## **Prologue**

### **Bridging the Divide: Population Mobility and the Emergence of Disease**

## **Chapter 1**

### **Demographic and Epidemiological Perspectives of Human Movement**

YORGHOS APOSTOLOPOULOS AND SEVIL SÖNMEZ .....	3
Globalization, Mobility, and Population Health .....	3
Population Mobility and Migration: An Overview .....	4
Population Movement and Disease Risks .....	6
Organization and Themes of the Book .....	8
Postscript .....	16
<i>References</i> .....	16

## **Part I**

### **Key Themes Pertinent to Migration, Health, and Disease**

## **Chapter 2**

### **Population Mobility and the Geography of Microbial Threats**

MARY E. WILSON .....	21
Introduction .....	21
Migration .....	21
Context .....	29
Technology .....	32
Conclusions .....	34
<i>References</i> .....	34

**Chapter 3****Health Barriers and Inequities for Migrants**

ELIZABETH IOANNIDI-KAPOLOU . . . . .	41
Introduction . . . . .	41
Factors Contributing to Inequalities in Health . . . . .	42
‘Otherness’ as a Health Barrier: Experiences of Migrants and Refugees . . . . .	43
Mental Health Problems for Migrants . . . . .	46
Health Disparities Among Female Migrants . . . . .	48
STI/HIV Prevention for Migrant Women . . . . .	50
Concluding Remarks . . . . .	51
<i>References</i> . . . . .	52

**Chapter 4****Social Networks, Social Capital, and HIV Risks Among Migrants**

VARDA SOSKOLNE . . . . .	55
Introduction . . . . .	55
Dimensions of Social Relationships . . . . .	56
Social Relationships and Health . . . . .	58
Migration, Social Relations, and HIV . . . . .	59
Conclusions and Implications . . . . .	67
<i>References</i> . . . . .	69

**Part II****Labor Induced Migration and Disease Diffusion****Chapter 5****Economic Migrants and Health Vulnerability**

MARK N. LURIE . . . . .	75
Introduction . . . . .	75
The Extent of Global Labor Migration . . . . .	75
Labor Migration and Health: Levels of Causation . . . . .	77
Case Studies . . . . .	80
Recommendations for Interventions . . . . .	84
<i>References</i> . . . . .	86

**Chapter 6****Military Personnel: On the Move and Vulnerable/AIDS to HIV  
and other STIs**

STUART J. KINGMA AND RODGER D. YEAGER . . . . .	93
Introduction . . . . .	93
Policy Issues . . . . .	95
Operational Issues . . . . .	103
Conclusions . . . . .	109
<i>References</i> . . . . .	110

**Chapter 7****Selling Sex in the Era of AIDS: Mobile Sexworkers and STI/HIV Risks**

NATALYA TIMOSHKINA, ANTHONY P. LOMBARDO, AND LYNN McDONALD . . . . .	113
Introduction . . . . .	113
The Extent of Trafficking and Mobile Sexwork . . . . .	114
STI/HIV Prevalence Among Sexworkers. . . . .	117
Mobile Sexwork and STI/HIV Risks . . . . .	123
Conclusions . . . . .	124
<i>References</i> . . . . .	126

**Chapter 8****Tracing the Diffusion of Infectious Diseases in the Transport Sector**

YORGHOS APOSTOLOPOULOS AND SEVIL SÖNMEZ . . . . .	131
Introduction . . . . .	131
Transport, Development, and Public Health. . . . .	132
Risk Vulnerability in the Road Sector of Developing Regions . . . . .	134
Disease Risks along U.S. Trucking Routes . . . . .	143
Maritime Sector and HIV in Developing Regions. . . . .	146
Air Transport and Disease . . . . .	149
Surveillance and Interventions . . . . .	150
Concluding Remarks . . . . .	152
<i>References</i> . . . . .	153

