Introduction	1
 Chapter 1: Fisheries Subsidies and Current Regulations under International Law	 5
I. Introduction	5
II. Background of Fisheries Subsidies Issues	5
A. Magnitude of Global Fisheries Subsidies	5
B. Definition of Fisheries Subsidies	7
1. Definition by International Organizations	7
2. Definition by the WTO	10
C. Categorization of Fisheries Subsidies	11
D. Impact of Fisheries Subsidies	11
1. Impact on Trade	11
2. Impact on the Environment	12
a. Impact on Fisheries Resources	13
b. Impact on the Ecosystem and Biodiversity	17
3. Impact on Sustainable Development	17
III. International Fisheries Instruments	18
A. Current Fisheries Management Instruments	19
1. UNCLOS and Fish Stock Agreement	19
2. FAO Compliance Agreement and Other Instruments	20
3. Other Conventions and Declarations	22
B. Subsidies-related Provisions	24
1. International Plan of Action for the Management of Fishing Capacity	25
2. International Plan of Action for IUU Fishing	27
IV. Subsidies Regulations within the GATT/WTO Framework	28
A. Multilateral Subsidies Regulations within the GATT/WTO Framework	28
1. GATT Subsidies Provisions	29
2. Tokyo Round Subsidies Code	30

3. Uruguay Round Negotiations on Subsidies and Countervailing Duties	31
4. WTO Agreement on Subsidies and Countervailing Measures	32
a. Structure of the SCM Agreement	32
b. Requirement of Specificity	33
c. Traffic Light Classification	33
(1) Red Light: Prohibited Subsidies	34
(2) Amber Light: Actionable Subsidies	34
(3) Green Light: Non-Actionable Subsidies	35
d. Notification and Surveillance Instruments	35
(1) Institutions	36
(2) Notifications and Surveillance	36
(3) Notifications on Subsidies to the Fisheries Sector	37
e. Special Regime Applicable to Developing and Least-developed Countries	38
5. Remedies under WTO Law	40
B. Problems Applying Current Regulations to Fisheries Subsidies Cases	42
V. Conclusion	43

Chapter 2: Fisheries Subsidies Negotiations within the WTO Framework	45
I. Discussions on Fisheries Subsidies during the Uruguay Round Negotiations	45
II. Discussions on Fisheries Subsidies before the Seattle Ministerial Conference	46
A. Establishing the Environmental Data Base on Fisheries Subsidies	46
B. Discussions at the Committee on Trade and Environment	47
C. Discussions at the General Council as Partial Preparation for the Seattle Ministerial Conference	49
D. Arguments over Fisheries Subsidies Discussions	51
III. Results on Fisheries Subsidies Negotiations at the Seattle Ministerial Conference	51
IV. Negotiations on Fisheries Subsidies before the Doha Ministerial Conference	52
A. Members Call for New Fisheries Subsidies Rules within the WTO Framework	52
B. Other Members Propose a Holistic Approach to Fisheries Subsidies	54
C. Follow-up with Other Relevant International Organizations	55
D. Status of Negotiations before the Doha Ministerial Conference	57

V. Outcome of the Fisheries Subsidies Issue at the Doha Ministerial Conference	58
VI. Negotiations on Fisheries Subsidies before the Cancún Ministerial Conference	59
A. Contribution of the Committee on Trade and Environment	59
B. New Zealand Demonstrates the Need to Improve Fisheries Subsidies Disciplines	60
C. United States Proposes New Approaches Regarding New Disciplines	61
D. “Friends of Fish” Members Propose Possible Categorizations	62
E. Chile Proposes New Disciplines	62
F. Japan Requires Further Reasons for New Disciplines	63
G. Korea Requests More Proof on the Need for New Disciplines	64
H. European Communities Address the Proposed Solution	65
I. China as a Developing Country Addresses Certain Issues for Discussions	67
J. Small Vulnerable Coastal States Expect Exceptions	67
K. Status of Negotiations before the Cancún Ministerial Conference	68
VII. Results on Fisheries Subsidies Negotiations at the Cancún Ministerial Conference	68
VIII. Negotiations on Fisheries Subsidies before the HK Ministerial Conference	69
A. Structure of Fisheries Subsidies Regulations	69
1. The Supporters of the “Top-Down” Approach	70
a. New Zealand	70
b. “Friends of Fish” Members	71
c. United States	71
2. The Supporters of the “Bottom-Up” Approach	72
a. Japan	72
b. Korea	74
c. Taiwan	74
B. Detailed Discussion on Sub-Categories of Fisheries Subsidies	76
1. Governmental Management Services	76
2. Special Enforcement	77
3. Vessel Decommissioning and License Retirement	78
4. IUU Fishing	79
5. Aquaculture	80
6. Fisheries Infrastructure	81
7. Artisanal and Small-Scale Fisheries	82
C. Concerns from Small Vulnerable Coastal States	83
D. Proposals of Brazil	84
E. Status of Negotiations before the Hong Kong Ministerial Conference	86

