Introduction	1
--------------	---

## Part I The Young Naturalist in Germany

1	Childhood and Youth	8
	The Family .....	8
	Birdwatching .....	15
	The Duck with a Red Bill .....	22
	University Student in Greifswald and Berlin .....	23
	Friendships at School and University .....	33
2	The Budding Scientist	35
	PhD Thesis and Examination .....	35
	The Influence of Teachers .....	37
	Erwin Stresemann—Teacher and Friend .....	39
	Assistant Curator at the Museum of Natural History in Berlin .....	42
	Expeditions to New Guinea and the Solomon Islands.....	48

## Part II Ornithologist and Evolutionist in New York

3	The New York Years (1931–1953)	95
	Emigration to the United States and Life in New York City.....	95
	Curator of Ornithology at the American Museum of Natural History .....	113
4	Ornithologist and Zoogeographer	140
	Birds of Oceania.....	140
	Birds of Australia, the Malay Archipelago and Southeastern Asia.....	157
	Descriptions of New Species and Subspecies of Birds .....	161
	Zoogeography .....	163
5	Biological Species and Speciation—Mayr’s First Synthesis	183
	A Modern Unified Theory of Evolution.....	183
	Community Architect .....	232
6	Life in North America during World War II	242
	New York and Tenafly, New Jersey .....	242

Cold Spring Harbor (1943–1952) .....	243
Citizenship .....	250

### **Part III Professor of Zoology at Harvard University**

<b>7 The Harvard Years (1953–2005)</b> .....	<b>255</b>
Teaching and PhD Students .....	259
Director of the Museum of Comparative Zoology.....	263
<b>8 Evolutionary Biology—Mayr’s Second Synthesis</b> .....	<b>266</b>
Overviews of Evolutionary Biology .....	266
Integrated Gene Complexes versus Beanbag Genetics .....	273
<i>Animal Species and Evolution</i> .....	275
Behavior and Evolution .....	277
Particular Topics of Evolutionary Biology .....	278
<b>9 Ernst Mayr—the Man</b> .....	<b>283</b>
Personality and General Views .....	283
Health .....	301
The Farm near Wilton, New Hampshire .....	306
Residence in Cambridge, Massachusetts .....	310
Adviser to the National Academy of Sciences and the NSF .....	311
National and International Recognition .....	313
<b>10 Systematics and Classification</b> .....	<b>320</b>
Diversity .....	320
Classification .....	321
Zoological Nomenclature .....	332
<b>11 History and Philosophy of Biology—Mayr’s Third Synthesis</b> .....	<b>338</b>
History of Biology .....	340
Philosophy of Biology .....	360
<b>12 Summary: Appreciation of Ernst Mayr’s Science</b> .....	<b>375</b>
<b>Acknowledgments</b> .....	<b>382</b>
<b>List of Abbreviations</b> .....	<b>384</b>
<b>References</b> .....	<b>385</b>

### **Part IV Appendices**

<b>1 Curriculum Vitae (Including Honorary Degrees, Honorary Memberships, Medals, and other Special Awards)</b> .....	<b>401</b>
--	------------

Contents	IX
<b>2 Bibliography of Ernst Mayr</b>	<b>406</b>
List of Books by Ernst Mayr .....	453
Coauthorship.....	455
<b>3 Subject Analysis of Ernst Mayr's Publications</b>	<b>456</b>
<b>Index</b>	<b>459</b>
