preface.....	ix
Introduction.....	1
1 Feyerabend's <i>Reductio ad Absurdum</i> of 'Rationalist' Philosophies	5
1.1 Introduction.....	5
1.2 Feyerabend's Conception of 'Rationalist' Philosophy.....	7
1.3 Feyerabend's <i>Reductio</i>	12
1.4 Feyerabend, Galileo and 'Rationalist' Philosophies.....	18
1.4.1 Introduction.....	18
1.4.2 The <i>Reductio ad Absurdum</i> of Empiricism.	18
1.4.3 The <i>Reductio ad Absurdum</i> of Popper's Falsificationism	26
1.4.4 Galileo and Lakatos's Methodology of Scientific Research Programmes.	35
1.5 Feyerabend's Rhetoric: Propaganda, Irrationality and Subjective Wishes.....	39
2 Feyerabend, Lakatos and Anarchism.....	44
2.1 Introduction.....	44
2.2 Feyerabend's <i>Reductio</i> of Lakatos's MSRP.	46
2.2.1 Introduction.....	46
2.2.2 Theory Appraisal: Intra-Research Programme.	47
2.2.3 Theory Appraisal: Inter-Research Programme.	51
2.2.4 Feyerabend's <i>Reductio</i> of MSRP.	55
2.2.5 Content Increase and the Circularity of MSRP.	60
2.3 First Steps Towards a Positive Alternative Account of Rationality...	64
2.4 Conclusion.	69
3 Feyerabend's Incommensurability and the Pragmatic Theory of Observation.	71
3.1 Introduction.....	71
3.2 Feyerabend's Incommensurability as Formal Incommensurability	72
3.2.1 Universal Theories.....	72
3.2.2 The Logical Empiricist Background.....	75
3.2.3 The Pragmatic Theory of Observation.	78
3.2.4 Meaning Variance and the Failure of Formalism.	80
3.2.5 Popperian Incommensurability	82
3.3 Responses to Feyerabend's Incommensurability	87
3.3.1 The Strategy of Misinterpretation.....	87
3.3.2 The Irrelevance of Reference.....	92
3.4 Feyerabend's Commensurability.....	95

3.5 Conclusion.....	99
4 Feyerabend's Relativism.....	100
4.1 Introduction.....	100
4.2 Realism and Relativism.....	101
4.3 Feyerabend's Changing Attitudes Towards Relativism.....	106
4.3.1 Science in a Free Society.....	106
4.3.2 Farewell to Reason.....	112
4.4 Quantum Physics and Complementarity.....	117
4.5 Quantum Physics and the Theoretical/Empirical Dichotomy of Traditions.....	122
4.6 Conclusion.....	129
5 Feyerabend and Pluralism.....	133
5.1 Introduction.....	133
5.2 Popper and Empirical Content.....	135
5.3 Relevant and Irrelevant Potential Falsifiers.....	138
5.4 Basic Statements and Initial Conditions.....	140
5.5 Rival Theories and the Duhem Thesis.....	143
5.6 Conclusion.....	145
6 Popper, Methodological Pluralism and Epistemic Values.....	147
6.1 Introduction.....	147
6.2 Popper's Axiological Normativity.....	148
6.3 Feyerabend's Axiological Normativity.....	150
6.3.1 Introduction.....	150
6.3.2 Feyerabend's Early Popperianism.....	151
6.3.3 Problems With Feyerabend's Early Popperianism.....	151
6.3.4 Feyerabend's Gradual Awareness of the Problem.....	153
6.3.5 The Principles of Proliferation and Tenacity.....	154
6.4 Feyerabend as a Comprehensively Critical Popperian.....	155
6.5 Feyerabend's Methodological Pluralism: Relativist or 'Rationalist'?.....	157
6.6 Conclusion.....	161
7 Kuhn on Paradigms, Rules and Values.....	163
7.1 Introduction.....	163
7.2 Some Confusions in Kuhn's Philosophy.....	164
7.2.1 Scientific Rules.....	164
7.2.2 Paradigms.....	165
7.2.3 The Wittgensteinian Analogy.....	167
7.2.4 'Crisis' and Paradigm Change.....	169
7.3 The Importance of Scientific Values.....	170
7.3.1 Kuhn's Introduction of Values.....	170

7.3.2 The Wittgensteinian Analogy and Scientific Values.....	173
7.3.3 Scientific Rules and Scientific Values.	174
7.3.4 Scientific Values and Paradigms.	175
7.3.5 The 'Logic' of Values.	178
7.3.6 Normal Science and Paradigm Change.....	181
7.4 Conclusion.	185
8 Tightrope-Walking Rationality: Feyerabend's Metanarrative	188
8.1 Introduction.....	188
8.2 Consolations for the Specialist	190
8.2.1 Introduction.....	190
8.2.2 The Critique of Kuhn.....	190
8.2.3 The Critique of Popper and Lakatos.....	192
8.2.4 Philosophical Versus Practical Traditions.....	193
8.3 Feyerabend's Two Argumentative Chains.	194
8.3.1 Introduction.....	194
8.3.2 Two Argumentative Chains.	195
8.4 Theoretical/Abstract Versus Empirical Traditions.....	199
8.4.1 Introduction.....	199
8.4.2 Empirical Traditions.	199
8.4.3 Theoretical/Abstract Traditions.....	200
8.4.4 Two Traditions and Two Principles.	200
8.5 Values-Based Rationality.	202
8.5.1 Introduction.....	202
8.5.2 Why Values?.....	203
8.5.3 The Dynamical/Tensional Nature of Feyerabend's Values.....	205
8.5.4 Normativity and Values-Based Rationality.	207
8.6 Feyerabend: Postmodernist or Tightrope-Walking Rationalist	209
8.7 Conclusion.	212
9 Feyerabend and World-Views	214
9.1 Introduction.....	214
9.2 Non-Reductive Metaphysical World-Views.....	217
9.2.1 Introduction.....	217
9.2.2 Metaphysical, Non-Reductive, Naturalism.....	217
9.2.3 Reductive Versus Non-Reductive Naturalism.....	220
9.3 Feyerabend and World-Views	224
9.3.1 Introduction.....	224
9.3.2 The Aristotelian World-view and the Scientific Revolutio.....	225
9.3.3 Epistemological Anarchism and Forms of Life.....	227
9.3.4 The Scientific World-View and Alternative World-Views.....	229
9.4 Conclusion.	233
