Preface I by Michael M. Miller	VII
Preface II by Kathleen Grant	IX
Contributors	XI
 I. The Twelve-Step Program, 1 <i>Thomasina Borkman Section Editor</i>	
 <i>Chapter 1</i>	
Introduction: The Twelve-Step Program Model of AA	3
<i>Thomasina Borkman</i>	
 <i>Chapter 2</i>	
The Twelve-Step Recovery Model of AA: A Voluntary Mutual Help Association	9
<i>Thomasina Borkman</i>	
1. Essentials of Self-Help/Mutual Aid	10
2. Methodologies and Frameworks of Social Science	11
3. Recovery	13
3.1. Basic Beliefs About Alcoholism	14
3.2. Becoming Abstinent	14
3.3. Identity Changes: From Drinking Nonalcoholic to Recovering Alcoholic	15
3.4. Practicing the Program	18
3.5. Long-Term Recovery	22
4. Service	23
5. Unity	25
5.1. Groups and Their Meetings	26
5.2. Fellowship	28
5.3. Principles of Organization: Traditions and Concepts	29
6. Conclusion	30

*Chapter 3***Twelve Defining Moments in the History of Alcoholics Anonymous . . . 37***William L. White and Ernest Kurtz*

1. Introduction	37
2. Jung's Refusal	39
3. A "Hot Flash" and Failed Evangelism	41
4. Panic at the Mayflower Hotel	42
5. Professionalism: AA's First Temptation	43
6. Who Can Be an AA Member?	44
7. A Rich Man's Warning About Money	45
8. The Split from the Oxford Group	45
9. "Here Are the Steps We Took . . ."	46
10. Growing Pains	48
11. AA and the Business of Alcoholism Treatment	48
12. The NCEA Affair	51
13. "Bill's Damned Traditions"	52
14. Alcoholics Anonymous and Alcoholism Treatment: Separate and Distinct	53

*Chapter 4***The Impact of AA on Professional Treatment 59***Valerie J. Slaymaker and Timothy Sheehan*

1. The Integration of AA into Professional Treatment	59
2. How the Twelve Steps Are Applied in Treatment	61
3. Effectiveness of Twelve-Step-Based Professional Care	63
4. AA's Role Following Treatment	66
5. Summary	67

*Chapter 5***The Impact of Alcoholics Anonymous on Other Substance Abuse-
Related Twelve-Step Programs 71***Alexandre B. Laudet*

1. Introduction	71
2. Twelve-Step Fellowships Focusing on Recovery from Drug Dependence	72
2.1. Narcotics Anonymous (NA)	73
2.2. Other Drug-Related Twelve-Step Recovery Fellowships . .	74

2.3. Twelve-Step Addiction Recovery Fellowships for Special Populations	75
3. Similarities and Differences Between AA and Drug-Recovery Fellowships	78
3.1. Meeting Format	78
3.2. Recovery Program	79
3.3. Membership and Organizational Structure	79
3.4. Characteristic of Membership in Twelve-Step Recovery Fellowships for Alcohol and Drug Dependence	80
4. Utilization of and Experiences with Drug Recovery Twelve-Step Fellowships Among Drug-Dependent Populations .	82
5. Conclusions and Future Directions	85

Chapter 6

The Impact of AA on Non-Professional Substance

Abuse Recovery Programs and Sober Living Houses 91

Douglas L. Polcin and Thomasina Borkman

1. Introduction	92
2. Social Model Recovery	93
2.1. Paucity of Published Literature	95
3. Types of Social Model Recovery Programs	95
3.1. Neighborhood Recovery Centers	95
3.2. Residential Social Model Recovery Programs	96
4. Sober Living Houses	98
4.1. History of California Sober Living Houses	99
4.2. Contemporary California Sober Living Houses	100
4.3. Oxford Houses	102
4.4. Outcome Studies on Sober Living Houses	103
5. Conclusion	106

II. Spiritually Oriented Recovery, 109

Sarah E. Zemore Section Editor

Chapter 7

An Overview of Spirituality in AA (and Recovery) 111

Sarah E. Zemore

1. Spirituality and AA	111
2. The Chapters, in Brief	112
3. Common Themes	115
4. Applications: Cautions	118

*Chapter 8***The Concept of Spirituality in Relation to Addiction Recovery and General Psychiatry** 125*Marc Galanter*

