1	Taking the High Road: Ethics and Practice in Disability and Disability-Related Evaluations	1
	Introduction	1
	The Ethical Obligation to Practice Within Areas of Expertise	2
	Ethics and Relationships in Third-Party Evaluations	3
	The Relationship with the Third Party	3
	The Physician–Evaluee Relationship in Employment Evaluations	4
	Disclosure and Informed Consent	5
	Confidentiality in Third-Party Employment Evaluations	7
	Obligation for Honesty and Objectivity: Sources of Bias in Employment Evaluations	8
	Common Sources of Bias in Disability and Disability-Related Evaluations	10
	Advocacy Bias	11
	Bias Associated with Mental Health Training and Experience	12
	Administrative Consequences of Not Conforming to Ethical Guidelines	22
	Disciplinary Actions and Mental Health Employment Evaluations	22
	Implications for Impeachment	23
	Conclusion	24
2	Employment Evaluations and the Law	25
	Introduction	25
	Obligations to the Retaining Party in Employment Evaluations	26
	Consent	27
	Obligations to the Evaluee in Disability and Disability-Related Evaluations	29
	The Question of Duty in Third-Party Evaluations	30
	Breach of Duty and Harm	34

Immunity in the Provision of Disability and Disability-Related Evaluations	35
Privacy and Confidentiality: Access to Information.	36
Qualitative Standards for Employment Evaluations	39
Psychiatric and Psychological Evaluations Intended for Judicial Consumption	39
Psychiatric and Psychological Evaluations Intended for Administrative Consumption	40
Conclusion.	42
3 Why We Work: Psychological Meaning and Effects	43
Introduction	43
The Central Role of Work in Daily Life.	43
Work and Its Effects on Mental Health	44
The Benefits of Work	45
Job Satisfaction	48
Work: The Downside	48
Assessing “Goodness of Fit”	49
Constant Effect Determinants.	51
Variable Effect Determinants	51
Occupational Stress.	53
Outcomes of Occupational Stress: Job Burnout and Withdrawal	60
Job Burnout.	60
The Effects of Job Loss and Unemployment	62
Conclusion.	68
4 Psychiatric Disorders, Functional Impairment, and the Workplace	69
Introduction	69
Psychiatric Disorders, Impairment, and Disability.	70
Psychiatric Diagnoses and Disability: Caveat Emptor	71
Psychiatric Disorders in the Workplace	74
Evidence-Based Assessment of Psychiatric Impairment.	78
Affective Disorders	78
Anxiety Disorders	87
Substance Use and Dependence	91
Comorbidity	92
Conclusion.	94
5 Psychiatric Disability: A Model for Assessment.	97
Introduction	97
Disability: A Psychological Process	98
The Relationship Between Impairment and Disability.	99
Work Capacity: Supply, Demand, and Domains of Function	101
Work Demand: The Job Description	102
Work Supply: Performance and Employment History.	104

Decreased Work Supply: Diagnosis, Symptoms, Impairments, and Treatment	106
Decreased Work Supply: Personal and Social Circumstances	107
Work Capacity Models: The Process and Patterns of Disability Development	107
Change in Work Capacity Due to Sudden Illness and Impairment	108
Change in Work Capacity Due to Sudden Illness and Impairment with Relatively Rapid Recovery to Baseline . . .	109
Increasing Impairment and Decreasing Work Capacity over Time Due to Progression of Illness	110
Cumulative Effect of Prior Impaired Function with New Impairment Resulting in Decreased Work Capacity	111
Change in Work Demands Outpacing Change in Work Supply, Resulting in Decreased Work Capacity	113
Repeated Episodes of Impairment with Decreasing Baseline Work Capacity Between Episodes	114
Work Capacity Models and Disability Evaluations	116
Motivation	118
Cultural and Ethnic Issues	120
Conclusion.	122
 6 Practice Guidelines for Mental Health Disability Evaluations in the Workplace	 123
Introduction	123
The Benefit of Practice Guidelines	123
Definitions and Related Issues	125
Disability and Impairment: Related but Not Synonymous	125
Restrictions and Limitations	127
Impairment vs. Illegal Behavior	127
Insurance Issues for Forensic Evaluators	129
Safety Issues for Evaluators	129
General Practice Guidelines for Psychiatric Disability Evaluations	130
Clarify the Nature of the Referral with the Referral Source. . . .	130
Review Records and Collateral Information	131
Conduct a Standard Examination.	135
Correlate the Mental Disorder with Occupational Impairment . . .	138
Consider Alternatives That Might Account for Claims of Impairment and Disability	147
Formulate Well-Reasoned Opinions Supported by Data	151
Write a Comprehensive Report That Addresses Referral Questions	152
Conclusion.	161

7 The Maze of Disability Benefit Programs: Social Security Disability, Workers' Compensation, and Private Disability Insurance	163
Introduction	163
Public Disability Insurance: The SSDI Program	164
SSDI Definitions and Process	165
The Role of Mental Health Professionals in SSDI Disability Claims	173
Additional Guidelines for Conducting SSA Disability Evaluations	178
Workers' Compensation Programs	178
The Basic Components of Workers' Compensation Legislation	179
Differences Between Workers' Compensation, Tort Law, and SSDI	180
Causation in Workers Compensation: No Fault Does Not Mean No Conflict	181
The Decision-Making Process in Workers' Compensation Claims	181
Evidentiary Issues in Worker's Compensation Claims	182
Definition of Disability in Worker's Compensation Cases	183
Psychiatric Claims in Workers' Compensation	184
Mental Health Evaluations in Workers' Compensation Claims	186
Dual Roles in Worker's Compensation Claims	190
Additional Guidelines for Conducting Workers' Compensation Evaluations	192
Private Disability Insurance Claims	192
Private Disability Insurance: Benefits by Contract and Differences from Other Disability Benefits Programs	195
Legal Disability vs Factual Disability	196
Private Disability Insurance: Definitions and Terms	197
Mental Health Professionals and Private Disability Insurance Claims	201
Dual Roles and Ethical Conflicts in Private Disability Insurance Evaluations	206
Additional Guidelines for Conducting Workers' Compensation Evaluations	207
Conclusion	208
8 Working with Disabilities: The Americans with Disabilities Act	209
Introduction	209
The ADA in Action: How Does it Work?	210
Enforcement of the ADA	213

Mental Disabilities: The ADA and Employment	215
Referrals for ADA Mental Health Evaluations	216
Mental Health Professionals: Understanding the ADA	219
The ADA's Statutory Definitions and Relevant Terms	219
Conclusion.	234
Additional Guidelines for Conducting ADA Evaluations	235
9 Fitness-for-Duty Evaluations	237
Introduction	237
The Public's Stake in FFD Decisions	239
The Legal Basis for FFD Examinations	240
Forced FFD Evaluations	244
FFD Evaluations and the ADA	244
Referral Issues.	246
Triaging the FFD Referral	246
Qualifications for Conducting FFD Evaluations	247
Constraints on FFD Evaluations	247
Confidentiality.	248
Consent	250
Role Clarification and Dual-Agency Issues	250
Conducting a Mental Health FFD Evaluation.	252
Documentation	252
The FFD Interview	255
Dissimulation	257
Opinions	257
Degree of Certainty of Opinions.	261
Return-to-Work Evaluations	262
Conclusion.	263
Additional Guidelines for Conducting FFD Evaluations	263
Key Points in Conducting RTW Evaluations.	264
Conclusion	265
