

Contents

Part I Introduction

| | |
|--|-----------|
| 1 Introduction | 3 |
| Adam J. Cohen and David A. Weinberg | |
| 2 The History of Ptosis Surgery | 5 |
| Mithra O. Gonzalez and Vikram D. Durairaj | |
| 3 Eyelid Anatomy and Physiology with Reference to Blepharoptosis..... | 13 |
| Jonathan J. Dutton and Bartley R. Frueh | |

Part II Approach to the Ptosis Patient

| | |
|---|-----------|
| 4 Risk Factor Assessment Prior to Ptosis Surgery | 29 |
| David I. Silbert | |
| 5 Ptosis: Nailing the Diagnosis and Considering the Differential Diagnosis | 37 |
| Geoff Wilcsek and Ian C. Francis | |
| 6 Preoperative Decision Making in Ptosis Surgery | 49 |
| Chris Thiagarajah and Robert Kersten | |

Part III Ptosis Subtypes

| | |
|-------------------------------------|-----------|
| 7 Pseudoptosis..... | 61 |
| Adam J. Cohen and David A. Weinberg | |
| 8 Congenital Ptosis..... | 67 |
| Edward J. Wladis and Dale R. Meyer | |
| 9 Involutional Ptosis..... | 73 |
| Jose Luis Tovilla | |

| | | |
|--------------------------|--|-----|
| 10 | Myogenic Ptosis | 79 |
| | Natan D. Kahn and David A. Weinberg | |
| 11 | Myasthenia Gravis | 107 |
| | Ippolit C. A. Matjucha | |
| 12 | Neurogenic Blepharoptosis | 115 |
| | Jonathan W. Kim | |
| 13 | Traumatic Blepharoptosis | 129 |
| | Nariman S. Boyle and Eli L. Chang | |
| 14 | Anophthalmic Ptosis | 141 |
| | Ann P. Murchison and Jurij R. Bilyk | |
| 15 | Lash Ptosis | 147 |
| | Renzo A. Zaldívar, Michael S. Lee, and Andrew R. Harrison | |
| Part IV Treatment | | |
| 16 | The Nonsurgical Treatment of Ptosis | 155 |
| | Ippolit C. A. Matjucha | |
| 17 | External Levator Resection | 163 |
| | Morris E. Hartstein, Natan D. Kahn, and David A. Weinberg | |
| 18 | Minimal Dissection, Small Incision Ptosis Correction | 175 |
| | Bartley R. Frueh | |
| 19 | Müller's Muscle-Conjunctival Resection (Posterior Approach) | 179 |
| | Adam J. Cohen and David A. Weinberg | |
| 20 | Open-Sky (Anterior Approach) Müller's Muscle Resection for the Correction of Blepharoptosis | 189 |
| | Heather Baldwin | |
| 21 | The Fasanella–Servat Procedure for Ptosis | 197 |
| | Kim Jebodhsingh, James Oestreicher, and John T. Harvey | |
| 22 | Full-Thickness Eyelid Resection for Blepharoptosis Correction | 207 |
| | Shu-Hong Chang and Norm Shorr | |
| 23 | Frontalis Suspension for the Correction of Blepharoptosis | 217 |
| | Eve E. Moscato and Stuart R. Seiff | |

Part V Other Considerations

| | |
|--|------------|
| 24 In-Office Surgery, Anesthesia, and Analgesia | 231 |
| C. Robert Bernardino | |
| 25 Ethnic and Gender Considerations in Ptosis Surgery | 243 |
| Jed Poll and Michael T. Yen | |
| 26 Aesthetic Considerations for the Ptosis Surgeon | 249 |
| Adam J. Cohen and David A. Weinberg | |
| 27 Challenging Ptosis Scenarios | 253 |
| John B. Holds, Adam G. Buchanan, Morris Hartstein, David A. Weinberg, and Adam J. Cohen | |
| 28 Ptosis Surgery: Comparing Different Surgical Techniques | 263 |
| Alon Skaat and Guy Jonathan Ben Simon | |
| 29 Ptosis Surgery Failure and Reoperation | 269 |
| Jill Melicher and Jefferey A. Nerad | |
| 30 Complications of Ptosis Repair: Prevention and Management..... | 275 |
| Milad Hakimbashi, Don O. Kikkawa, and Bobby S. Korn | |
| 31 Commentary: Perspective of a Risk Manager: 12 Steps of a Successful Surgical Encounter | 289 |
| John Shore | |
| 32 Conclusion | 301 |
| Adam J. Cohen and David A. Weinberg | |
| Index..... | 303 |

Evaluation and Management of Blepharoptosis

Cohen, A.J.; Weinberg, D.A. (Eds.)

2011, XX, 309 p. With online files/update., Hardcover

ISBN: 978-0-387-92854-8