1. The Concept of Spirituality 126
2. Some Physiologic Issues 127
3. Sociobiology 128
4. The Culture of Psychiatry and Psychology 129
 - 4.1. The Placebo Response 130
 - 4.2. Current Practice 131
5. Problems with Spirituality 132
6. Treatment Issues 133
 - 6.1. Personal Meaning in Therapy 133
 - 6.2. Meditation 134
7. Alcoholics Anonymous 134
 - 7.1. AA in the Professional Context 135

*Chapter 9***Kickbacks from Helping Others: Health and Recovery** 141*Sarah E. Zemore and Maria E. Pagano*

1. Introduction 142
2. AA's Approach to Helping 143
3. Research on Helping in the General Population 145
4. Research on Helping and Recovery 148
 - 4.1. Helping in Group Therapy and Mutual Help Groups 148
 - 4.2. Helping and Recovery from Substance Abuse and Dependency 151
5. Helping Can Hurt (and Other Important Cautions) 155
6. Implications 162

*Chapter 10***Issues in Measuring Spirituality and Religiousness in Alcohol Research** 167*Thomas Johnson and Elizabeth A.R. Robinson*

1. Definitions of Spirituality and Religiousness 167
 - 1.1. Some Definitions of Spirituality and Religion/Religiousness 168
 - 1.2. Distinguishing Between Spirituality and Religiousness... 169
 - 1.3. Dimensions of Spirituality and Religiousness..... 170
2. Other Measurement Issues 171

Contents	xix
2.1. Measuring Single vs. Multiple Dimensions	171
2.2. Reliance on Self-Report	172
2.3. Potential Confounding with Third Variables	173
2.4. Cultural Issues	173
3. Measures of Spirituality and Religiousness	173
3.1. Resources	173
3.2. Measures of Religiousness	174
3.3. Measures of Spiritual and Religious Experience	176
3.4. Measures of Spiritual and Religious Struggles	178
3.5. Measures of Meaning	179
4. Conclusions	181

Chapter 11

Spirituality and Health: Empirically Based Reflections on Recovery . . .	187
<i>Michelle J. Pearce, Clark M. Rivinoja†, and Harold G. Koenig</i>	

1. Introduction	188
2. Empirical Review of Spirituality and Mental Health Literature . .	190
2.1. Depression	190
2.2. Anxiety	191
2.3. Suicide	192
2.4. Guilt	192
2.5. Positive Emotions	193
2.6. Religious Coping	194
2.7. Summary of Empirical Research	195
3. Explanatory Mechanisms: Spirituality, Health, and Recovery in AA	195
3.1. Social Support	195
3.2. Community in Alcoholics Anonymous	196
3.3. Framework for Meaning-Making and Purpose	198
3.4. Narrative Framework for Meaning-Making in AA	199
3.5. Psychological Coping Resource and Active Surrender . . .	200
3.6. Control and Surrender in AA	201
3.7. Prescribed Lifestyle Behaviors: Altruism and Forgiveness	202
3.8. Prescribed Altruistic Behavior in AA	203
4. Summary and Conclusions	204

Chapter 12

Spiritual Change in Recovery	209
<i>Gerard J. Connors, Kimberly S. Walitzer, and J. Scott Tonigan</i>	

1. Introduction	209
2. Defining Spirituality	210

3. Alcoholism as a Spiritual Disease	211
4. Spirituality and AA	211
4.1. Distinguishing the Program and the Fellowship	211
4.2. Spiritual Beliefs in AA	212
4.3. The Practice of Spirituality in AA	215
4.4. Subjective Experiences of Spirituality in AA	217
4.5. Spiritual Awakening	219
5. Changes in Spirituality over the Course of Recovery	220
5.1. AA Activities in Relation to Spirituality and Outcome ...	221
5.2. Changes in Spirituality in Recovery	222
6. Conclusions	224

Chapter 13

Mindfulness and Addiction	229
--	------------

Sharon H. Hsu, Joel Grow, and Alan Marlatt, G.

