---

E. The HNS Convention .....	27
F. Dangerous goods regulations for other modes of transport .....	28
I. IATA Dangerous Goods Regulations.....	28
II. European Agreement concerning the International Carriage of Dangerous Goods by Road.....	29
III. Regulations concerning International Carriage of Dangerous Goods by Rail .....	30
IV. European Agreement concerning the International Carriage of Dangerous Goods by Inland Waterways .....	31
V. Convention on Civil Liability for Damage Caused during Carriage of Dangerous Goods by Road, Rail and Inland Navigation Vessels .....	31
G. Regional and national regulations concerning dangerous goods .....	32
I. European Union.....	32
II. Germany .....	35
III. United Kingdom .....	35
IV. United States of America.....	36
 <b>Part 2: Meaning of dangerous goods.....</b>	<b>39</b>
A. In general .....	39
B. Type of good.....	40
I. Charterparties.....	40
II. Bills of lading .....	41
C. Restrictions on the goods.....	42
I. Lawful merchandise or goods .....	42
II. Lawful dangerous goods.....	42
III. Dangerous good clauses .....	43
1. Charterparty forms.....	43
2. Bill of lading forms.....	44
D. Relevance of the IMDG Code in carriage contracts.....	45
I. Common law.....	45
II. German law.....	46
III. Standard of reasonableness.....	46
IV. Incorporation of the IMDG Code into contracts .....	47
E. Meaning of dangerous goods.....	48
I. Terminology: dangerous, hazardous, noxious or harmful.....	48
II. What is meant by “dangerous goods”?.....	48
1. In the contracts.....	49
2. In the safety, marine pollution and third-party liability conventions .....	50
3. In the carriage conventions .....	51
4. In the statutes .....	52

5. In the relevant codes .....	52
a) The IMDG Code.....	52
aa) Dangerous goods specifically listed in the IMDG Code.....	53
bb) Dangerous goods not specifically listed in the IMDG Code .....	53
cc) Mixtures or solutions.....	53
dd) Classes and divisions of dangerous goods in the IMDG Code .....	54
(1) Class 1: Explosives.....	54
(2) Class 2 – Gases.....	55
(3) Class 3 – Flammable liquids .....	55
(4) Class 4 – Flammable solids or substances .....	55
(5) Class 5 – Oxidizing substances .....	56
(6) Class 6 – Toxic and infections substances .....	57
(7) Class 7 – Radioactive materials.....	58
(8) Class 8 – Corrosives .....	58
(9) Class 9-Miscellaneous .....	59
(10) Marine pollutants.....	59
b) Dangerous goods in other codes .....	59
aa) The IBC Code.....	59
bb) The IGC Code .....	59
cc) The BC Code .....	59
6. Meaning of dangerous in rules of law .....	60
a) English law .....	61
aa) Physically dangerous.....	62
bb) Intrinsic danger not necessary .....	63
cc) Relevance of the carrier’s knowledge to the meaning of dangerous goods .....	63
dd) Dangerous as particular characteristics undisclosed .....	64
ee) Dangerous as cargo has different characteristics than usual.....	64
ff) Innocuous goods causing damage may be dangerous.....	65
gg) Legally dangerous goods.....	66
hh) What is meant by “goods of inflammable, explosive or dangerous nature” in Art. IV.6 of the Hague/Hague-Visby Rules .....	68
(1) Dangerous not restricted to preceding words .....	68
(a) Eiusdem generis rule .....	69
(b) Eiusdem generis rule and Art. IV. 6 of Hague/Hague-Visby Rules .....	71
(2) Dangerous goods and inherent vice .....	72
(a) Inherent vice or defect defence.....	72
(b) The overlap of dangerous goods obligation and inherent vice defence .....	73

