 109, 111, 124, 219, 222-224, 226, 231, 234, 237, 249, 262-268, 281, 282, 284, 285, 339, 341, 345, 353
 content-centered, 219, 221, 224-231, 233, 235, 237, 339

 facilitating understanding and conceptual change/intellectual development, 234
 learning-centered, 219, 225-231, 235, 237, 339
 student-centered, 283, 339
 student-teacher interaction, 339
 teacher-centered, 221, 232, 233, 339
 transmitting structured knowledge, 221, 234
Attribution theory, 187
Award-winners. *See* Teachers: award-winning

B

Balancing competing pedagogical goals, 97
Beliefs about education, 132, 143

C

Changes
 being unable to make, 75
 in approaches to learning, 222, 276
 in approaches to teaching, 265, 282, 285, 315
 in conceptions of teaching, 71, 219, 238, 341, 343
 in goals, 63
 in teacher beliefs, 300
 in teaching, 65, 219, 238, 281, 283, 293, 294, 311, 314, 315
 in thinking, 70
 in views of learning and teaching, 265, 284

resulting from evaluation, 65, 74
 to the quality of learning and teaching, 71
 Collaborative learning, 142, 148
 Comparison criteria, 158
 Comprehensive performance appraisal plan, 152
 Conceptions of
 knowledge, 33
 learning, 18, 19, 268, 269, 273, 276, 278, 281, 342
 teaching, 15, 20, 24, 36, 249, 336
 Conceptions of teaching. *See*
 Teaching: conceptions of
 Conceptual change, 60, 72
 Conceptual framework, 304
 Concurrent verbalisation, 89
 Construct validity, 179, 181, 183, 188, 189, 190, 199, 203
 Content coverage, 293, 314
 Content for teaching
 selecting and arranging, 127, 136
 Context of teaching, 128
 Contextual factors, 142, 143
 Contextual filters, 142-144, 147
 Corridor of tolerance, 62, 65, 66
 Course goals, 131, 134, 138, 145, 146
 Course planning, 127-148
 autonomy in, 132
 communicating to students, 138
 definition, 128
 Course syllabi, 129, 138, 148
 Coverage of material, 337
 Critical thinking, 267
 Curriculum
 definition, 128
 planning, 128, 147

D

Decision making, 62-69, 75, 127, 128, 145
 contextual filters, 147
 contextual influences, 127, 134, 146
 effective, 127

 processes, 127
 Decisions to change, 62, 65, 68
 Departmental climate, 146
 Disciplinary
 norms, 148
 orientations, 145
 Disciplinary differences, 127, 131, 139, 145, 146, 153, 156
 in pedagogy, 147
 Discipline
 variations, 130, 145
 Dissonance as a source of change, 342, 343
 Diversity of teaching in higher education, 82

E

Educational beliefs, 131, 136, 137, 142
 Effective
 teaching, 290-301, 307, 312, 315, 316
 techniques, 313
 Effective learners, 265, 271
 Efficacy expectation, 47
 Efforts to improve practice, 172
 Epistemology and educational practice, 259
 Expanded awareness, 348
 Experiential learning, 285
 External versus internal attributions, 165

F

Facilitating understanding, 315
 Factor analysis, 189, 211
 Faculty
 conceptions of teaching, 219-223, 231-238
 Faculty development, 47, 56, 152, 153
 Faculty evaluation
 practical problems in, 154

Feedback
 from students, 294
 negative, 47
 Formative or summative purposes,
 153
 Framework for the course, 305
 Full-time faculty, 140
 Future research needs, 356

G

Gender differences, 171
 Goals for learning, 268, 270, 272,
 275, 276, 281
 Goals in teaching, 337, 338

I

Imparting information, 315
 Improving teaching. *See* Instruction:
 improving.
 Improving the quality of learning,
 266
 Individualized consultation, 294
 Induction into an academic
 discipline, 119
 Information transmission, 293, 314
 Information transmission model of
 teaching, 116
 Institutional environment, 153
 Instruction
 improving, 2, 266, 289, 293, 294,
