Preface	vii
Acknowledgments	xi
Introduction	xxvii
Section I Drive Theory	
1 Sigmund Freud (1856–1939)	3
<i>Publishing Era (1888–1950)</i>	
Biographical Information.....	3
Laboratory Research, Military Service and Medicine	3
Jean Martin Charcot and Josef Breuer	4
Martha Bernays	4
Wilhelm Fliess: The Project, Freud’s Self-Analysis, and The Cocaine Episode.....	4
Professorship and Relocation	6
Study Groups.....	6
Visit to America	6
The Committee	7
Karl Abraham (1877–1925)	7
The First World War and The Emergence of The Death Instinct.....	9
Psychoanalysis of Anna (1895–1982).....	10
Cancer.....	10
The Goethe Prize and The Final Years.....	11
Conceptual Framework	11
Freud’s Metapsychological Framework	13
Theory of Development	24
The Psychosexual Framework.....	24
Case Illustration: Little Hans	33
Introduction	34
The Analysis of Hans’ Phobia.....	34
Discussion	37

Summary and Conclusion	37
Keywords.....	39
References.....	39
Major Works (S. Freud and K. Abraham).....	44
Supplementary Readings	45
 Section II Ego Psychological Theories	
2 Heinz Hartmann (1894–1970).....	49
<i>Publishing Era (1917–1966)</i>	
Biographical Information.....	49
Conceptual Framework	51
The Ego Reconceptualized.....	53
Primary and Secondary Autonomous Ego Functions	53
Ego Defenses.....	54
Adaptation and Accommodation.....	55
Ego-Syntonic and Ego-Dystonic Responses	55
In His Own Words.....	55
Summary and Conclusion	58
Keywords.....	59
References	59
Major Works	60
Supplementary Readings	60
 3 Anna Freud (1895–1982).....	61
<i>Publishing Era (1922–1982)</i>	
Biographical Information.....	61
Teacher and Psychoanalyst.....	62
Child Analysis	63
The Emergence of Ego Psychology and Sigmund Freud’s Death.....	64
The War Nurseries.....	64
The Controversial Discussions	65
The Productive Years.....	66
Her Legacy	67
Theory of Development	67
Defense Mechanisms.....	70
On Adolescence.....	71
Diagnostic Profile.....	74
Case Illustration	77
Summary and Conclusions	78
Keywords.....	78
References.....	79
Supplementary Readings	80

4	Rene Spitz (1887–1974)	81
	<i>Publishing Era (1945–1974)</i>	
	Biographical Information.....	81
	The Importance of Infant Observation	81
	“Hospitalism” and Anaclitic Depression.....	82
	Theory of Development	83
	The Objectless Stage (Birth to 10–12 Weeks).....	85
	The Establishment of the Libidinal Object (3 Months to 12–15 Months).....	86
	The Beginning of Human Communication (from 15 Months on)	87
	Case Illustration	90
	Summary and Conclusion	91
	Keywords.....	92
	References	92
	Major Works	93
	Supplementary Readings	94
5	Peter Blos (1904–1997)	95
	<i>Publishing Era (1941–1998)</i>	
	Biographical Information.....	95
	Theory of Development	97
	Latency: 7–11 Years	100
	Preadolescence: 11–13 Years	100
	Adolescence: The Second Individuation Process: 13–18 Years.....	102
	Case Illustration	105
	Summary and Conclusions	109
	Keywords.....	109
	References	109
	Major Works	110
	Supplementary Readings	111
6	Greenspan (1941–)	113
	<i>Publishing Era: 1972 to the Present</i>	
	Biographical Information.....	113
	Theory of Development	115
	Emotions as Architects of the Mind.....	117
	The Six Stages of Functional/Emotional Development	118
	Case Illustration	122
	Interview.....	122
	Comments [Greenspan Continues].....	123
	Summary and Conclusions	123
	Keywords.....	124

References.....	124
Major Works	125

Section III Object Relations Theories

7 Melanie Klein (1882–1960).....	129
<i>Publishing Era (1923–1960)</i>	
Biographical Information.....	129
Theory of Development	132
Paranoid-Schizoid Position: 0 to 3–4 Months.....	134
Depressive Position: 3–4 to 6 Months.....	135
Depressive Position: 6 Months to 12 Months	137
Depressive Position: 12–24 Months.....	138
Case Illustration	138
Ninety-Second Session.....	139
Notes to Ninety-Second Session	141
Summary and Conclusions	142
Keywords.....	143
References.....	143
Major Works	144
Supplementary Readings	145
 8 Donald Winnicott (1896–1971)	 147
<i>Publishing Era (1931–1971)</i>	
Biographical Information.....	147
Theory of Development	149
Phase of Absolute Dependence.....	150
Phase of Relative Dependence	152
Toward Independence.....	154
Case Illustration	154
Summary and Conclusions	159
Keywords.....	160
References.....	160
Major Works	161
Supplementary Readings	162
 9 Margaret Mahler (1897–1985).....	 163
<i>Publishing Era (1938–1980)</i>	
Biographical Information.....	163
Vienna.....	165
New York.....	166
Theory of Development	168
Forerunners of the Separation–Individuation Process	169

