

Contents

Part I Introduction and Review

| | |
|--|---|
| Coordination of Supply Chains with Risk-Averse Agents | 3 |
| Xianghua Gan, Suresh P. Sethi, and Houmin Yan | |

| | |
|--|----|
| Addendum to “Coordination of Supply Chains with Risk-Averse Agents” by Gan, Sethi, and Yan (2004) | 33 |
| Xianghua Gan, Suresh P. Sethi, and Houmin Yan | |

| | |
|---|----|
| A Review on Supply Chain Coordination: Coordination Mechanisms, Managing Uncertainty and Research Directions | 39 |
| Kaur Arshinder, Arun Kanda, and S.G. Deshmukh | |

| | |
|--|----|
| Control Policies for Multi-echelon Inventory Systems with Stochastic Demand | 83 |
| Qinan Wang | |

| | |
|--|-----|
| Supply Chain Models with Active Acquisition and Remanufacturing ... | 109 |
| Xiang Li and Yongjian Li | |

Part II Analytical Models for Innovative Coordination under Uncertainty

| | |
|---|-----|
| Facilitating Demand Risk-Sharing with the Percent Deviation Contract | 131 |
| Matthew J. Drake and Julie L. Swann | |

| | |
|---|-----|
| Value-Added Retailer in a Mixed Channel: Asymmetric Information and Contract Design | 165 |
| Samar K. Mukhopadhyay, Xiaowei Zhu, and Xiaohang Yue | |
| Capacity Management and Price Discrimination under Demand Uncertainty Using Option Contracts | 189 |
| Fang Fang and Andrew Whinston | |
| Dynamic Procurement, Quantity Discounts, and Supply Chain Efficiency | 219 |
| Feryal Erhun, Pinar Keskinocak, and Sridhar Tayur | |
| Coordination of the Supplier–Retailer Relationship in a Multi-period Setting: The Additional Ordering Cost Contract | 235 |
| Nicola Bellantuono, Ilaria Giannoccaro, and Pierpaolo Pontrandolfo | |
| Use of Supply Chain Contract to Motivate Selling Effort | 255 |
| Samar K. Mukhopadhyay and Xuemei Su | |
| Price and Warranty Competition in a Duopoly Supply Chain | 281 |
| Santanu Sinha and S.P. Sarmah | |
| Supply Chain Coordination for Newsvendor-Type Products with Two Ordering Opportunities | 315 |
| Yong-Wu Zhou and Sheng-Dong Wang | |
| Part III Channel Power, Bargaining and Coordination | |
| Bargaining in a Two-Stage Supply Chain Through Revenue-Sharing Contract | 347 |
| Jing Hou and Amy Z. Zeng | |
| Should a Stackelberg-Dominated Supply-Chain Player Help Her Dominant Opponent to Obtain Better System-Parameter Knowledge? | 379 |
| Jian-Cai Wang, Amy Hing-Ling Lau, and Hon-Shiang Lau | |
| Supply Chain Coordination Under Demand Uncertainty Using Credit Option | 403 |
| S. Kamal Chaharsooghi and Jafar Heydari | |
| Supply Chain Coordination Under Consignment Contract with Revenue Sharing | 427 |
| Sijie Li, Jia Shu, and Lindu Zhao | |

Part IV Technological Advancements and Applications in Supply Chain Coordination

| | |
|---|------------|
| DEAL: A Heuristic Approach for Collaborative Planning in Detailed Scheduling | 457 |
|---|------------|

J. Benedikt Scheckenbach

| | |
|--|------------|
| Inventory Record Inaccuracy, RFID Technology Adoption and Supply Chain Coordination | 483 |
|--|------------|

H. Sebastian Heese

| | |
|---|------------|
| Possibilistic Mixed Integer Linear Programming Approach for Production Allocation and Distribution Supply Chain Network Problem in the Consumer Goods Industry | 505 |
|---|------------|

Bilge Bilgen

| | |
|---|------------|
| Coordination of Converging Material Flows Under Conditions of Uncertainty in Supply Chains | 525 |
|---|------------|

Liesje De Boeck and Nico Vandaele

Part V Empirical Analysis and Case Studies

| | |
|---|------------|
| Bioenergy Systems and Supply Chains in Europe: Conditions, Capacity and Coordination | 545 |
|---|------------|

Kes McCormick

| | |
|--|------------|
| Three Is a Crowd? On the Benefits of Involving Contract Manufacturers in Collaborative Planning for Three-Echelon Supply Networks | 563 |
|--|------------|

Henk Akkermans, Kim van Oorschot, and Winfried Peeters

| | |
|---|------------|
| Managing IT Suppliers: A Capability-Based Approach | 599 |
|---|------------|

Carlos Brito and Mafalda Nogueira

| | |
|---|------------|
| Methodology for Assessing Collaboration Strategies and Incentives in the Pulp and Paper Industry | 625 |
|---|------------|

Nadia Lehoux, Sophie D'Amours, and André Langevin

| | |
|--------------------|------------|
| Index | 651 |
|--------------------|------------|
