

Contents

Part 1 Avian Flu

1 Influenza: Biology, Infection, and Control	3
Bryan Roberts	
2 The Past and Present Threat of Avian Influenza in Thailand	31
Prasert Auewarakul	
3 Transmission of Avian Influenza Viruses to Humans: Viral Receptor Specificity and Distribution in Human Airways	45
Yoshihiro Kawaoka and Kyoko Shinya	

Part 2 SARS

4 Investigation of Animal Reservoir(s) of SARS-CoV	57
Zhihong Hu and Zhengli Shi	
5 SARS Epidemic: SARS Outbreaks in Inner-land of China.....	75
Li Ruan and Guang Zeng	
6 The 2003 SARS Outbreak In Singapore: Epidemiological and Clinical Features, Containment Measures, and Lessons Learned	97
Annelies Wilder-Smith and Kee Tai Goh	
7 The 2003 SARS Outbreaks in Taiwan	117
Yi-Ming Arthur Chen	

Part 3 HIV/AIDS

- 8 HIV/AIDS: Lessons from a New Disease Pandemic** 133
M. Essex and Yichen Lu
- 9 AIDS in China** 143
Gui Xien and Zhuang Ke

Part 4 Other Infections

- 10 Enterotoxigenic *Escherichia coli*'s Endemicity in Developing Countries and Its Emergence During Diarrheal Epidemics and Natural Disasters** 163
Tanvir Ahmed and Firdausi Qadri
- 11 Human Cases of Hemorrhagic Fever in Saudi Arabia Due To a Newly Discovered Flavivirus, Alkhurma Hemorrhagic Fever Virus** 179
Remi N. Charrel, Xavier de Lamballerie, and Ali Mohamed Zaki
- 12 Disease Outbreaks Caused by Emerging Paramyxoviruses of Bat Origin** 193
Lin-Fa Wang, John S. Mackenzie, and Bryan T. Eaton
- 13 Multidrug Resistant TB, TB Control, and Millennium Development Goals in Asia** 209
Srikanth Prasad Tripathy and Sriram Prasad Tripathy
- 14 Emergence of *Staphylococcus aureus* with Reduced Susceptibility to Vancomycin in Asia** 233
Jae-Hoon Song
- Subject Index** 243

Emerging Infections in Asia

Lu, Y.; Essex, M.; Roberts, B. (Eds.)

2008, XVIII, 250 p. 43 illus., 1 illus. in color., Hardcover
