

Contents

Part I Prevention

- 1 Risk Factors** 3
Polly A. Newcomb and Karen J. Wernli
- 2 Lifestyle Factors and Risk of Breast Cancer: A Review of Randomized Trial Findings** 23
Garnet L. Anderson
- 3 Breast Cancer Chemoprevention** 43
Mary B. Daly
- 4 Surgical Management of Inherited Susceptibility to Breast Cancer** 61
Francis Freisinger and Susan M. Domchek

Part II Early Detection

- 5 Clinical Breast Examination and Breast Self-Examination** 81
William H. Goodson, III
- 6 Mammography** 117
Barbara C. Cavanaugh and Sorcha McNally
- 7 Current Status and Future Prospects in Breast Carcinoma of Positron Emission Tomography** 133
Sandip Basu, Joshua I. Rosenbaum, and Abass Alavi
- 8 Breast MRI** 147
Barbara C. Cavanaugh and Sorcha McNally
- 9 Genetic and Molecular Approaches to Imaging Breast Cancer** 163
Eric Wickstrom and Mathew L. Thakur
- 10 Intraductal Approaches: Nipple Aspirate Fluid to Assist in Breast Cancer Detection** 183
Edward R. Sauter
- 11 Intraductal Approaches: Mammary Ductoscopy and Ductal Lavage to Assist in the Diagnosis of Breast Cancer** 197
William C. Dooley