(c) Distinction between dangerous goods and inherent vice or defect .....	73
ii) Basis of liability for delay .....	74
b) Meaning of dangerous in American law .....	76
aa) Dangerous because different from contractual description .....	76
bb) Goods which become dangerous under special circumstances .....	77
cc) Goods may be dangerous even if not listed in the regulations .....	78
c) Meaning of dangerous in German law .....	79
aa) Definition of dangerous goods in GGBefG .....	79
bb) General or concrete dangerous nature of the goods .....	80
cc) Goods listed in the regulations on the transport of dangerous goods .....	81
d) Meaning of “dangerous” in the CMI/UNCITRAL draft instrument on the carriage of goods .....	82
aa) No distinction between dangerous and non- dangerous goods .....	82
bb) Drafting specific provision dealing with dangerous goods .....	82
F. What should be considered dangerous? .....	84
I. Nature of the goods .....	84
II. Public regulations private liability .....	84
III. Goods listed in the IMDG Code and other codes .....	85
IV. Dangerous goods in bulk .....	85
V. Is the effect on stability a danger? .....	86
VI. Exceptionally dangerous goods .....	86
VII. Standard of liability, significance of risk and potential damage .....	87
<b>Part 3: Duties of the parties in relation to dangerous goods .....</b>	<b>89</b>
A. In general .....	89
B. Duties of the shipper .....	90
I. Classification of dangerous goods .....	91
II. Packing of dangerous goods .....	91
1. Purpose of packing .....	91
2. Packing obligation .....	92
3. Sufficiency of packing .....	93
III. Stowage and segregation of dangerous goods .....	94
IV. Marking of dangerous goods .....	96
V. Marking, labelling and placarding in accordance with IMDG Code .....	97
VI. Notice of dangerous goods .....	98
1. In general .....	98

2. Hague/Hague-Visby Rules .....	99
3. Nature of the notice.....	100
4. “Nature and character” of the goods.....	101
5. Sufficient notice .....	101
6. To whom is the notice to be given? .....	103
7. Effect of carrier’s, agents’ or master’s knowledge .....	104
a) Notice not required where carrier, agent or master has actual or constructive knowledge.....	104
b) Actual knowledge required in German law .....	105
8. Consent to the shipment of dangerous goods .....	106
9. Master’s authority to consent.....	107
10. Notice by freight forwarder .....	108
a) Role of freight forwarder .....	108
b) Duties of freight forwarder with regard to dangerous goods .....	109
c) Notice of dangerous goods by forwarder .....	109
aa) English law .....	109
bb) American law .....	110
cc) German law .....	110
VII. Documentation of dangerous goods .....	111
1. Dangerous goods transport document and declaration.....	111
2. Container/Vehicle packing certificate .....	112
VIII. Is compliance with dangerous goods regulations sufficient? .....	112
IX. The 24-Hour Advance Manifest Rule or the 24-Hour Rule and its implication for the shipper’s duties .....	114
1. U.S. cargo security initiatives .....	115
a) Customs Trade Partnership against Terrorism.....	115
b) Container Security Initiative .....	116
c) The 24-Hour Rule.....	117
d) Shipments affected by the 24-Hour Rule .....	117
e) Required information .....	118
f) The 24-Hour Rule in carriage contracts .....	119
2. European Union developments and the 24-Hour Rule .....	119
C. Duties of the carrier .....	120
I. Seaworthiness of the ship .....	121
II. Care of goods .....	123
III. Stowage and segregation by the carrier .....	123
IV. Obtaining information on the goods .....	124
V. Documentation, marking and labelling packaging .....	125
VI. Dangerous goods manifest.....	125
VII. The International Safety Management (ISM) Code and dangerous goods .....	126
1. The ISM Code.....	126
2. Implications of the ISM Code for the carriage of dangerous goods .....	126

