

Table of Contents

1	Introduction to Navigation	1
1.1	Introduction	1
1.2	Outdoor Navigation	4
1.3	Indoor Navigation	7
1.4	Outdoor vs. Indoor Navigation	10
1.5	Shortcomings	13
1.6	Universal Navigation	14
1.7	Summary	16
	Further Readings	16
2	Outdoor Navigation	17
2.1	Introduction	17
2.2	Technologies	18
2.2.1	Geo-positioning	19
2.2.2	Wireless Communication	23
2.2.3	Database	24
2.3	Functions	35
2.4	Static and Dynamic Navigation	45
2.5	User	45
2.6	Summary	49
	Further Readings	51
3	Indoor Navigation	59
3.1	Introduction	59
3.2	Technologies	60
3.2.1	Geo-positioning	60
3.2.2	Wireless Communication	61
3.2.3	Database	62
3.3	Functions	68
3.4	User	71
3.5	Summary	72
	Further Readings	72

4 Universal Navigation	75
4.1 Introduction	75
4.2 Ontology.....	75
4.3 Features	78
4.4 Architecture	79
4.5 Summary	87
Further Readings	87
5 Anywhere Navigation.....	89
5.1 Introduction.....	89
5.2 Ontology.....	89
5.3 Analysis.....	92
5.4 Algorithms.....	94
5.4.1 Outdoor-Indoor Algorithm.....	96
5.4.2 Indoor-Outdoor Algorithm.....	96
5.5 Summary	103
Further Readings	103
6 Anytime Navigation	105
6.1 Introduction.....	105
6.2 Ontology.....	107
6.3 Requirements.....	107
6.4 Algorithm	109
6.5 Summary	113
Further Readings	113
7 Anyuser Navigation.....	115
7.1 Introduction.....	115
7.2 Ontology.....	117
7.3 Requirements.....	119
7.4 Algorithms.....	123
7.5 Summary	127
Further Readings	128
8 Social Navigation Networks	135
8.1 Introduction.....	135
8.2 Location-Based Social Networks.....	135
8.3 Ontology.....	137
8.4 Network.....	137
8.5 Algorithms.....	138
8.6 SoNavNet.....	142
8.7 Model-Centric vs. Experience-Centric Navigation.....	142
8.8 Summary	155
Further Readings	157

Universal Navigation on Smartphones

Karimi, H.A.

2011, X, 157 p., Hardcover

ISBN: 978-1-4419-7740-3