Separation–Individuation Proper: 5–36 Months and Beyond.....	171
Beginnings of Emotional Self- and Object-Constancy:	
24–36 Months and Beyond	174
Case Illustration	175
Background	175
Summary and Conclusions.....	177
Keywords	178
References	178
Major Works.....	179
Supplementary Readings.....	180
10 Otto F. Kernberg (1928–).....	181
<i>Publishing Era: 1963 to the present</i>	
Biographical Information.....	181
Conceptual Framework	182
Theory of Development	185
Normal Development.....	185
Abnormal Development.....	187
Case Illustration	189
Summary and Conclusions.....	192
Keywords	193
References	194
Major Works.....	194
Supplementary Readings.....	196
Section IV Life Cycle Theory	
11 Erik Erikson (1902–1994).....	199
<i>Publishing Era (1937–1980)</i>	
Biographical Information.....	199
The Vienna Period (1927–1933): Erik Homburger.....	201
The American Period (1933–1994): Erik H. Erikson	202
Theory of Development	207
The Eight Ages of Man.....	210
Case Illustration	219
Summary and Conclusions.....	222
Keywords	223
References	223
Major Works.....	224
Supplementary Readings.....	224

Section V Interpersonal Theory

12 Harry Stack Sullivan (1892–1949)	227
<i>Publishing Era (1925–1947)</i>	
Biographical Information.....	227
Theory of Development	229
The Self-System.....	229
Developmental Epochs	232
Case Illustration	238
Summary and Conclusions.....	239
Keywords	239
References	240
Major Works.....	240
Supplementary Readings.....	240

Section VI Theories of the Self

13 Daniel Stern (1934–)	243
<i>Publishing Era: 1963 to the present</i>	
Biographical Information.....	243
Academic Training.....	243
Teaching	244
Publications.....	244
The Boston Change Process Study Group.....	244
Theory of Development	246
Domain I: The Domain of the Emergent Self: 0–2 Months.....	247
Domain II: The Core Sense of Self: 2–7 Months	248
Domain III: The Subjective Sense of Self: 7–15 Months	250
Domain IV: The Verbal Sense of Self: 15–30 Months	251
Domain V: The Narrative Sense of Self: 30–48 Months	252
Case Illustration	252
Summary and Conclusions.....	254
Keywords	255
References	255
Major Works.....	256
Supplementary Readings.....	256
14 Heinz Kohut (1913–1981)	257
<i>Publishing Era (1950–1984)</i>	
Biographical Information.....	257
Chicago	259
Mr. Psychoanalysis	260
The New Paradigm.....	261
Theory of Development	262

The Concept of Self	263
The Development of the Bipolar Self	263
Case Illustration	276
Summary and Conclusions.....	278
Keywords	279
References	279
Major Works.....	280
Supplementary Readings.....	281

Section VII Attachment Theories

Part 1: Traditional Attachment Theories

15 John Bowlby (1907–1990)	287
<i>Publishing Era (1952–1990)</i>	
Biographical Information.....	287
The Tavistock Years	288
Exclusion from the Psychoanalytic Community	288
Darwin Biography.....	290
Theory of Development	291
Ethological/Evolutionary Approach	292
Attachment.....	296
In His Own Words.....	297
Summary and Conclusions.....	299
Keywords	300
References	300
Major Works.....	301
Supplementary Readings.....	301
 16 Mary Salter Ainsworth (1913–1999)	303
<i>Publishing Era (1951–1999)</i>	
Biographical Information.....	303
Theoretical Contributions.....	304
Attachment Classification	304
Main's Contributions to Attachment Theory	307
Disorganized/Disoriented Attachments	307
The Adult Attachment Interview	308
Ainsworth's Theory of Development.....	310
In Her Own Words	311
Relationship Between Strange-Situation Behavior and Maternal Behavior.....	311
Summary and Conclusions.....	313
Keywords	313
References	314

Major Works.....	314
Supplementary Reading	314
 Part 2: Neurodevelopmental Attachment Theories: The Return to Psychoanalysis	
17 Allen N. Schore (1943–)	319
<i>Publishing Era: 1991 to the Present</i>	
Biographical Information.....	319
Theory of Development	322
The Neurobiology of Secure Attachments.....	323
The Rupture and Repair Sequence.....	323
Internal Working Models	324
Schore on Attachment Theory	324
Attachment Redefined as a Regulatory System	325
Psychoneurobiological Development	326
The Orbital Frontal Region	327
The Limbic System	328
The Neurobiology of Insecure Attachments	328
In His Own Words.....	329
Interactive Affect Regulation: A Fundamental Mechanism of Attachment Dynamics.....	329
Summary and Conclusions.....	331
Keywords	332
References	332
Major Works.....	333
 18 Peter Fonagy (1952–)	 335
<i>Publishing Era: 1984 to the Present</i>	
Biographical Information.....	335
Conceptual Framework	336
Attachment Theory and Psychoanalytic Theory.....	337
Internal Working Models	338
Theory of Development	339
Development of the Self	340
Case Illustration	342
Summary and Conclusions.....	345
Keywords	346
References	346
Major Works.....	347

19 Conclusion	349
Intellectual Underpinning of Psychoanalytic	
Developmental Theories	349
The Positivist Perspective	351
The Postmodern Worldview.....	353
What the Future Holds	357
Neuroscience and Psychoanalysis.....	358
Neuropsychanalysis: A New Paradigm.....	358
Strategies for the Integration of Neurobiology and Psychoanalysis	360
The View Beyond the Horizon.....	362
Keywords	363
References	363
Appendix A	369
Appendix B	373
Appendix C	395
Name Index.....	397
Subject Index.....	403

Guide to Psychoanalytic Developmental Theories

Palombo, J.; Bendicson, H.K.; Koch, B.J.

2009, XLVIII, 416 p., Hardcover

ISBN: 978-0-387-88454-7