D. Is the carrier obliged to carry dangerous goods?.....	127
I. Common law.....	128
1. Goods expressly prohibited .....	128
2. Goods not conforming to contractual description .....	129
II. German law.....	130
III. Refusal of dangerous goods not accompanied by the declaration.....	131
IV. Dangerous goods declaration including indemnity clause .....	131
E. Duties under the CMI/UNCITRAL draft instrument .....	132
I. Duties of the shipper.....	132
1. Delivery for carriage .....	132
2. Obligation to provide information, instructions and documents .....	133
3. Special rules on dangerous goods.....	134
II. Duties of the carrier .....	134
1. Seaworthiness of the ship .....	134
2. Care of goods .....	135
3. Obligation to provide information and instructions .....	135
<b>Part 4: Rights and liabilities of the parties.....</b>	<b>137</b>
A. In general .....	137
B. Shipper's liability for dangerous goods.....	138
I. English law .....	138
1. Early principles .....	138
2. Brass v. Maitland .....	139
3. Reaction to Brass v. Maitland.....	140
4. Implied absolute warranty not to ship dangerous goods without notice .....	141
5. Liability under the Hague/Hague-Visby Rules .....	142
a) General rule: negligence .....	142
b) Strict liability of shipper for carrying dangerous goods without knowledge of carrier .....	142
II. American law.....	144
1. Early principles: strict liability .....	144
2. Reactions: unclarity, no cargo warranty? .....	145
3. Enactment of COGSA: no strict liability.....	146
4. Senator v. Sunway: strict liability of shipper for the shipment of dangerous goods .....	147
a) Facts of the case .....	147
b) Plaintiff's argument.....	149
c) The defendant's argument.....	149
d) Standard of review .....	149
e) Plain meaning and the COGSA case law.....	149
f) Legislative purpose and history of COGSA and the Hague Rules .....	151

g) Whether COGSA § 1304(6) codified general maritime law concerning shipper liability in the dangerous goods context .....	153
h) Conclusion.....	154
III. Express language of HGB § 564b in German law: strict liability of shipper/actual shipper if dangerous nature of goods unknown to the carrier .....	155
C. Is strict liability proper?.....	155
I. Strict liability in general .....	155
II. Ultra-hazardous activity: dangers of cargo unknown to the carrier .....	157
III. How does strict liability address safety? .....	158
D. No strict liability where the carrier has knowledge.....	159
I. English law .....	160
II. American law .....	161
III. German law .....	162
E. Liability where both parties have knowledge.....	163
F. The necessity to distinguish between dangerous goods and non-dangerous goods which cause damage .....	164
I. Separation in German law: fault liability for incorrect information on properties and contraband goods .....	166
II. The Hague/Hague-Visby Rules Art. IV.3 .....	167
G. Liability of transferees of bills of lading .....	167
I. In general .....	167
II. Transfer of contractual rights.....	168
1. Common law .....	168
2. Civil law .....	169
3. Liabilities of the transferee .....	170
a) English law .....	170
aa) The British Bills of Lading Act 1855.....	170
bb) The new British Carriage of Goods by Sea Act (COGSA) 1992.....	171
(1) The view of the Law Commission .....	171
(2) Transfer of liabilities under the COGSA 1992.....	172
(3) Liability of the original shipper.....	174
b) American law .....	175
c) German law .....	176
H. Dangerous goods and charterparties.....	176
I. Applicability of the implied obligation not to ship dangerous goods without notice to charterparties in common law .....	176
II. Identity of the shipper: charterer or physical shipper.....	178
III. German law: shipper or actual shipper.....	180
1. Shipper and actual shipper distinguished.....	180
2. Liability of actual shipper .....	180

