1	Classification	1
1.1	Introduction	1
1.2	Amphibians	3
1.3	Reptiles	3
1.4	Note on Coloration	7
2	Diversification of Palaeozoic Reptiles	9
2.1	Introduction	9
2.2	Continental Drift	10
2.3	Reptilian Ancestors	10
2.4	Anapsid Reptiles	12
2.5	Synapsid Reptiles	14
3	The Mesozoic Environment	19
3.1	Introduction	19
3.2	The Triassic Period	20
3.3	The Jurassic and Cretaceous Periods	20
4	Amphibious and Early Marine Mesozoic Reptiles	23
4.1	Introduction	23
4.2	Locomotion	24
4.3	Testudines	26
4.3.1	Respiration	27
4.3.2	Evolution	28
4.4	Placodonts and Nothosaurs	29
4.4.1	Placodonts	29
4.4.2	Nothosaurs	31
4.4.3	Claudiosaurians	33
4.5	Thalattosaurs, Mosasaurs and Other Sea Lizards	34
4.6	Champsosaurs, Phytosaurs and Crocodilians	36
4.6.1	Choristodera	36
4.6.2	Phytosaurs	37
4.6.3	Crocodilians	38
5	Plesiosaurs and Ichthyosaurs	45
5.1	Introduction	45
5.2	Swimming	46

5.2.1	Plesiosaurs	46
5.2.2	Ichthyosaurs	48
5.3	Plesiosaurs	51
5.3.1	Plesiosaur Diversification	51
5.4	Ichthyosaurs	54
5.4.1	Ichthyosaur Diversification	55
5.5	Conclusions	59
6	Aerial Mesozoic Reptiles	61
6.1	Introduction	61
6.2	Gliding Reptiles	63
6.3	Pterosaur Flight	67
6.4	Locomotion on the Ground	70
6.4.1	Bipedal Locomotion	70
6.4.2	Quadrupedal Locomotion	71
6.5	Rhamphorynchoids	72
6.6	Pterodactyloids	77
6.6.1	Cretaceous Pterosaurs	79
6.7	Life Styles	82
6.7.1	Feeding	82
6.7.2	Reproduction	83
6.7.3	Enemies	85
6.8	Extinction	85
6.9	Summary	86
7	Terrestrial Mesozoic Reptiles:	
	Size, Locomotion and Thermal Physiology	89
7.1	Introduction	89
7.2	Quadrupedal Locomotion	89
7.3	Bipedal Locomotion	90
7.4	Weight and Size Limits	92
7.5	Thermal Physiology	99
7.5.1	Behavioural Thermoregulation	100
7.5.2	Thermoregulatory Structures	102
7.6	Tachymetabolism	103
7.6.1	Anatomical Evidence	104
7.6.2	Bone Histology	105
7.6.3	Energy Flow and Predator: Prey Ratios	107
7.6.4	Palaeolatitudinal Distribution	109
7.7	Bradymetabolic Thermoregulation	110
7.8	Hair and Feathers	111
7.9	Conclusions	111

8 Therapsids, Anapsids and Early Diapsids	113
8.1 Introduction	113
8.2 Therapsids and the Origin of Mammals	113
8.3 Anapsids	116
8.4 Early Diapsids	117
8.4.1 Lepidosauria	117
8.4.2 Squamata	118
8.4.3 Early Archosauromorphs	120
9 The Dinosaurs: Weapons, Display and Reproduction	125
9.1 The Earliest Dinosaurs	125
9.2 Dinosaur Weapons	128
9.2.1 Weapons of Attack	128
9.2.2 Defensive Weapons	130
9.2.3 Defensive Display	135
9.3 Reproduction	136
9.3.1 Agonistic Behaviour	136
9.3.2 Courtship and Mating	142
9.3.3 Nesting Behaviour	143
9.3.4 Growth and Development	147
10 Herbivorous Dinosaurs	149
10.1 Introduction	149
10.2 Teeth, Gastroliths and Digestion	149
10.3 Basal Sauropodomorphs – Prosauropods	151
10.4 Sauropods	153
10.5 Herbivorous Bipedes	156
10.5.1 Fabrosaurids and Heterodontosaurids	157
10.5.2 Hypsilophodontids	158
10.5.3 Iguanodontids	160
10.5.4 Hadrosaurids	160
10.5.5 Psittacosaurids	162
10.5.6 Pachycephalosaurians	163
10.6 Horned, Plated and Armoured Dinosaurs	163
10.6.1 Ceratopsians	163
10.6.2 Stegosaurids	165
10.6.3 Ankylosaurids	166
10.7 Conclusions	168
11 Carnivorous Dinosaurs	171
11.1 Introduction	171
11.2 Dentition	171
11.3 Ceratosaurs	172
11.3.1 Maniraptora	174
11.3.2 Dromaeosaurids	176

11.3.3 Troodontids	177
11.3.4 Therizinosaurids – Segosaurs	178
11.4 Carnosaurs	179
11.4.1 Predation and Scavenging	180
11.4.2 Megalosaurids	181
11.4.3 Spinosaurids	181
11.4.4 Allosaurids	183
11.4.5 Tyrannosaurids	184
11.5 The Origin of Birds	185
11.5.1 Feathers	186
11.5.2 Flight	187
11.6 Conclusions	188
12 The Cretaceous Extinction	189
12.1 Introduction	189
12.1.1 Mass Extinctions	189
12.1.2 The Permian Extinction	190
12.1.3 The Triassic Extinction	191
12.2 Terminal Mesozoic Events	191
12.3 Dinosaur Extinction: Improbable Hypotheses	192
12.4 Cataclysmal Hypotheses	193
12.4.1 Impact with a Meteorite or Bolide	194
12.5 Gradualist Hypotheses	195
12.5.1 Longevity, Injuries and Disease	196
12.5.2 Nutritional Factors	197
12.5.3 Thermal Effects	197
12.6 Conclusions	199
Epilogue	201
Bibliography	203
Subject Index	213

Ecology and Behaviour of Mesozoic Reptiles

Cloudsley-Thompson, J.L.

2005, XII, 219 p. 129 illus., Hardcover

ISBN: 978-3-540-22421-1
