

# Contents

## Part I Growth

- 1 Normal and Abnormal Growth of Spine** ..... 3  
Ilkka J. Helenius

## Part II Evaluation

- 2 Clinical Evaluation**..... 17  
Dror Ovadia
- 3 Radiologic Evaluation of Non-Idiopathic Early Onset Spine Deformities**..... 25  
Jorge Mineiro

## Part III Deformities

- 4 Congenital Deformities of the Spine**..... 45  
Athanasios I. Tsirikos
- 5 Neuromuscular Spine Deformities** ..... 73  
Carol-Claudius Hasler
- 6 Cerebral Palsy** ..... 77  
Freeman Miller
- 7 Duchenne's Muscular Dystrophy and Spinal Muscular Atrophy** ..... 87  
Dietrich Schlenzka
- 8 Other Neuromuscular Disorders with Scoliosis** ..... 97  
Carol-Claudius Hasler

## Part IV Management

- 9 Delaying Tactics: Traction, Casting, and Bracing**..... 109  
Charles E. Johnston II