I. Extent of shipper's liability .....	181
I. English law .....	181
1. Liability for all damages and expenses "directly or indirectly" arising .....	181
2. Causation or remoteness of damage? .....	182
II. German law.....	183
J. The carrier's rights.....	184
I. Immunity .....	184
II. The exercise of the right of landing, destroying or rendering the goods innocuous .....	185
1. Carrier has not consented to the shipment.....	186
2. Carrier has consented to the shipment.....	186
3. Unreasonable acts of carrier .....	186
III. Sacrifice of dangerous goods.....	186
1. In general .....	186
2. Effect of fault.....	187
3. General average resulting from inherent vice or fault of the good .....	187
4. General average contribution and dangerous goods.....	188
5. German law.....	189
K. Allocation of liability in concurrent causes.....	189
I. English law .....	190
1. Breach of Art. III.1: unseaworthiness contributing to damage.....	190
2. Extent of contribution of unseaworthiness .....	191
3. Breach of Art. III.2: failure to properly load, handle and care for goods.....	192
4. The Law Reform (Contributory Negligence Act) 1945 .....	193
II. German law.....	194
III. American law.....	195
L. Liability towards third parties .....	196
I. Shipper's liability to the other cargo owners.....	196
II. Carrier's liability to the other cargo owners.....	196
1. Hague/Hague-Visby Rules .....	196
2. German law.....	197
M. Shipper's liability in the CMI/UNCITRAL draft instrument.....	198
I. In general .....	198
II. Inclusion of strict liability with regard to dangerous goods.....	198
III. Extensive duties of shipper.....	199
IV. Presumed fault and burden of proof .....	199
V. Loss, damage or injury .....	200
VI. Delay.....	200
VII. Strict liability .....	201

VIII. Conclusion with regard to liability of the shipper: general regime	
fault-based strict liability exception .....	201
IX. Strict liability for dangerous goods .....	202

**Part 5: Limitation of liability and insurance ..... 203**

A. Shipper's or charterer's exposure to liability in general .....	203
B. Limitation of liability .....	204
C. Package or kilo limitation for cargo loss or damage .....	204
I. Hague/Hague-Visby Rules .....	204
1. History of package or kilo limitation of Hague Rules .....	204
2. Legislative considerations .....	205
3. Limitation for delay? .....	206
II. Hamburg Rules .....	207
1. Limitation of liability for loss of or damage to goods .....	207
2. Limitation of liability for delay .....	208
D. Unlimited liability of shippers .....	208
E. CMI/UNCITRAL draft instrument .....	209
I. Consideration of limitation of the shipper's liability in the draft instrument .....	209
II. Submission of European Shippers' Council with regard to limitation of shipper's liability .....	209
F. Global limitation of liability for maritime claims .....	210
I. Importance of limitation of liability .....	211
II. Convention on Limitation of Liability for Maritime Claims .....	213
1. Development .....	213
2. 1976 Convention on Limitation of Liability for Maritime Claims (LLMC 1976) .....	213
a) Persons entitled to limit liability .....	214
aa) Owner .....	214
bb) Charterer .....	214
cc) Other persons .....	215
dd) Liability insurer .....	215
b) Claims subject to limitation .....	215
aa) Claims in respect of loss of life or personal injury or loss of or damage to property .....	216
bb) Claims in respect of loss resulting from delay .....	216
cc) Claims in respect of infringement of rights other than contractual rights .....	217
dd) Claims in respect of the raising, removal, destruction or the rendering harmless of a ship including anything on board such ship .....	217
ee) Claims in respect of the removal of the cargo of the ship .....	217

ff) Claims in respect of measures taken to avert or minimize loss.....	218
gg) Claims brought by way of recourse or for indemnity.....	218
III. Can a charterer limit his liability against the shipowner? .....	218
1. The Aegean Sea case .....	219
2. The CMA Djakarta case .....	221
a) Facts of the case .....	221
b) Issues .....	221
c) Interpretation of the convention.....	222
d) Ordinary meaning of “charterer” in the 1976 Convention .....	222
e) The right to limit only extended to claims which were limitable under Art. 2 .....	223
f) Limitation fund and aggregation of claims .....	223
g) Claims limitable .....	224
h) Conclusion.....	224
IV. United States law .....	225
V. Considerations regarding charterer’s liability against shipowner and limitation of liability .....	225
VI. Criticisms on the limitation of liability .....	227
G. Insurance.....	228
I. Marine insurance in general .....	228
II. Protection and indemnity (P&I) insurance .....	229
1. P&I club cover .....	230
2. Marine risks insured by P&I clubs .....	230
3. Special risks insured by the P&I clubs .....	231
4. Club membership.....	231
5. Insurable interest.....	231
6. Members .....	232
a) Shipowners.....	232
b) Chartered vessels.....	232
c) Charterers as members .....	232
7. Charterers’ liability for damage to hull .....	234
8. Conditions of cover and dangerous goods.....	234
III. Charterer’s liability insurance .....	235
IV. Insurance for shippers.....	236
1. Public liability insurance .....	236
2. Shipper may run hazard of hazard .....	237
V. Coverage for liability arising out of dangerous goods .....	238
 <b>Part 6: Third-party liability for damage arising from the carriage of HNS .....</b>	<b>241</b>
A. In general .....	241

