Part I Prevention of Sudden Cardiac Arrest in Athletes: Application of appropriate cardiac evaluation and treatments

- 1 Sudden Cardiac Death in Athletes: Scope of the Problem and Emergency Response..... 3**
Eric E. Coris, Steve Walz, Anne B. Curtis,
Frances Sahebzamani, and Kira Zwygart
- 2 Cardiovascular Screening of Athletes: Focused Exam, Electrocardiograms, and Limited Echocardiograms 23**
Christine E. Lawless
- 3 Echocardiography and Advanced Cardiac Imaging in Athletes 45**
Aaron L. Baggish, Kibar Yared, Malissa J. Wood, and Adolph M. Hutter
- 4 Exercise Training and Prescription..... 63**
Steven J. Keteyian and John R. Schairer
- 5 Role of Genetic Testing for Sudden Death Predisposing Heart Conditions in Athletes..... 85**
Andrew P. Landstrom, David J. Tester, and Michael J. Ackerman

Part II The Athlete with Signs and Symptoms

- 6 Shortness of Breath..... 103**
Jonathan P. Parsons
- 7 Chest Pain in the Athlete: Differential Diagnosis, Evaluation, and Treatment 115**
John M. MacKnight and Dilaawar J. Mistry
- 8 The Collapsed Athlete..... 141**
Sanjeev Malik, George Chiampas, and William O. Roberts

9	Syncope/ Presyncope in the Competitive Athlete.....	163
	Chad A. Asplund, Francis G. O'Connor, and Benjamin D. Levine	
10	Electrophysiological Approach to Syncope and Near-Syncope in the Athlete	181
	Rakesh Gopinathannair and Brian Olshansky	
11	Heart Murmurs.....	213
	Robert E. Poley and Bryan M. White	
12	Management of Hypertension in Athletes	235
	Shafeeq Ahmed and Paul D. Thompson	
Part III Specific Cardiac Diseases and Return to Play Decisions in Athletes		
13	Hypertrophic Cardiomyopathy	249
	Paul Sorajja and Steve R. Ommen	
14	Commotio Cordis: Practical Aspects in Sports.....	269
	Mark S. Link	
15	Coronary Artery Anomalies and Sports Activities.....	277
	Paolo Angelini	
16	Participation in Sports for the Athlete with the Marfan Syndrome	299
	Marla Mendelson	
17	Congenital Heart Disease: Exercise and Sports Participation.....	313
	Marla Mendelson	
18	Athlete with a Device: Implantable Cardioverter Defibrillators and Pacemakers.....	333
	Rachel Lampert and J. Philip Saul	
19	Long QT Syndrome and Other Channelopathies	345
	Iwona Cygankiewicz and Wojciech Zareba	
20	Cardiac Effects of Ergogenic Aides and Supplements	371
	Holly J. Benjamin and Joseph A. Congeni	
21	Return-to-Play Decisions in Athletes with Cardiac Conditions: Guidelines and Considerations.....	387
	Christine E. Lawless	
	Index.....	403

Sports Cardiology Essentials

Evaluation, Management and Case Studies

Lawless, C.E. (Ed.)
