

Contents

1	The Measurement of Income Inequality	1
1.1	Introduction	1
1.2	Preliminaries	2
1.3	Welfare Evaluation of Income Distributions	4
1.4	Stochastic Dominance	12
1.5	Postulates for an Index of Inequality	15
1.6	Relative Inequality and Welfare	22
1.6.1	The Dalton Approach	22
1.6.2	The Atkinson Approach	23
1.6.3	The Atkinson-Kolm-Sen and the Shorrocks Approaches	24
1.7	Relative Inequality as an Ordinal Concept	32
1.8	Absolute Inequality and Welfare	33
1.8.1	The Kolm Approach	33
1.8.2	The Blackorby-Donaldson-Kolm Approach	34
1.9	Decomposable Indices of Inequality	36
1.10	Measurement of Inequality When Needs Differ	42
2	Inequality and Income Poverty	47
2.1	Introduction	47
2.2	Axioms for an Index of Income Poverty	49
2.3	Poverty Indices	57
2.3.1	The Classical Indices	57
2.3.2	The Sen Index	58
2.3.3	Some Alternatives and Variants of the Sen Index	59
2.3.4	Subgroup Decomposable Poverty Indices	64
2.3.5	Absolute Indices of Poverty	67
2.4	Population Growth and Poverty	68
2.5	Poverty Orderings	71
2.6	Unit Consistent Poverty Indices	77
2.7	Measuring Chronic Poverty	79

3	Measuring Income Deprivation	85
3.1	Introduction	85
3.2	Deprivation and Satisfaction	87
3.3	Absolute and Relative Income Differentials and Deprivation	99
3.4	Complaints and Deprivation	101
4	The Measurement of Income Polarization	105
4.1	Introduction	105
4.2	Polarization: Two Views, Axioms and Indices	106
4.3	A New Compromise Bipolarization Index, its Properties, and Characterization	115
4.4	Bipolarization Dominance	117
5	The Measurement of Multidimensional Inequality	123
5.1	Introduction	123
5.2	Postulates for an Index of Multidimensional Inequality	124
5.3	Normative Multidimensional Inequality Indices	126
5.4	Multidimensional Generalized Entropy Indices of Inequality	131
5.5	Correlation Increasing Switch and Multidimensional Inequality	132
5.6	Multidimensional Inequality and the Measurement of Occupational Segregation	135
6	The Measurement of Multidimensional Poverty	139
6.1	Introduction	139
6.2	Postulates for an Index of Multidimensional Poverty	140
6.3	Indices of Multidimensional Poverty	143
6.4	Multidimensional Poverty Orderings	149
	Extended Bibliography	151
	Glossary of Notation	171
	Index	173

Inequality, Polarization and Poverty

Advances in Distributional Analysis

Chakravarty, S.R.

2009, X, 182 p., Hardcover

ISBN: 978-0-387-79252-1