B. Need for a HNS Convention.....	242
I. Potential damage.....	242
II. Inadequacy of existing liability schemes.....	242
C. Development of HNS Convention.....	243
I. In the wake of the 1969 Brussels Conference .....	243
II. Consideration of a limited extension of the CLC 1969 and the elaboration of a new convention for damage by other pollutants .....	244
III. The preparatory work for the draft on the HNS Convention.....	245
1. Proposed systems of liability .....	245
2. A new source of insurance: imposition liability on shipper .....	247
IV. The 1984 Conference on HNS.....	247
1. Cargoes covered by the Draft HNS Convention.....	248
a) Bulk HNS only .....	248
b) Problems in the inclusion of packaged HNS .....	248
2. Allocation of liability between shipowner and shipper .....	250
3. Insurance of shipper liability .....	251
4. Alternative: cargo liability insurance.....	252
5. Outcome of the 1984 Conference on HNS .....	253
V. Developments since 1987 .....	253
VI. The 1991 Draft.....	257
VII. Reactions to the 1991 Draft .....	258
VIII. Subsequent developments.....	258
D. The HNS Convention 1996 .....	260
I. Definition of HNS.....	260
1. Coal and other solid bulk materials .....	262
2. Fishmeal.....	263
3. Waste.....	263
4. Excluded cargoes .....	264
a) Oil (causing pollution damage).....	264
b) Radioactive materials .....	264
II. Damages covered.....	265
III. Liability.....	266
1. Strict liability of the shipowner (the first tier) .....	266
2. Defences available to the shipowner for exoneration from liability .....	267
3. Unique defence of the shipowner: shipper's failure to furnish information .....	267
IV. Limits of liability .....	268
1. Small ships .....	268
2. Level of limit.....	269
V. Compulsory insurance of the shipowner .....	271
VI. HNS Fund (the second tier) .....	272
1. Liability of the HNS Fund .....	272

2. Contributions to the HNS Fund .....	274
a) Receiver pays .....	274
b) Who is a receiver? .....	275
c) Contributing cargo .....	276
3. The separate accounts and the general account .....	277
4. Administration of the HNS Fund .....	279
5. Organization of the HNS Fund .....	279
6. Secretariat and director of the HNS Fund .....	279
VII. Entry into force .....	280
1. Inconsistency of existing EU legislation with HNS Convention .....	281
2. EU Regulation 44/2001 .....	281
3. Implications of EU Regulation 44/2001 on the HNS Convention .....	282
4. Authorizing member states to ratify the conventions with a reservation .....	283
<b>Conclusion .....</b>	<b>285</b>
<b>Appendices .....</b>	<b>291</b>
Hague-Visby Rules .....	291
U.S. Customs 24 Hours Rule Clause for Voyage Charter Parties .....	298
U.S. Customs 24 Hours Rule for Time Charter Parties .....	299
International Convention on Liability and Compensation for Damage in Connection with the Carriage of Hazardous and Noxious Substances by Sea, 1996 .....	300
Multimodal Dangerous Goods Form .....	333
<b>Bibliography .....</b>	<b>335</b>
<b>Index .....</b>	<b>347</b>
