

Table of Contents

List of Figures.....	ix
List of Tables.....	xiii
Preface.....	xv
1 Introduction.....	1
2 Trends in the Telecommunications Industry Worldwide, and in Russia in particular.....	7
2.1 Industry Structure and Technological Developments.....	8
2.2 Current Worldwide Trends.....	21
2.2.1 Sector Reforms and their Driving forces.....	21
2.2.2 WTO Regulation of Telecommunications Services.....	23
2.2.3 Successful Reform Examples from Selected Countries	25
2.3 Telecommunications Infrastructure Policy in the Socialist Command Economy	32
2.4 Current Developments in the Russian Telecommunications Sector	33
2.4.1 General Sector Trends	41
2.4.2 Regulatory Institutions	47
2.4.3 Market Structure	48
2.4.4 Fixed Telecommunications	50
2.4.5 Mobile Telecommunications.....	52
2.4.6 Broadband Infrastructure.....	57
2.4.7 Internet Dynamics and Information Society.....	60
3 Theory of Privatization and Liberalization in the Telecommunications Sector.....	65
3.1 Basic Theory of the Telecommunications Sector.....	65
3.1.1 Telecommunications as a Network Sector and Network Effects.....	65
3.1.2 Natural Monopoly and Telecommunications	66
3.1.3 Price Setting in Natural Monopolies.....	67
3.1.4 Competition and its Effects: Static and Dynamic Efficiency	69
3.2 Theory of Monopolistic Bottlenecks and the Disaggregated Approach	70
3.3 Privatization in the Telecommunications Sector.....	75
3.3.1 Privatization Objectives and Possible Trade-Offs	75
3.3.2 Forms of Private Participation.....	78
3.3.3 Telecommunications Privatization Experiences Around the World ..	78
3.3.4 Obstacles for Privatization in Transition Countries	80
3.3.5 Transformation and Timing, Sequencing and Staging in the Sector Reforms	81
3.4 Liberalization of the Telecommunications Sector	83
3.4.1 Restructuring as an Element of Liberalization.....	84
3.4.2 Liberalization of Market Entry.....	84
3.4.3 Price Liberalization and Cross-Subsidizing Mechanisms	85

4 Theory of Network Regulation and Regulatory Policy Options in the Telecommunications Sector	89
4.1 Ramsey-Boiteux Pricing: The Second-Best Price Solution.....	90
4.2 Regulation of End User Pricing: Historical Developments.....	91
4.2.1 Rate-of-Return Regulation	92
4.2.2 Mark-Up (or Cost-Plus) Regulation.....	95
4.2.3 Price-Cap Regulation	97
4.3 Regulation of Access and Interconnection Pricing	99
4.3.1 Theoretical Approaches on Access and Interconnection Pricing: from Pricing at Marginal Cost to Global Price-Caps	101
4.3.2 Practical Approaches of Access and Interconnection Pricing: Backward-Looking Vs. Forward-Looking Cost-Based Pricing	104
4.4 Regulation of Universal Services	105
4.4.1 Measures to Promote Universal Services	107
4.4.2 Theoretical Aspects of Universality Policy in Transition Countries..	110
4.5 Regulation of Service Quality	116
4.6 Positive Theory of Regulation: Regulatory Capture.....	119
4.7 Design of Regulatory Institutions	123
 5 Telecommunications Role in the Economic Development and Sector Encouraging Policy Options.....	 127
5.1 Modeling the Linkages Between the Economic Development and the Telecommunications Infrastructure in Transition Countries.....	127
5.1.1 Recent Literature Review	128
5.1.2 Data and Main Patterns.....	131
5.1.3 The model and its Empirical Implementation	133
5.1.4 Results and Interpretation	140
5.2 Modernization of the Fixed Telecommunications Sector.....	141
5.2.1 Privatization as an Instrument to Raise Sector Efficiency	143
5.2.2 Liberalization Through Tariff Rebalancing.....	146
5.2.3 Universality Policy and Other Instruments Increasing Penetration Rates	150
5.2.4 Far-Reaching Evolutionary Trends: VoIP and Next Generation Networks	158
5.3 Mobile Telecommunications: Instruments Stimulating Diffusion.....	163
5.3.1 Mobile Telecommunications Role in Narrowing the Digital Divide..	163
5.3.2 Diffusion Factors of Mobile Telecommunications.....	166
5.3.3 Instruments Stimulating the Diffusion of Mobile Telecommunications	167
5.4 Broadband Infrastructure and Content: Demand- and Supply Sides	176
5.4.1 Successful Experiences in Broadband Development Around the World	177
5.4.2 Regulatory Policy Encouraging Broadband Penetration.....	182

5.4.3 Development of the Russian Broadband Infrastructure	186
5.4.4 Development of the Russian Broadband Content	188
5.5 Reform processes Under the Impact of Politics and Institutional Modernization in Russia.....	192
6 Conclusion.....	197
