

Additional Information for SSSI Volume 23
SOLAR VARIABILITY AND PLANETARY CLIMATES

Regrettably, some important information was omitted from the published volume

The Editors would also like to credit:

Editorial Assistant: IRMELA SCHWEIZER
International Space Science Institute, Bern, Switzerland

for her assistance in preparing the volume for publication.

The cover image for the volume is:

Canary Islands Landscape, Acrylic on rag acid free board,
William K. Hartmann for Silvia Wenger, 2002.

Graciously supplied and received with thanks.

Solar Variability and Planetary Climates
