Preface.....	v
Preface to <i>Pediatric Critical Care Medicine: Basic Science and Clinical Evidence</i>	vii
Contributors.....	xi
1 Development of Pediatric Critical Care Medicine—How Did We Get Here and Why? .. <i>John J. Downes</i>	1
2 Epidemiology of Critical Illness <i>R. Scott Watson and Mary E. Hartman</i>	29
3 Ethics in the Pediatric Intensive Care Unit <i>K. Sarah Hoehn and Robert M. Nelson</i>	35
4 The Patient's Family in the Pediatric Intensive Care Unit..... <i>Sol J. Goldstein and I. David Todres</i>	43
5 Scoring Systems in Critical Care..... <i>Thomas J. Cholis III and Murray M. Pollack</i>	51
6 Outcomes and Quality: Definitions, Assessment, and Analysis..... <i>Susan L. Bratton and James P. Marcin</i>	55
7 Pediatric Intensive Care Unit Administration..... <i>Lorry R. Frankel</i>	63
8 Nursing Care in the Pediatric Intensive Care Unit..... <i>Franco A. Carnevale</i>	69
9 The Physician–Scientist in the Pediatric Intensive Care Unit <i>Thomas P. Shanley</i>	73
10 Resident and Nurse Education in the Pediatric Intensive Care Unit..... <i>Girish G. Deshpande, Gwen Lombard, and Adalberto Torres, Jr.</i>	79
11 Evidence-Based Medicine in the Pediatric Intensive Care Unit..... <i>Adrienne G. Randolph</i>	85
12 Patient Safety in the Pediatric Intensive Care Unit..... <i>David C. Stockwell and Anthony D. Slonim</i>	91
13 Pediatric Critical Care in Developing Countries..... <i>Gregory L. Stidham and William M. Novick</i>	97
14 The Pediatric Intensive Care Unit of the Future: Technological Advances in Pediatric Critical Care Medicine..... <i>Kenneth Tegtmeier</i>	105
15 Molecular Biology in the Pediatric Intensive Care Unit..... <i>Lesley A. Doughty</i>	113
16 Genetic Polymorphisms in Critical Care and Illness <i>Mary K. Dahmer and Michael W. Quasney</i>	137

17	Signal Transduction Pathways in Critical Illness and Injury	153
	<i>Timothy T. Cornell and Thomas P. Shanley</i>	
18	Proinflammatory and Antiinflammatory Mediators in Critical Illness	163
	<i>Daniel G. Remick</i>	
19	Endogenous Cytoprotective Mechanisms	171
	<i>Hector R. Wong</i>	
20	Ischemia-Reperfusion Injury	181
	<i>Basilina Zingarelli</i>	
	Index	193

Science and Practice of Pediatric Critical Care Medicine

Wheeler, D.S.; Wong, H.R.; Shanley, Th.P. (Eds.)

2009, XII, 199 p., Softcover

ISBN: 978-1-84800-920-2
