Introduction: General Outlines of Assessment and Management of
Osteoporosis: Postmenopausal Osteoporosis as an Example xxiii
Piet Geusens, Robert Lindsay, and Philip N. Sambrook

Part 1 General aspects of bone, osteoporosis and fractures

1 Normal Skeletal Structure and Function 3
Philip N. Sambrook and Piet Geusens

2 Physiology of Calcium Homeostasis and Bone Remodeling 9
Dirk Vanderschueren, Steven Boonen, and Roger Bouillon

3 Biomechanics of Bone and Fracture..... 15
Lis Mosekilde

4 Pathophysiology of Fractures 21
Michael R. McClung

5 Epidemiology of Osteoporotic Fractures..... 29
Elaine Dennison and Cyrus Cooper

6 Socioeconomic Impact 39
L. Joseph Melton, III

Part 2 Investigations in Osteoporosis

7 Bone Densitometry, Radiography, and Quantitative Ultrasound for the
Diagnostic Assessment of Osteoporosis..... 47
Claus-C. Glüer

8 Biochemical Indices of Bone Turnover 59
Markus J. Seibel

9	Dual-energy X-ray-based Absorptiometry in Daily Clinical Practice	69
	<i>Piet Geusens</i>	
10	Differential Diagnosis: Back Pain and Osteoporosis.	75
	<i>Kristina Åkesson and Anthony D. Woolf</i>	
11	Differential Diagnosis: Bone Pain and Fractures.	87
	<i>Carlo Gennari and S. Gonnelli</i>	
12	Falls in Older People	93
	<i>Stephen R. Lord, Hyton B. Menz, and Catherine Sherrington</i>	
13	Genes and Osteoporosis	101
	<i>Stuart H. Ralston</i>	

Part 3 Treatment of Postmenopausal Osteoporosis

14	Prevention Early After Menopause.	111
	<i>John C. Stevenson</i>	
15	Pharmacologic and Non-pharmacologic Strategies to Prevent Hip Fracture in Old Age	119
	<i>Steven Boonen, Patrick Haentjens, and Dirk Vanderschueren</i>	
16	Selective Estrogen Receptor Modulators	129
	<i>Robert Lindsay</i>	
17	Bisphosphonate Therapy for Postmenopausal Osteoporosis	133
	<i>Henry Bone</i>	
18	Anabolic Drug Therapy in Osteoporosis	143
	<i>Piet Geusens and Robert Lindsay</i>	
19	Surgical Therapy of Fractures.	147
	<i>Karl J. Obrant and Olof Johnell</i>	

Part 4 Other Aspects of Osteoporosis

20	Osteoporosis in Men	155
	<i>Ego Seeman</i>	
21	Corticosteroid Osteoporosis	163
	<i>Philip N. Sambrook</i>	
22	Tumor Bone Diseases.	171
	<i>Jean-Jacques Body</i>	
23	Immobilization, Exercise, and Osteoporosis	179
	<i>Mehrsheed Sinaki</i>	

24 Nutrition and Osteoporosis..... 187
 Peter Burckhardt

25 The Menopause: A Woman’s View..... 193
 Linda Edwards and Kristy Carne

Part 5 The Future of Diagnosis and Treatment of Osteoporosis

26 Future Developments: Risk Assessment..... 199
 Philip D. Ross and Piet Geusens

27 Future Therapies 209
 Ian R. Reid

28 How to Interpret New Data..... 213
 Robert P. Heaney

Index..... 219

Osteoporosis in Clinical Practice

A Practical Guide for Diagnosis and Treatment

Geusens, P.; Sambrook, P.N.; Lindsay, R. (Eds.)

2004, XXIX, 224 p. 83 illus., Softcover

ISBN: 978-1-85233-757-5