IX.	Results on Fisheries Subsidies Negotiations at the HK Ministerial Conference	87
X.	Negotiations on Fisheries Subsidies after the Hong Kong Ministerial Conference	88
	A. Legal Drafts Submitted Prior to the Chair's Text in November 2007	88
	1. New Zealand	89
	2. Japan, Korea and Taiwan	89
	3. United States	92
	4. European Communities	93
	5. Norway	94
	6. Brazil	96
	7. Indonesia	97
	B. Submissions on Sub-Categories of Fisheries Subsidies	99
	1. Subsidies for Vessel Construction and Modification Proposed by Japan	99
	2. Subsidies for Social Security and Welfare Payments Proposed by Taiwan	100
	C. Submissions on Special and Differential Treatment	100
	1. India	100
	2. Argentina	101
	3. Brazil	103
	4. African, Caribbean and Pacific Group	104
	5. Small Vulnerable Economies	107
	D. Legal Text by the Chairman of the Negotiating Group on Rules	109
XI.	Conclusion	110

Chapter 3: Analysis of the Proposed Fisheries Subsidies Regulations by the Chairman of the WTO Negotiating Group on Rules

I.	Introduction	113
II.	Structure and Scope of the Chair's Text	114
	A. Adoption of the Bottom-up Approach	114
	B. The Scope of the Fishing Industry	115
	C. Chair's Text Limits Fishing Activities to Marine Wild Capture Fishing	116
	D. Actionable or Non-actionable?	116
III.	Sub-categorizations of Fisheries Subsidies	117
	A. Prohibited Fisheries Subsidies and Exceptions	117
	B. Issues with Prohibited Fisheries Subsidies	118
	1. Subsidies to Fisheries Infrastructure	118
	2. Subsidies Which Support IUU Fishing	119

3. Subsidies Which Support Fishing of Stocks in “Unequivocally Overfished Condition”	119
C. Issues with General Exceptions to Prohibited Fisheries Subsidies	120
1. Provision for Vessel Decommissioning Programmes	120
2. Provision for Governments’ Allocations of Fishing Rights	121
D. Subsidies to Research and Development and Fisheries Management Services?	121
IV. Considerations for Developing Country Members	122
A. The Importance of Fisheries to Developing Countries	122
B. Concerns with Special and Differential Treatment Provisions	123
1. General Concepts of Special and Differential Treatment	123
2. Specific Concepts of Special and Differential Treatment in Fisheries Subsidies Negotiations and Regulations	124
3. Incorporating the Development Dimension into New Regulations	126
a. Structural Provisions	126
b. Technical Provisions	127
4. Analysis of Special and Differential Treatment Provisions	129
a. General Structure	129
b. Treating Least-Developed and Developing Country Members Differently	129
c. Preconditions for Special and Differential Treatment	130
C. Other Technical Provisions	130
D. Concerns with the Provisions for Small-scale Fisheries	131
1. The Nature of Small-scale Fisheries	131
2. Subsidies to Small-scale Fisheries	133
3. Considerations for Provisions on Small-scale Fisheries	134
4. Analysis of Provisions on Small-scale Fisheries	135
a. Leaving out Small-scale Fisheries in Developed Country Members	135
b. Providing Special and Differential Treatment to Small- scale Fisheries in Developing Country Members	136
E. Concerns with Provisions on Fisheries Access Agreements	137
1. The Nature of Fisheries Access Agreements	137
2. Legal Basis of Fisheries Access Agreements	138
3. Issues of Fisheries Access Agreements	139
4. Analysis of Provisions on Access-related Payments	140
a. Exempt Government-to-government Payments from the Regulations	140
b. Prohibition of Access-related Subsidies	140
c. Exception to Prohibition as Special and Differential Treatment	141
d. Transparency of Fisheries Access Agreements	141
V. Criteria Required for Providing Fisheries Subsidies	142
A. Minimum Criteria	142

