

Content

1	Welcome	1
1.1	Prof. Jeff Anderson, Georgetown University, School of Foreign Services, BMW Center for German and European Studies (CGES)	1
1.2	Prof. Dr. Arnold Picot, Münchner Kreis and Konrad Adenauer Visiting Professor (CGES), Georgetown University	2
2	Telecommunication Industries in Transition: Winning the Future through Innovation and Change	5
	Chair: Prof. Dr. Arnold Picot, Münchner Kreis and Georgetown University	
2.1	Dr. Thomas Ganswindt, Siemens AG	5
2.2	Discussion	35
3	All IP – All IT – All Wireless: The Drivers of Change	41
	Chair: Prof. Dr. Jörg Eberspächer, Munich University of Technology	
3.1	Gary A. Cohen, General Manager, Global Communications Sector, IBM Corp.	41
3.2	Christine Heckart, Juniper Networks Inc., Sunnyvale	48
3.3	Dr. Thomas Ganswindt, Siemens AG, München	51
3.4	Discussion	58
4	Technology as Driver of Change in Telecommunications	69
	Prof. Robert Calderbank, Princeton University	

5	Market Structures and Business Models of the Future Consolidation or Persisting Turbulence – Monopolization or Fragmentation: What will Future Telco-Markets look like?	87
	Chair: Prof. Dennis Lockhart, Georgetown University	
5.1	Perspective from USA	87
	Prof. Eli Noam, Columbia University, Graduate School of Business, Columbia Institute for Tele-Information (CITI)	
5.2	Perspective from Europe	92
	Dr. Karl-Heinz Neumann, General Manager WIK – Scientific Institute for Communication Services, Bad Honnef	
5.3	Discussion	101
6	Determinants of Future Market Success	105
	Chair: Prof. Dr. Thomas Hess, University of Munich	
6.1	Prof. Michael Dowling, University of Regensburg	105
6.2	Eckart Pech, Detecon Inc., Reston	111
6.3	Prof. Dr. Rolf T. Wigand, University of Arkansas at Little Rock	118
6.4	Discussion	121
7	How Much and What Kind of Regulation Will be Needed in the Networked World of Tomorrow?	129
	Chair: Prof. Dr. Arnold Picot, Münchener Kreis und Georgetown University	
7.1	Prof. John W. Mayo, Georgetown University	129
7.2	Prof. Stephen C. Littlechild, Judge Institute, University of Cambridge, UK	147
7.3	J. Gregory Sidak, American Enterprise Institute	155
7.4	Prof. Justus Haucap, Ruhr-University of Bochum	158
7.5	Prof. Robert C. Atkinson, Columbia Institute for Tele-Information (CITI)	169
7.6	Stefan Doeblin, Chairman Network Economy Group	182
	Appendix	189
	List of Speakers and Chairmen
