Preface	V
1 The Concept of Knowledge Networks for Growth	1
<i>E. Enkel, A. Back, G. von Krogh</i>	
Abstract.....	1
Introduction	2
Knowledge Networking as a Strategy for Company Growth.....	3
Leveraging Companies' Internal and External Growth Potentials	3
Forms of Governance for Knowledge Sharing and Integration.....	7
Clarifying the Concept of Intra-organizational Knowledge	
Networking	11
Framework for Knowledge Networks for Growth	16
Methodology.....	17
Knowledge Networks for Growth in Practice: Following an	
Internal Strategy through Innovation.....	18
Knowledge Networks for Growth in Practice: Following an	
External Strategy through M&A	24
General Factors to Be Adapted for Knowledge Networks for	
Growth.....	27
Discussion and Conclusion.....	29
2 Supporting Integration after M&A through Knowledge Networks	
 within RWE Net.....	33
<i>G. Gurgul, E. Enkel, K. Schulte, C.-H. Kruse</i>	
Abstract.....	33
Knowledge Integration after M&A in RWE Net.....	34
Conceptual Background	34
Approach Taken by the Research Project.....	37
Historical Background.....	38
The Demand for Knowledge Integration after M&A	39
The Development of an M&A Integration Network	41
Finding the Appropriate Structure for Knowledge Integration	41
Management Commitment	43
Selection of Knowledge Network Participants.....	45
Involvement of Knowledge Network Participants	47

Establishment of Social Ties	49
Further Development of the Knowledge Network	51
Supporting the Performance of a Knowledge Network.....	53
Lessons Learned	54
General Recommendations	55
 3 The Customer – an Untapped Source of Innovation. Developing a Customer Integration Network in HP	59
<i>G. Gurgul, E. Enkel, M. Rumyantseva, C. Ulrich</i>	
Abstract.....	59
Customer Involvement in Internal Processes	60
Conceptual Background	60
The Company Background	63
HP's Way to Customer Involvement.....	63
The Demand for a Customer Knowledge Network	65
Challenges Faced by the HP Support Center.....	65
The Approach of the Research Project	68
Addressing the Challenges of a Customer Knowledge Network	69
Overcoming Companies' Internal Challenges.....	69
Delivering Facilitating Conditions	70
Initializing the Customer Knowledge Network.....	71
Further Development of the Customer Network	72
Supporting the Performance of the HP Customer Network	73
Lessons Learned	73
General Recommendations	74
 4 Supporting Growth through Innovation Networks in Unilever	77
<i>M. Rumyantseva, E. Enkel, A. Pos</i>	
Abstract.....	77
The Launch of the Innovation Network.....	78
Conceptual Background	78
Company Background	80
The Need for an Innovation Network.....	82
Approach Taken by the Research Project.....	84
The Development of the Innovation Network	87
Alignment with the Company's Vision and Corporate Strategy	88
Top Management Commitment.....	88
Selection and Motivation of the Network Members.....	89
Supportive Environmental Factors for Knowledge Processes.....	89
Distinct Success Factors and Barriers	90
Tasks of the Innovation Network	90
Integration of Performance Measurement	91
Organizational Tools	91
The Dynamics of Innovation Network Development.....	92

The Corporate Advantage of a Web of Innovation Networks – Taking a Future Perspective	93
Lessons Learned	93
General Recommendations.....	95
5 A Methodology for Adapting Knowledge Networks – Managerial Guidelines	99
<i>E. Enkel, G. Gurgul, M. Rumyantseva</i>	
Introduction	99
Vision and Strategy	102
Vision	102
Creating a Knowledge Vision.....	104
Identify Your Knowledge Strategy.....	106
Develop a Roadmap.....	108
Select a Process or Task that You Want to Support and Understand...	108
Perform a Stakeholder Analysis	110
Understand the Different Types of Knowledge Needed.....	113
Decide on the Network Option	115
Select the Appropriate Network Reference Model.....	118
Identify Deliverables and Choose the Appropriate Knowledge Network	120
Set Up the Selected Network Type.....	123
Identify Your Specific Goals, Tasks and Activities	123
Composition of the Knowledge Board	126
Justification Process and Communication Plan.....	128
Facilitate Top Management Commitment and Find Sponsors	130
Facilitate the Relationships within the Network.....	134
Determine the Roles and Responsibilities	136
Organize the People and the Meetings	139
Organize the Specific Processes	144
Facilitate Relationships with the Outside World.....	156
Establish Internal Measurement	160
Choose and Organize Appropriate Rewards or Incentives.....	160
Methodology at a Glance: The Project Plan	162
6 Integrated Performance Measurement System for Knowledge Networks for Growth.....	165
<i>E. Enkel, M. Rumyantseva, G. Gurgul</i>	
Introduction	165
Discussing selected Performance Measurement Approaches.....	166
Indirect Measurement Methods	167
Direct Measurement Methods	167
Balanced Scorecard (BSC)	170
Discussion of Approaches	172

XII Table of Content

The Integrated Performance Measurement System for Knowledge Networks for Growth.....	172
Introduction	172
External Performance Measurement	173
Internal Performance Measurement.....	183
Conclusion	188
7 Supporting the Adaptation – Templates.....	191
Interview Guidelines.....	191
Objective of the Interview Guidelines – General Recommendations .	191
The Interview Process	192
Structure of the Interview Guidelines.....	192
Example of the Interview Guidelines	193
The Business Plan.....	194
Objective of the Business Plan	194
Preparation of the Business Plan	194
Structure of the Business Plan	195
Presentations to Convince Management.....	195
Objective of the Presentation to Management.....	195
Preparation of the Presentation to Management.....	196
Structure of the Presentation to Management.....	196
Example of the Presentation to Management	197
Kick-Off Workshop	200
Objective of the Kick-Off Workshop	200
Preparation of the Kick-Off Workshop	200
Structure of the Kick-Off Workshop	200
Outline of Communication	206
Objective of the Communication Outline.....	206
Structure of the Communication Outline.....	206
Internal Performance Measurement System.....	208
Objective of the Internal Performance Measurement System	208
Structure of the Internal Performance Measurement System	208
Project Plan.....	210
Objective of the Project Plan	210
8 References.....	211
9 List of Figures	219
10 List of Tables	221
11 Index.....	223
12 Authors.....	225
