
List of Contents

Neuropeptide Y: History and Overview	1
<i>K. Tatemoto</i>	
PP, PYY and NPY: Synthesis, Storage, Release and Degradation	23
<i>S. von Hörsten, T. Hoffmann, M. Alfalah, C.D. Wrann, T. Karl, R. Pabst, S. Bedoui</i>	
NPY Receptor Subtypes and Their Signal Transduction	45
<i>N.D. Holliday, M.C. Michel, H.M. Cox</i>	
Phylogeny of NPY-Family Peptides and Their Receptors	75
<i>D. Larhammar, R. Fredriksson, E. T. Larson, E. Salaneck</i>	
Neuropeptide Y and Its Receptor Subtypes in the Central Nervous System: Emphasis on Their Role in Animal Models of Psychiatric Disorders	101
<i>J.P. Redrobe, C. Carvajal, A. Kask, Y. Dumont, R. Quirion</i>	
Prejunctional Effects of Neuropeptide Y and Its Role as a Cotransmitter. . .	137
<i>T.C. Westfall</i>	
Neuroendocrine Actions Of Neuropeptide Y	185
<i>W.R. Crowley</i>	
NPY: A Novel On/Off Switch for Control of Appetite and Reproduction . . .	221
<i>S.P. Kalra, P.S. Kalra</i>	
Behavioral Effects of Neuropeptide Y	251
<i>T.E. Thiele, M. Heilig</i>	

NPY Effects on Food Intake and Metabolism.	283
<i>N. R. Levens, M. Félétou, J.-P. Galizzi, J.-L. Fauchère, O. Della-Zuana, M. Lonchampt</i>	
Neuropeptide Y and Cardiovascular Function	327
<i>M. J. Morris</i>	
Neuropeptide Y and the Kidney.	361
<i>M. C. Michel</i>	
NPY-Like Peptides, Y Receptors and Gastrointestinal Function	389
<i>N. P. Hyland, H. M. Cox</i>	
NPY and Immune Functions: Implications for Health and Disease	409
<i>S. Bedoui, R. Pabst, S. von Hörsten</i>	
Transgenic and Knockout Models in NPY Research	447
<i>H. Herzog</i>	
Structure–Activity Relationship of Peptide-Derived Ligands at NPY Receptors	479
<i>K. Mörl, A. G. Beck-Sickinger</i>	
Structure–Activity Relationships of Nonpeptide Neuropeptide Y Receptor Antagonists	505
<i>A. Brennauer, S. Dove, A. Buschauer</i>	
Subject Index	547

Neuropeptide Y and Related Peptides

Michel, M.C. (Ed.)

2004, X, 555 p., Hardcover

ISBN: 978-3-540-40581-8