**Part III****Forced Migration: A Public Health Catastrophe****Chapter 9****War, Refugees, Migration, and Public Health: Do Infectious Diseases Matter?**

FREDERICK M. BURKLE . . . . .	159
Introduction . . . . .	159
War and Internal Conflict. . . . .	160
Refugees . . . . .	161
Internally Displaced Populations . . . . .	162
Epidemiological Models of Complex Emergencies . . . . .	163
Public Health and Infectious Disease . . . . .	165
Reflecting on Risks and Myths. . . . .	171
<i>References</i> . . . . .	175

**Chapter 10****Natural Disasters, Climate Change, and the Health of Mobile Populations**

JONATHAN D. MAYER . . . . .	181
Introduction . . . . .	181

## xiv Contents

Impact of Natural Hazards and Disasters on Health . . . . .	182
Climate Change, Population, and Health . . . . .	187
Conclusion . . . . .	192
<i>References</i> . . . . .	193

**Part IV****Leisure Migration and Health Concerns: A Paradox or Inevitability?****Chapter 11****Casual Sex in the Sun Makes the Holiday: Young Tourists' Perspectives**

EUGENIA WICKENS AND SEVIL SÖNMEZ . . . . .	199
Introduction . . . . .	199
Mass Tourism . . . . .	200
The Holiday Behavior of Travelers: Some Generalizations . . . . .	201
Young Tourists: A Case Study from Greece . . . . .	205
Conclusions . . . . .	210
<i>References</i> . . . . .	211

**Chapter 12****In Search of the Exotic: Sex Tourism and Disease Risks**

SEVIL SÖNMEZ, EUGENIA WICKENS, AND YORGHOS APOSTOLOPOULOS . . . . .	215
Introduction . . . . .	215
Globalization of Tourism and Sex . . . . .	216
<i>Femmigration</i> , Trafficking, and Prostitution . . . . .	217
Sex: The "Dark Side" of Tourism . . . . .	219
Health Costs of Sex Tourism . . . . .	228
Strategies for Change . . . . .	231
<i>References</i> . . . . .	235

**Epilogue****New Directions in Migration Health and Medicine****Chapter 13****Mapping and Modeling Disease Risk Among Mobile Populations**

HENRY G. MWAMBI AND KHANGELANI ZUMA . . . . .	245
Human Mobility and Epidemiology . . . . .	245
Mathematical Modeling and Infectious Diseases . . . . .	246
Migrant Worker Effect: A Real Application . . . . .	255
Mapping Disease Risk . . . . .	258
Conclusions and Future Research . . . . .	262
<i>References</i> . . . . .	263

**Chapter 14****Ethical and Legal Issues Impacting Migrant Health**

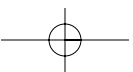

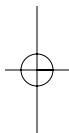

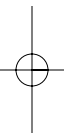

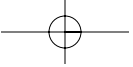

SANA LOUE . . . . .	267
Issues in the International Context . . . . .	267

Issues in the U.S. Context . . . . .	272
Conclusion . . . . .	277
<i>References</i> . . . . .	278

## **Chapter 15**

### **Migration in a Mobile World: Health, Population Mobility, and Emerging Disease**

BRIAN D. GUSHULAK AND DOUGLAS W. MACPHERSON . . . . .	283
The Historical Relationship Between Population Mobility and the Control of Emerging Diseases . . . . .	283
Current Nature of Population Mobility and Interventions Directed at Controlling International Disease . . . . .	285
The Health of Mobile Populations—How the Five Ps Come Together . . . . .	290
Migration Health Challenges and Consequences Resulting from Globalization . . . . .	292
Future Directions and Policy Development . . . . .	293
<i>References</i> . . . . .	298
<b>Index</b> . . . . .	301

Population Mobility and Infectious Disease

Apostolopoulos, Y.; Sonmez, S. (Eds.)

2007, XXIV, 320 p., Hardcover

ISBN: 978-0-387-47667-4