1. Introduction	229
2. Mindfulness and Addiction: History and Definitions	230
2.1. Definitions of Mindfulness	230
2.2. Mindfulness and Addiction	230
3. Mechanisms of Action	231
3.1. Examining Mindfulness Utilizing Three Different Models	231
3.2. From a Neurological Perspective	232
3.3. Active Ingredients in Mindfulness Meditation	233
4. Clinical Applications	235
4.1. Applications in Three Different Settings	235
4.2. Applications in Addiction Research	235
5. Mindfulness Meditation and Substance Use in an Incarcerated Population	236
6. Mindfulness-Based Relapse Prevention Study	236
7. Mindfulness Meditation and Twelve Steps	238
7.1. "Pure" Buddhist Meditation and Twelve Steps	238
7.2. Secular Mindfulness and Alcoholics Anonymous	240
8. Future Direction	244
9. A Case Study	245

III. Twelve-Step Membership, 251

Lee Kaskutas Section Editor

Chapter 14

Introduction	253
---------------------------	------------

Lee Ann Kaskutas

Chapter 15

Epidemiology of Alcoholics Anonymous Participation 261

*Lee Ann Kaskutas, Yu Ye, Thomas K. Greenfield,
Jane Witbrodt, and Jason Bond*

1. Introduction	261
2. Methods	264
2.1. AA Membership Surveys	264
2.2. National Alcohol Surveys (NAS)	264
2.3. NIAAA's National Epidemiological Survey on Alcoholism and Related Conditions (NESARC)	266
2.4. Epidemiological Laboratory (EpiLab) Longitudinal Treatment Surveys	267
3. Results	268
3.1. Trends in AA Membership Based on the AA Membership Surveys (Table 1)	268
3.2. Trends in AA Membership Based on National Alcohol Surveys (Table 2)	269
3.3. AA Engagement and Disengagement Profiles Based on NESARC (Table 3)	270
3.4. Patterns of AA Exposure over Time Based on the EpiLab Longitudinal Treatment Surveys	271
4. Discussion	274
4.1. Demographics of AA Exposure	275
4.2. Specialty Treatment and AA	276
4.3. Abstinence and AA	278
5. Summary	280

Chapter 16

**Concerns About Dose and Underutilization of Twelve-Step Programs:
Models, Scales, and Theory that Inform Treatment Planning 283**

Richard N. Cloud and J. B. Kingree

1. Introduction	284
2. Literature Review	285
3. Scales Predicting TS Program Underutilization	288
3.1. Survey of Readiness for AA Participation (SYRAAP)	289
3.2. TS Ambivalence Scale (TSAS)	289
3.3. The TS Participation Expectancies Questionnaire (TSPEQ)	290
3.4. Negative Aspects of TS Group Scale (NATSGS)	291
3.5. Content Analysis of Subscale Domains	292

4. Theories Used to Explain Dose	292
4.1. Health Seeking Explained Using the Health Belief Model.	292
4.2. Motivation and Self-Determination Theory	293
4.3. Person-in-Organizational Culture Fit Theory	294
4.4. An Integrated Theory of Attendance	295
5. Discussion	296

Chapter 17

Facilitating Involvement in Twelve-Step Programs	303
<i>Dennis M. Donovan and Anthony S. Floyd</i>	

1. Role of Twelve-Step Self-Help Groups in Substance Abuse Treatment and Recovery	304
2. Effectiveness/Efficacy of Twelve-Step Self-Help Groups	304
3. Twelve-Step Meeting Attendance vs. Engagement in Twelve-Step Activities	305
4. Low Rates of Twelve-Step Attendance and Involvement Following Treatment as Usual	306
5. Methods of Facilitating Twelve-Step Involvement	307
5.1. General Facilitation Through Program Orientation	307
5.2. Specific Facilitation Through Targeted Interventions	308
6. Summary and Conclusions	315

Chapter 18

Twelve-Step Facilitation in Non-specialty Settings	321
<i>John F. Kelly and Barbara S. McCrady</i>	

1. Introduction	322
2. Alcoholics Anonymous	324
2.1. Brief AA History and Origins	324
2.2. How Are Patients Likely to Benefit from AA Participation?	326
2.3. The Twelve Steps	327
2.4. The Twelve Traditions	331
2.5. AA Meetings	332
2.6. Sponsorship and Fellowship	334
2.7. Concept of Higher Power	335
2.8. Slogans	336
2.9. Service	337
2.10. Literature	337
3. Twelve-Step Facilitation (TSF)	338
3.1. TSF Clinical Strategies	339
3.2. Possible Patient and Clinician Barriers to TSF	341
4. Summary and Conclusions	342

