

Table of Contents

CD1: Cooperative Design 1

Development of a Cooperative Integration System for AEC Design	1
<i>Y. Luo, J.M. Dias</i>	
Observing Architectural Design: Improving the Development of Collaborative Design Environments	12
<i>M. Simpson, S. Viller</i>	
Visualisation of Semantic Networks and Ontologies Using AutoCAD	21
<i>M. Mešina, D. Roller, C. Lampasona</i>	
Mediating Collaborative Design for Constructing Educational Virtual Reality Environments: A Case Study	30
<i>Y. Cho, K.S. Park, T. Moher, A.E. Johnson</i>	

CV1: Cooperative Visualization 1

openVisaar: Enriching Cooperative Visualization by Combining Open Technologies	38
<i>F. Goetz, G. Domik</i>	
Multimodal Interaction in a Collaborative Virtual Brainstorming Environment	47
<i>F. Di Fiore, P. Vandoren, F. Van Reeth</i>	
Cooperative Visualization Framework Based on Video Streaming and Real-Time Vectorial Information	61
<i>J. Bobadilla, L. Mengual</i>	

CE1: Cooperative Engineering 1

Experiences in Product, Process, and Facility Development: A Case of Study	69
<i>J. Aca, A. Molina, I. Ferrer, M. Albertí</i>	
Implementing Collaborative Engineering Environments Through Reference Model-Based Assessment	79
<i>C. Vila, F. Romero, M. Contero</i>	
A Modularity Framework for Concurrent Design of Reconfigurable Machine Tools	87
<i>R. Pérez R., J. Aca S., A. Valverde T., H. Ahuett G., A. Molina G., C. Riba R.</i>	

CD2: Cooperative Design 2

A Cooperative Design Environment Using Multi-Agents and Virtual Reality	96
<i>N. Yabuki, J. Kotani, T. Shitani</i>	

Using Specifications to Build Domain-Independent Collaborative Design Environments	104
<i>C. Bravo, J. Gallardo, B. García-Minguillán, M.Á. Redondo</i>	

Fostering Creativity in Cooperative Design	115
<i>A.S. Vivacqua, J.M. de Souza</i>	

CE2: Cooperative Engineering 2

Design and Manufacturing Assistance Tool for Drawing Sheet Metal Parts	123
<i>M.L. G.-Romeu, Q. de Ciurana</i>	

The Method of Unified Internet-Based Communication for Manufacturing Companies	133
<i>M. Ota, I. Jelínek</i>	

Constructing a Global and Integral Model of Business Management Using a CBR System	141
<i>E. Corchado, J.M. Corchado, L. Sáiz, A. Lara</i>	

CV2: Cooperative Visualization 2

‘Under Construction’: The Potential of a Web Based Application in Managing and Maintaining Large Area Urban Modelling	148
<i>J. Counsell</i>	

Interest Management for Collaborative Environments Through Dividing Their Shared State	156
<i>M. Masa, J. Zara</i>	

CD3: Cooperative Design 3

Using Simulation, Collaboration, and 3D Visualization for Design Learning: A Case Study in Domotics	164
<i>A.I. Molina, M.A. Redondo, C. Bravo, M. Ortega</i>	

A Virtual Reality Framework for RC Building Design and Construction Cooperation	172
<i>J. Wang, S.A. Chou, C.C. Chen, C.S. Wang</i>	

Cooperative Design for Artistic Performances	180
<i>M. Masa, J. Zara, B. Ziskal, P. Smetana</i>	

CA: Cooperative Applications

GEMMA: A Cooperative Control System to Collect Environmental Marine Waste	186
<i>B. Estrany, M. Mascaró, A. Bibiloni, G. Serra, E. Sideaner, J. Laredo, B. Capo, B. Alcover</i>	

Comparison of Real-Time Text Chat and Collaborative Editing Systems .	196
<i>D. Chen, C. Sun</i>	

Design of Cooperative Agents for Mobile Devices.....	205
<i>J.M. Corchado, E.S. Corchado, M.A. Pellicer</i>	

A Building Maintenance Decision Tool for PFI Projects.....	213
<i>F. Khosrowshahi, R. Howes, G. Aouad</i>	

CV3: Cooperative Visualization 3

Collaborative Role Management for Sharing Protected Web Resources ...	221
<i>S. Encheva, S. Tumin</i>	

Envisioning Environmental Futures: Multi-agent Knowledge Generation, Frame Problem, Cognitive Mapping	230
<i>D. Borri, D. Camarda, A. De Liddo</i>	

A Hierarchical Visualization Tool to Analyse the Thermal Evolution of Construction Materials	238
<i>E. Corchado, P. Burgos, M. del Mar Rodríguez, V. Tricio</i>
