

Contents

1	Endocrine and Immunologic Alterations During Pregnancy	1
1.1	Hormonal Changes	1
1.2	Immunologic Changes	2
	References	4
2	Hyperpigmentation and Melasma	7
2.1	Hyperpigmentation	7
2.2	Melasma	8
2.3	Pathogenesis of Pigmentation	13
2.4	Treatment	14
	References	17
3	Hair and Nails	19
3.1	Hair	19
3.1.1	Hirsutism	19
3.1.2	Telogen Effluvium	21
3.1.3	Male-Pattern Baldness and Hypotrichosis	22
3.2	Nails	22
	References	23
4	Connective Tissue Physiologic Changes During Pregnancy	25
4.1	Striae Distensae (Linea Striae, Linea Gravidarum, Linea Alba, Striae Gravidarum)	25
4.2	Molluscum Fibrosum Gravidarum	29
	References	30

5	Physiologic Vascular Changes During Pregnancy	33
5.1	Vascular Spiders (Spider Angiomas, Arterial Spiders, Nevi Aranei, Spider Nevi)	33
5.2	Palmar Erythema	35
5.3	Hemangiomas	36
5.4	Cutis Marmorata, Purpura, and Petechia	37
5.5	Edema	37
5.6	Carpal Tunnel Syndrome	38
5.7	Varicosities	38
5.8	Pregnancy Gingivitis (Papillomatous Hypertrophy of the Gums, Stomatitis Gravidarum, Hypertrophic Gingivitis of Pregnancy, Marginal Gingivitis)	40
5.9	Granuloma Gravidarum	41
5.10	Unilateral Nevoid Telangiectasia	42
	References	43
6	Physiologic Glandular Changes During Pregnancy	45
6.1	Eccrine Glands	45
6.2	Apocrine Gland	46
6.3	Sebaceous Gland	46
6.3.1	Acne Vulgaris	46
6.3.2	Breast	47
	References	48
7	Inflammatory Skin Conditions During Pregnancy	49
7.1	Atopic Dermatitis	49
7.2	Psoriasis	50
7.3	Urticaria	53
7.4	Hereditary Angioedema	54
7.5	Erythema Nodosum	55
7.6	Contact Dermatitis	56
	References	58
8	Autoimmune Conditions During Pregnancy	63
8.1	Systemic Lupus Erythematosus	63
8.2	Systemic Sclerosis	66
8.3	Dermatomyositis/Polymyositis	68
8.4	Pemphigus	68
	References	72
9	Tumors in Pregnancy	77
9.1	Mycosis Fungoides	77
9.2	Neurofibromatosis	78

9.3	Melanocytic Nevi	78
9.4	Malignant Melanoma.	79
9.4.1	Maternal Prognosis	80
9.4.2	Fetal Prognosis.	82
9.4.3	Treatment.	83
9.5	Miscellaneous	84
	References	85
10	Metabolic Diseases in Pregnancy.	91
10.1	Porphyria Cutanea Tarda	91
10.2	Acrodermatitis Enteropathica	93
	References	94
11	Pruritus Gravidarum and Intrahepatic Cholestasis of Pregnancy	97
11.1	Definition	97
11.2	Introduction	97
11.3	Incidence	98
11.4	Clinical Presentation	98
11.5	Laboratory Findings	100
11.6	Histopathology.	100
11.7	Physiopathology	101
11.8	Diagnosis	102
11.9	Treatment.	103
11.10	Prognosis	104
	References	106
12	Herpes (Pemphigoid) Gestationis	111
12.1	Definition	111
12.2	Introduction.	111
12.3	Incidence	112
12.4	Clinical Presentation	113
12.5	Differential Diagnosis	118
12.6	Relationship Between Herpes Gestationis and Bullous Pemphigoid	119
12.7	Laboratory Findings	120
12.8	Histopathology	121
12.9	Physiopathology	123
12.10	Treatment	125
12.11	Prognosis	126
	References.	128

13	Impetigo Herpetiformis	135
13.1	Definition	135
13.2	Introduction	135
13.3	Incidence	136
13.4	Clinical Presentation	136
13.5	Laboratory Findings	138
13.6	Histopathology	138
13.7	Physiopathology	139
13.8	Differential Diagnosis	139
13.9	Treatment	139
13.10	Prognosis	140
	References	141
14	Autoimmune Progesterone Dermatitis of Pregnancy	143
14.1	Definition	143
14.2	Introduction	143
14.3	Clinical Presentation	144
14.4	Laboratory Findings	144
14.5	Histopathology	144
14.6	Physiopathology	145
14.7	Differential Diagnosis	145
14.8	Treatment	145
14.9	Prognosis	146
	References	146
15	Linear IgM Dermatositis of Pregnancy	147
	References	150
16	Prurigo of Pregnancy	151
16.1	Definition	151
16.2	Introduction	151
16.3	Incidence	152
16.4	Clinical Presentation	152
16.5	Laboratory Findings	153
16.6	Histopathology	154
16.7	Physiopathology	154
16.8	Diagnosis	154
16.9	Treatment	154
16.10	Prognosis	155
	References	155

17 Pruritic Folliculitis of Pregnancy 157

17.1 Definition 157

17.2 Introduction 157

17.3 Incidence 157

17.4 Clinical Presentation 158

17.5 Histopathology 159

17.6 Physiopathology 159

17.7 Diagnosis 159

17.8 Treatment 160

17.9 Prognosis 160

References 160

18 Pruritic Urticarial Papules and Plaques of Pregnancy 163

18.1 Definition 163

18.2 Introduction 163

18.3 Incidence 164

18.4 Clinical Presentation 164

18.5 Laboratory Findings 167

18.6 Histopathology 168

18.7 Physiopathology 168

18.8 Diagnosis 170

18.9 Treatment 171

18.10 Prognosis 171