IV. Effectiveness and Outcome Research, 347

J. Scott Tonigan Section Editor

Chapter 19

Introduction 349

J. Scott Tonigan

1. AA Outcomes Overview 349

Chapter 20

Alcoholics Anonymous Outcomes and Benefits 357

J. Scott Tonigan

1. Introduction 357

2. Three Eras of AA-Related Outcome Studies 359

3. Empirical-Based Review of AA Effectiveness 361

3.1. Early AA Studies 361

3.2. Maturing AA Studies 1989–2001 363

3.3. Secondary Measures of AA Outcome 366

4. Conclusions 369

Chapter 21

Outcomes of AA for Special Populations 373

Christine Timko

1. What Are Special Populations? 373

2. Why Should We Study AA Outcomes in Special Populations? ... 374

3. Outcomes of AA for Women 375

4. Outcomes of AA for Youth 376

5. Outcomes of AA for Older People 378

6. AA Outcomes for Racial and Ethnic Groups 379

6.1. African-Americans 379

6.2. American Indians 380

6.3. Hispanics 381

7. AA Outcomes for Disabled Groups 382

7.1. Cognitive Impairment 382

8. AA Outcomes for Individuals with Dual Substance Use and Psychiatric Disorders 383

9. Summary and Directions for Future Research 387

Chapter 22

How and Why Twelve-Step Self-Help Groups Are Effective 393*Rudolf H. Moos*

1. Participation in Self-Help Groups and Substance Use Outcomes . 394
 - 1.1. Attendance and Substance Use Outcomes 394
 - 1.2. Involvement and Substance Use Outcomes 395
2. Theory-Based Explanations of Self-Help Group Outcomes 396
 - 2.1. Social Control Theory 396
 - 2.2. Social Learning Theory 397
 - 2.3. Behavioral Economics or Behavioral Choice Theory 397
 - 2.4. Stress and Coping Theory 397
3. Probable Active Ingredients of Self-Help Groups 398
 - 3.1. Support, Goal Direction, and Structure 399
 - 3.2. Abstinence-Oriented Norms and Role Models 400
 - 3.3. Engagement in Rewarding Activities 401
 - 3.4. Building Self-Efficacy and Coping Skills 402
4. Probable Active Ingredients of Effective Psychosocial Treatments 403
 - 4.1. Support, Goal Direction, and Structure 404
 - 4.2. Abstinence-Oriented Norms and Role Models 405
 - 4.3. Engagement in Rewarding Activities 405
 - 4.4. Building Self-Efficacy and Coping Skills 405
5. Conclusions and Future Directions 406
 - 5.1. Personal Factors that Moderate Active Ingredients 406
 - 5.2. Active Ingredients of SHGs and Treatment 407
 - 5.3. Potential Detrimental Effects of Active Ingredients 407
 - 5.4. Active Ingredients and Other Aspects of the Recovery
Milieu 408

Chapter 23

**Individual and Contextual Factors That Influence AA Affiliation
and Outcomes 413***Michael P. Bogenschutz*

1. Introduction 413
 - 1.1. Scope of the Chapter 413
 - 1.2. Methodological Issues 413
2. Factors Affecting AA Affiliation and Outcomes Related
to AA Affiliation 415
 - 2.1. Religiosity and Spirituality 415
 - 2.2. Age 416
 - 2.3. Gender 417

Contents	xxv
2.4. Sexual Orientation	417
2.5. History, Type, and Setting of Treatment	418
2.6. Legal Status	419
2.7. Ethnicity	419
2.8. Severity	421
2.9. Cognitive Impairment	422
2.10. Comorbidity (Psychiatric and Substance Use)	422
2.11. Personality	424
2.12. Social Support	425
2.13. Socioeconomic Status	425
2.14. Motivation	426
2.15. Pattern of Affiliation	426
3. Unanswered Questions	427
Index	435

Research on Alcoholics Anonymous and Spirituality in
Addiction Recovery

The Twelve-Step Program Model Spiritually Oriented
Recovery Twelve-Step Membership Effectiveness and
Outcome Research

Galanter, M.; Kaskutas, L.A. (Eds.)

2008, XXV, 449 p., Hardcover

ISBN: 978-0-387-77724-5
