Foreword . . . . .	ix
<i>Noel A. Armenakas</i>	
1 Presenting Symptoms of Urological Emergencies . . . . .	1
<i>Hashim Hashim and John Reynard</i>	
Flank Pain . . . . .	1
Haematuria . . . . .	2
Oliguria, Anuria, and Inability to Pass Urine . . . . .	4
Suprapubic Pain . . . . .	5
Scrotal Pain and Swelling . . . . .	5
Priapism . . . . .	6
Back Pain and Urological Symptoms . . . . .	6
2 Lower Urinary Tract Emergencies . . . . .	9
<i>John Reynard</i>	
Acute Urinary Retention . . . . .	9
Is It Acute or Chronic Retention? . . . . .	12
What to Do Next for the Man with Acute Retention . . . . .	14
Retention in Patients with a Catheterisable Stoma . . . . .	15
3 Nontraumatic Renal Emergencies . . . . .	17
<i>John Reynard</i>	
Acute Flank Pain—‘Ureteric’ or ‘Renal’ Colic . . . . .	17
Acute Pyelonephritis . . . . .	32
Pyonephrosis . . . . .	36
Perinephric Abscess . . . . .	37
Emphysematous Pyelonephritis . . . . .	38
Acute Pyelonephritis, Pyonephrosis, Perinephric Abscess, and Emphysematous Pyelonephritis— Making the Diagnosis . . . . .	41
Xanthogranulomatous Pyelonephritis . . . . .	42
4 Other Infective Urological Emergencies . . . . .	45
<i>Hashim Hashim and John Reynard</i>	

Urinary Septicaemia .....	45
Pyelonephritis and Pyonephrosis .....	48
Prostatic Infections and Prostatic Abscess .....	48
Fournier's Gangrene .....	49
Epididymo-Orchitis .....	51
Periurethral Abscess .....	53
 5 Traumatic Urological Emergencies .....	 54
<i>John Reynard</i>	
Renal Injuries .....	54
Ureteric Injuries .....	63
Pelvic Fractures and Injuries to the Urinary System .....	83
Bladder Injuries .....	97
Posterior Urethral Injuries .....	109
Anterior Urethral Injuries .....	109
Testicular Injuries .....	113
Penile Injuries .....	115
Penile Fracture .....	118
 6 Scrotal and Genital Emergencies .....	 125
<i>John Reynard and Hashim Hashim</i>	
Torsion of the Testis and Testicular Appendages ...	125
Priapism .....	132
Paraphimosis .....	135
Foreign Bodies in the Urethra and Attached to the Penis .....	137
 7 Postoperative Emergencies After Urological Surgery .....	 141
<i>Hashim Hashim and John Reynard</i>	
Shock Due to Blood Loss .....	141
Anaphylaxis After Administration of Intravenous Contrast or Antibiotics .....	142
Scrotal Swelling After Scrotal Surgery .....	144
Wound Dehiscence Leading to Burst Abdomen ....	145
Postcircumcision Bleeding .....	146
Blocked Catheter Post-Transurethral Resection of the Prostate (TURP) and Clot Retention .....	146
Extraperitoneal Perforation During TURP .....	147
The Transurethral Resection (TUR) Syndrome ....	147
Displaced Catheter Post-Radical Prostatectomy ...	148

Compartment Syndrome of the Lower Limb Associated with the Lithotomy Position . . . . .	148
8 Ureteric Colic in Pregnancy . . . . . <i>John Reynard</i>	151
The Hydronephrosis of Pregnancy . . . . .	151
Presentation of Stones in Pregnancy . . . . .	152
What Imaging Study Should Be Used to Establish the Diagnosis of a Ureteric Stone in Pregnancy . .	152
Management of Ureteric Stones in Pregnant Women . . . . .	156
9 Management of Urological Neoplastic Conditions Presenting as Emergencies . . . . . <i>John Reynard and Hashim Hashim</i>	160
Testicular Cancer . . . . .	160
Malignant Ureteric Obstruction . . . . .	160
Spinal Cord Compression in Patients with Urological Disease . . . . .	163
10 Common Emergency Urological Procedures . . . . . <i>John Reynard and Nigel Cowan</i>	167
Urethral Catheterisation . . . . .	167
Suprapubic Catheterisation . . . . .	168
Bladder Washout for Blocked Catheter . . . . .	170
Blocked Catheters Following Bladder Augmentation or Neobladder . . . . .	170
JJ Stent Insertion . . . . .	171
Percutaneous Nephrostomy Insertion . . . . .	176
Index . . . . .	183
