

Table of Contents

Preface.....	V
<i>Part I: The Chemical Industry in China</i>	1
1 The Global Chemical Industry	3
Gunter Festel	
1.1 Some Basic Facts About the Chemical Industry	3
1.2 Transformation of the Chemical Industry	4
1.3 Impact of Industrial Biotechnology	7
2 The Petrochemical Industry in China.....	9
Jörg Wuttke	
2.1 Major Players in the Chinese Chemical Industry.....	9
2.2 Underpinning Economic Growth and the Energy Bottleneck.....	10
2.3 Outlook for Feedstock Supply	13
2.4 Cracker Capacity Development	14
2.5 Consumption of Ethylene and Its Derivatives	15
2.6 WTO Entry and Its Impact on China's Petrochemical Industry	18
2.7 Competitive Environment in the Chinese Market.....	19
2.8 Summary and Outlook	22
3 Activities of European Chemical Companies in China.....	23
Heinz Mueller	
3.1 Executive Summary	23
3.2 Activities in China	24
3.3 Investment in China	27
3.4 Focus on Subsegments	30
3.5 Effects of Investment and Positioning on Sales	37
3.6 Selected Chemical Companies in China	39
4 Research and Development in China.....	47
Gunter Festel, Harald Pielartzik and Martin S. Vollmer	
4.1 Scope and Structure of R&D in China.....	47
4.2 R&D by Foreign Chemical and Pharmaceutical Companies	50
4.3 Conclusion and Outlook	52
5 Chemical Industry Parks in China.....	53
Gunter Festel and Yong Geng	
5.1 Industrial Parks and Their Infrastructures.....	53

5.2 Site Selection Criteria	55
5.3 Important Aspects for Foreign Investors	57
5.4 Selected Chemical Industry Parks in China	59
6 Trends in the Chinese Fine Chemicals Market – Opportunities and Threats for the European Fine Chemicals Industry.....	63
Dahai Yu	
6.1 General Introduction to the Fine Chemicals Market.....	63
6.2 The Chinese Fine Chemicals Industry and Recent Developments	65
6.3 Scenarios for Future Developments.....	69
6.4 Opportunities and Threats to the European Fine Chemicals Industry.....	70
6.5 Conclusion.....	71
7 Chemicals for China’s Chip Industry	73
Klaus Griesar	
7.1 The Semiconductor Industry – Market Growth	73
7.2 Technological Innovation in the Microchip Industry	74
7.3 Electronics Chemicals and Semiconductor Manufacturing	75
7.4 Semiconductor Industry to Get Boost in China	80
7.5 China Promises Great Potential, but Plenty of Pitfalls	84
7.6 Electronics Chemicals in China.....	85
 <i>Part II: The Pharmaceutical Industry in China</i>	<i>89</i>
8 China’s Pharmaceutical Market: Business Environment and Market Dynamics	91
Michael Brueckner, Marc P. Philipp and Joachim E. A. Luithle	
8.1 Introduction	91
8.2 Business Environment for the Pharmaceutical Industry in China.....	92
8.3 Market Characteristics and Dynamics of China’s Pharmaceutical Industry	95
8.4 Conclusion and Outlook	107
9 Developing the Pharmaceutical Business in China – The Case of Novartis	109
Angela Wang and Maximilian von Zedtwitz	
9.1 Changing Pharmaceutical Environment in China.....	109
9.2 Novartis Pharma in China.....	110
9.3 Strategic vs. Potential Regions in China.....	112
9.4 Analyzing the Pharmaceutical Business Environment	114
9.5 Conclusion.....	119

