

C O N T E N T S

Foreword xi
About the Editors xiii

PART I INTRODUCTION

Chapter 1 **Evidence-Based Practices in Autism: Where We Started** 3

Brian Reichow and Fred R. Volkmar

Where We Started 4
What Is Evidence-Based Practice? 8
Previous Definitions of Evidence-Based Practice Applied to Research in Autism 10
Conclusion 17

Chapter 2 **Development, Procedures, and Application of the Evaluative Method for Determining Evidence-Based Practices in Autism** 25

Brian Reichow

Background 25
Research Report Rigor 26
Research Report Strength Ratings 30
Criteria for Levels of EBP 31
Application of the EBP Status Formula and EBP Criteria 33
Discussion 35
Appendix A: Rating Form for Studies Using Group Research Design Studies 38
Appendix B: Rating Form for Studies Using Single Subject Experimental Designs 38
Appendix C: EBP Status Worksheet 39

Chapter 3

On the Reliability and Accuracy of the Evaluative Method for Identifying Evidence-Based Practices in Autism 41

Domenic V. Cicchetti

Introduction	41
The Kappa Statistic Defined	42
Kappa Paradoxes	43
Assessing the Validity of the Evaluative Method for Providing Evidence of EBP in Autism	46
The Mathematical Relationship Between Inter-rater Reliability and Predictive Validity	48
Comparing the Youden and Dom-Index Values of Kappa to Cohen's Kappa	49
Conclusion	50

PART II

TREATMENT REVIEWS

Chapter 4

Evidence-Based Treatment of Behavioral Excesses and Deficits for Individuals with Autism Spectrum Disorders 55

*Michael D. Powers, Mark J. Palmieri, Kristen S. D'Eramo,
and Kristen M. Powers*

Introduction	55
Evidence-Based Components of Intervention	57
Functional Behavior Assessment	59
Functional Communication Training	68
Noncontingent Reinforcement	70
Behavioral Momentum	74
Behavioral Treatment of Sleep Problems in Individuals with Autism Spectrum Disorder	77
Other Evidence-Based Practices for Treating Problem Behavior in individuals with Autism Spectrum Disorders	86
Conclusion	86

Chapter 5

Evidence-Based Treatments in Communication for Children with Autism Spectrum Disorders 93

Patricia A. Prelock, Rhea Paul, and Elizabeth M. Allen

Introduction	93
Prelinguistic Communication	94
Early Language Level	123
The Acquisition of Language	141
Conclusion	158

Chapter 6

Treatments to Increase Social Awareness and Social Skills 171

Suzannah J. Ferraioli and Sandra L. Harris

Introduction	171
Joint Attention	172
Imitation	174
Peer Training	178
Social Stories	182
Teaching Social Skills and Social Cognition in Groups	185
Conclusion	192

Chapter 7

Cognitive Behavioral Therapy in High-Functioning Autism: Review and Recommendations for Treatment Development 197

Jeffrey J. Wood, Cori Fujii, and Patricia Renno

Introduction	197
Psychiatric Comorbidity in ASD	200
A Review of CBT and Related Mental Health Treatments in ASD	201
CBT in Autism Treatment: Future Directions	219
Conclusion	226

Chapter 8

Psychopharmacology in Children with PDD: Review of Current Evidence 231

Lawrence Scahill and Susan Griebell Boorin

Introduction	231
Hyperactivity	232
Repetitive Behavior	235
Serious Maladaptive Behavior	237

Chapter 9
Interventions That Address Sensory Dysfunction for
Individuals with Autism Spectrum Disorders: Preliminary
Evidence for the Superiority of Sensory Integration Compared to
Other Sensory Approaches 245

Roseann C. Schaaf

Introduction 245
 What Is Sensory Dysfunction in ASD? 246
 Interventions to Address Sensory Dysfunction 247
 Evidence for the Sensory-Integrative Approach 249
 Evidence for Specific Sensory Techniques 256
 Conclusion 269

Chapter 10
Dietary, Complementary, and Alternative Therapies 275

Susan L. Hyman and Susan E. Levy

Introduction 275
 Epidemiology of CAM 276
 Decision to Use CAM for Symptoms of ASD 276
 Evaluation of CAM Therapies 276
 Evidence for Common CAM Treatments 279
 Conclusion 287

PART III
RESEARCH TO PRACTICE

Chapter 11
The Role of Adaptive Behavior in Evidence-Based Practices for ASD:
Translating Intervention into Functional Success 297

Katherine D. Tsatsanis, Celine Saulnier, Sara S. Sparrow,
and Domenic V. Cicchetti

Introduction 297
 Adaptive Behavior 298
 Evidence-Based Practices in Adaptive Behavior Intervention 300
 Adaptive Behavior: A Fundamental Component of the Treatment Process 300
 Adaptive Behavior as a Measure of Outcome 303
 Conclusion 305
 Appendix: Vineland-II 307

Chapter 12

Practicing Evidence-Based Practices 309

Ruth Blennerhassett Eren and Pamela Owen Brucker

Introduction	309
Professional Preparation or Training for Teacher Certification	312
In-service Training	315
The Teaming Process	318
Conclusion	324
Appendix 1: Initial Knowledge and Skill Set: Teachers of Individuals with Developmental Disabilities/Autism	327
Appendix 2: Advanced Knowledge and Skill Set: Developmental Disabilities/ Autism Specialist	334
Appendix 3: Sample Team Meeting Notes	338
Appendix 4: Sample Educational Matrix	339
Appendix 5: Sample Curriculum Template	340
Appendix 6: Sample Ecological Inventory	341

Chapter 13

The Implementation of Evidence-Based Practices in Public Schools 343

Peter Doehring and Vincent Winterling

Introduction	343
The Delaware Autism Program	344
Defining EBP for Educators	345
Identifying Broad and Individualized EBP	347
Implementing EBP	355
Case Study: Adopting a Proactive Approach to Behavior Support	357
Conclusion	360

Chapter 14

Evidence-Based Practices in Autism: Where We Are Now and Where We Need to Go 365

Fred R. Volkmar, Brian Reichow, and Peter Doehring

Where We Are Now	366
Treatment Research and Evaluation	367
The Gap Between Research and Practice	373
Where We Need to Go	375
Final Thoughts	382
Appendix: Research Databases for Information on Autism Treatments	390
<i>Index</i>	393

Evidence-Based Practices and Treatments for Children
with Autism

Reichow, B.; Doehring, P.; Cicchetti, D.V.; Volkmar, F.R.
(Eds.)

2011, XVIII, 408 p. 4 illus., Hardcover

ISBN: 978-1-4419-6973-6