1. Stock-related Criteria	142
2. Capacity-related Criteria	143
3. Management-related Criteria	145
B. Analysis of the Chair's Text	147
1. Effective Fisheries Management Systems as Criteria	147
2. "Internationally Recognized Best Practice of Fisheries Management"	148
3. Incorporating Fisheries Instruments into the WTO Regulations	150
4. Illustrating Elements in the Fisheries Management Systems	153
5. Setting the Enquiry Points	154
VI. Establishment of Institutional Mechanisms	154
A. The Need of Institutional Mechanisms	154
B. Options for the Establishment of Institutional Mechanisms	155
C. Analysis of Provisions on Institutional Mechanisms	158
1. Institutional Mechanisms in Enforcing Fisheries Subsidies Regulations	159
a. "Peer Review" in the FAO	159
b. Issues with Dissimilar Memberships between the WTO and FAO	159
2. Institutional Mechanisms in Dispute Settlement	161
VII. Provisions on Notifications and Surveillance	163
VIII. Conclusion	164

Chapter 4: Regulations of Fisheries Subsidies under the European Union Regime and Comparison with the Fisheries Subsidies Regulations in the WTO Chair's Text	167
I. Introduction	167
II. The State of Fishing Industries and Fisheries Resources in the European Union	168
A. The European Union as a Major Fish Producer, Catcher and Importer	168
B. Overfished State of Fish Stocks in the European Waters	168
C. Overcapacity of the European Fishing Fleets	169
D. Subsidies to the European Fishing Industries	170
III. Common Fisheries Policy as the European Fisheries Management Instrument	170
A. The 2002 Reform of Common Fisheries Policy	170
B. Outcome of the 2002 Reform of Common Fisheries Policy	171
C. Outlook for the 2012 Reform of Common Fisheries Policy	172
IV. Regulations on Fisheries Subsidies in the European Union	173

A. State Aid to the Fisheries Sector in the European Union	173
1. State Aid Control.....	173
2. State Aid Control to the Fisheries and Aquaculture Sector.....	173
a. Legal Basis	173
b. Guidelines.....	176
c. Exemptions from the Prior Notification Requirements	178
(1) Block Exemption Regulation for Fisheries.....	178
(2) <i>De Minimis</i> Aid in the Fisheries Sector	179
B. Structural Assistance to the Fisheries Sector in the European Union	179
1. Structural Policy in the Fisheries Sector	179
2. Structural Assistance between 1971 and 1993	180
3. Structural Assistance between 1994 and 2006	181
4. European Fisheries Fund.....	183
a. The Nature of the European Fisheries Fund	183
b. Comparison of the European Fisheries Fund.....	184
(1) A Comprehensive Policy	184
(2) A Unified Assistance Programme.....	184
c. Temporary Specific Action to Deal with the Economic Crisis.....	185
(1) Financing temporary cessation of fishing activities.....	186
(2) Investments in fuel-efficiency equipment.....	186
(3) Socio-economic compensation	186
(4) Pilot projects	186
(5) Other actions	186
d. Challenges of the European Fisheries Fund	187
(1) The Need for More Appropriate Budget Allocations.....	187
(2) The Need for More Compliance with the CFP Reform in 2002	187
V. Comparison between the EU Regime and the Proposed WTO Regulations.....	188
A. The Effect of the WTO Agreements on the European Union Regime.....	188
B. Provisions of Structural Assistance	190
C. Bilateral Fisheries Agreements	191
VI. Conclusion.....	192
Conclusion	193
Attachments	195
Bibliography.....	225