10 China's Approach to Innovative Pharmaceutical R&D: A Review	121
David E. Webber	
10.1 Chinese Pharmaceutical R&D – Current Status.....	121
10.2 Government Agencies Driving Biopharmaceutical R&D.....	124
10.3 Factors Important in Country Competitiveness in Pharmaceutical R&D.....	126
10.4 Collaboration with the Multinational Pharmaceutical Companies.....	129
10.5 Conclusion	131
11 Foreign Direct Investment by Multinational Corporations in China – The Pharmaceutical Sector	133
Xiangdong Chen and Guido Reger	
11.1 Introduction.....	133
11.2 Foreign Direct Investment (FDI) in the Pharmaceutical Sector in China: Trends and Structures.....	133
11.3 Technology, Patents and Foreign Direct Investment in China by Multinational Pharmaceutical Companies	143
11.4 Conclusions.....	146
12 Competing in the Chinese Antibiotics Market – Cephalosporins 1982-2000	149
Gail E. Henderson and William A. Fischer	
12.1 Cephalosporins and China	149
12.2 The Business of Antibiotics in China, Early 1980s	150
12.3 Market Changes from the Mid-1980s	151
12.4 Characteristics of the Chinese Market for Cephalosporins: Late 1990s.....	153
 <i>Part III: The Experience of Successful European Companies in China</i>	 157
13 Swimming Ahead of the Shoal – The History of BASF in Greater China	159
Andreas Kreimeyer	
13.1 The Founding of BASF.....	159
13.2 A Partnership Sealed by Colors	160
13.3 The Two World Wars	161
13.4 The Postwar Era.....	161
13.5 Towards the Future	167

14 Establishing a Competitive Production Network in Asia.....	171
Otto Kumberger	
14.1 Asia – Shaping the Future of the Chemical Industry	171
14.2 BASF's Production Philosophy	172
14.3 Using BASF's Verbund Concept to Shape New Sites in Asia	172
14.4 BASF's Investments in Asia-Pacific	174
14.5 Cultivating the Best Team in Asia-Pacific.....	179
15 Bayer – A Multinational Committed to China.....	181
Elmar Stachels	
15.1 Bayer in China.....	181
15.2 Bayer's Core Competencies.....	182
15.3 A Strategy for Growth	185
15.4 Summary and Outlook.....	187
16 Bicoll – The First Sino-German Biotechnology Company	189
Kai Lamottke, Nicole Feling and Christian Haug	
16.1 Considerations for a Chinese Site.....	189
16.2 Starting from Scratch in Shanghai.....	193
16.3 Outlook	197
17 Ciba Specialty Chemicals in China – Global Direction and Local Expertise	199
Kuno Kohler	
17.1 History	199
17.2 Industries We Serve.....	200
17.3 Business Environment	204
17.4 Strategic Priorities	206
17.5 Future Development	209
18 Degussa: Transforming the China Region	211
Eric Baden	
18.1 Early Mover.....	211
18.2 Why China, Why Now?.....	211
18.3 The Holding Company – Dinosaur or Dragon?	214
18.4 As Decentralized as Possible – As Centralized as Necessary	216
18.5 Sourcing China – A Profitable Growth Market	216
18.6 Growth.....	217
18.7 The Other Side of the Medal.....	219
18.8 Conclusion	220

19 A Toolbox for China – Lessons from the China Experience of Degussa Construction Chemicals	221
Boris Gorella and Christian Kober	
19.1 Riding the Swift Juggernaut.....	221
19.2 Five Key Issues Facing Foreign Businesses in China.....	225
19.3 The Road Ahead	245
19.4 The Take-Away	245
20 DSM in China: In Touch with Evolving Needs in the Specialty Chemicals Market	247
Stefan Sommer	
20.1 Introduction.....	247
20.2 Royal DSM – From Coal to Biotechnology.....	247
20.3 The Early Years of DSM in China.....	251
20.4 The 1990s and the New Millennium.....	252
20.5 DSM and China in the Asian Century	259
20.6 China and DSM – Managing the Future	260
20.7 Conclusion	263
21 Vitamins – Opportunities and Challenges for Both Western and Chinese Producers	265
Manfred Eggersdorfer	
21.1 Vitamins Are a Dynamic Market.....	265
21.2 Vitamins Require a Complex Production Set-Up	266
21.3 New Entrants Result in a Competitive Environment	266
21.4 New Breakthrough Technologies Impact Competitive Position.....	269
21.5 Product Forms Are an Additional Differentiator	270
21.6 Summary and Outlook	272
Authors	273
Literature	287
Index	291

The Chemical and Pharmaceutical Industry in China
Opportunities and Threats for Foreign Companies

Festel, G.; Kreimeyer, A.; Oels, U.; von Zedtwitz, M.
(Eds.)

2005, XII, 296 p., Hardcover

ISBN: 978-3-540-22544-7
