

# Contents

<b>1 Introduction.....</b>	<b>1</b>
1.1 Motivation .....	1
1.2 Goal .....	4
1.3 Structure.....	5
<b>2 Basic concepts.....</b>	<b>9</b>
2.1 Logistics.....	9
2.1.1 The nature of logistics .....	9
2.1.2 Status quo of logistics development .....	16
2.1.3 Performance effects of the different levels of logistics development.....	17
2.2 Logistics outsourcing.....	19
2.2.1 Origin and definition .....	19
2.2.2 Benefits and risks of logistics outsourcing .....	21
2.2.3 Markets for and providers of logistics outsourcing .....	24
2.2.4 Status quo of logistics outsourcing research.....	29
2.3 Logistics outsourcing relationships .....	33
2.3.1 The terminology of partnerships.....	34
2.3.2 Partnership development .....	36
2.3.3 Designing logistics outsourcing relationships .....	41
2.4 Research model.....	48
2.4.1 Identification of research needs .....	48
2.4.2 Identification of research questions .....	51
2.4.3 Procedure to answer the research questions .....	52
<b>3 Theoretical framework.....</b>	<b>55</b>
3.1 Theories suited to explain cooperation in logistics relationships ...	55
3.2 Introduction to selected theories .....	56
3.2.1 New institutional economics and transaction cost theory.....	56
3.2.2 Social exchange theory .....	62
3.2.3 Commitment – trust theory .....	69
3.2.4 Contingency approach .....	72
3.3 Theory integration .....	79

<b>4 Antecedents and effects of logistics outsourcing performance .....</b>	<b>83</b>
4.1 Performance of logistics outsourcing relationships .....	83
4.1.1 Background of logistics outsourcing performance .....	84
4.1.2 Conceptualization of logistics outsourcing performance.....	85
4.2 Identification of relevant antecedents .....	88
4.2.1 Conceptualization of variables .....	90
4.3 Formulation of a model of logistics outsourcing performance .....	102
4.3.1 Hypotheses on causal linkages between the variables.....	102
4.3.2 Overview of the hypotheses and consequent model .....	119
4.4 Effects of logistics outsourcing performance .....	121
4.4.1 Logistics performance .....	122
4.4.2 Firm performance .....	127
4.5 Moderating effects .....	134
4.5.1 Relevance of adequate contingency variables .....	135
4.5.2 Conceptualization of contingency variables .....	139
4.5.3 Overview of contingency variables .....	142
<b>5 Methodology and sample characteristics.....</b>	<b>145</b>
5.1 Survey design .....	145
5.1.1 Methods for data analysis .....	146
5.1.2 Method of data collection .....	147
5.1.3 Questionnaire design and pretest.....	149
5.1.4 Data collection.....	150
5.1.5 Data base, representativeness and potential biases .....	152
5.1.6 Characterization of the participating firms .....	153
5.2 Methodological basis for the empirical analysis.....	155
5.2.1 Basics of measurement models.....	156
5.2.2 Basics of structural models.....	158
5.2.3 Measurement assessment.....	160
5.2.4 Assessment of measurement and structural models .....	162
5.2.5 Basics for model design and modification .....	175
<b>6 Construct operationalization .....</b>	<b>181</b>
6.1 Antecedents of logistics outsourcing performance.....	181
6.1.1 Cooperation .....	181
6.1.2 Communication .....	183
6.1.3 Proactive improvement.....	186
6.1.4 Trust.....	187
6.1.5 Commitment .....	190
6.1.6 Functional conflict.....	192
6.1.7 Involvement.....	195
6.1.8 Opportunism .....	197

6.1.9 Shared values.....	199
6.1.10 Openness.....	201
6.2 Logistics outsourcing performance.....	204
6.2.1 Goal achievement.....	204
6.2.2 Goal exceedance.....	207
6.3 Logistics performance.....	210
6.3.1 Level of logistics services.....	210
6.3.2 Level of logistics costs.....	213
6.4 Firm performance.....	215
6.4.1 Adaptiveness.....	216
6.4.2 Market performance.....	217
6.4.3 Financial performance.....	219
6.5 Discriminant validity of the operationalized constructs.....	220
6.5.1 Antecedents and dimensions of logistics outsourcing performance.....	220
6.5.2 Logistics outsourcing performance and logistics performance.....	223
6.5.3 Logistics performance and firm performance.....	225
6.6 Contingency factors.....	226
6.6.1 External contingency variables.....	226
6.6.2 Internal contingency variables.....	231
<b>7 Structural models.....</b>	<b>237</b>
7.1 Antecedents and dimensions of logistics outsourcing performance.....	237
7.1.1 Presentation of the basic model.....	237
7.1.2 Development of a simplified model.....	239
7.1.3 Discussion of the final simplified model.....	241
7.2 Effects of logistics outsourcing performance.....	247
7.2.1 Logistics outsourcing performance and logistics performance.....	248
7.2.2 Logistics performance and firm performance.....	251
7.3 Contingency variables.....	257
7.3.1 Moderating effects on the model of logistics outsourcing performance.....	257
7.3.2 Moderating effects on the model of logistics performance.....	264
7.3.3 Moderating effects on the model of firm performance.....	266

**8 Summary and results.....273**

    8.1 Main results .....273

    8.2 Managerial implications .....279

    8.3 Recommendations for further research.....281

**Appendix: Questionnaire .....283**

**List of figures.....299**

**List of tables .....301**

**References.....307**

Logistics Outsourcing Relationships  
Measurement, Antecedents, and Effects of Logistics  
Outsourcing Performance

Deepen, J.M.

2007, XIV, 350 p. 26 illus., Softcover

ISBN: 978-3-7908-1916-8
