

Contents

Part I Biology, History, Geographical Distribution and Status, from Past to Present

- 1 Brief Introduction to Sturgeon with a Special Focus
on the European Sturgeon, *Acipenser sturio* L. 1758** 3
P. Williot, E. Rochard, N. Desse-Berset, J. Gessner, and F. Kirschbaum
- 2 Cytogenetics as a Tool for an Exploration of *A. sturio* Status
Within Sturgeons** 13
Francesco Fontana
- 3 Discrimination of *Acipenser sturio*, *Acipenser oxyrinchus*
and *Acipenser naccarii* by Morphology of Bones and Osteometry** ... 23
Nathalie Desse-Berset
- 4 Morphological Distinction Between Juvenile Stages
of the European Sturgeon *Acipenser sturio* and the Atlantic
Sturgeon *Acipenser oxyrinchus*** 53
Sven Wuertz, Stefan Reiser, Jörn Gessner, and Frank Kirschbaum
- 5 Ontogeny of the European Sturgeon, *Acipenser sturio*** 65
Frank Kirschbaum and Patrick Williot
- 6 An Overview on Geographical Distribution
from Past Descriptions** 81
Géraldine Lassalle, M. Béguer, and E. Rochard

7	Ancient Sturgeon Populations in France Through Archaeozoological Remains, from Prehistoric Time Until the Eighteenth Century	91
	Nathalie Desse-Berset	
8	Palaeogeographic Patterns of <i>A. sturio</i>	117
	Olivier Chassaing, Nathalie Desse-Berset, Marilyne Duffraisie, Gaël Piquès, Catherine Hänni, and Patrick Berrebi	
9	Sturgeon in Iberia from Past to Present	131
	Arne Ludwig, Arturo Morales-Muñiz, and Eufrasia Roselló-Izquierdo	
10	Biological Cycles and Migrations of <i>Acipenser sturio</i>	147
	M.L. Acolas, G. Castelnaud, M. Lepage, and E. Rochard	
11	Habitat, Movements and Feeding of Juvenile European Sturgeon (<i>Acipenser sturio</i>) in Gironde Estuary	153
	Laurent Brosse, Catherine Taverny, and Mario Lepage	
12	Characteristics of the Reproductive Cycle of Wild <i>Acipenser sturio</i>	165
	Patrick Williot, Thierry Rouault, Rémi Brun, and Jörn Gessner	
13	Sturgeon Fishing, Landings, and Caviar Production During the Twentieth Century in the Garonne Basin and the Coastal Sea	177
	Gérard Castelnaud	
14	Historic Overview on the Status of the European Sturgeon (<i>Acipenser sturio</i>) and Its Fishery in the North Sea and Its Tributaries with a Focus on German Waters	195
	J. Gessner, S. Spratte, and F. Kirschbaum	
15	History of the Sturgeon in the Baltic Sea and Lake Ladoga	221
	Ryszard Kolman, Andrzej Kapusta, and Jacek Morzuch	
16	The Historical and Contemporary Status of the European Sturgeon, <i>Acipenser sturio</i> L., in Italy	227
	Paolo Bronzi, Giuseppe Castaldelli, Stefano Cataudella, and Remigio Rossi	
17	European Sturgeon, <i>Acipenser sturio</i> in Georgia	243
	Ryszard Kolman	

18 Present Legal Status of the European Sturgeon <i>Acipenser sturio</i> ...	251
E. Rochard	

Part II Iconography of the European Sturgeon

19 Iconography of the European Sturgeon in France	259
Nathalie Desse-Berset and Patrick Williot	

Part III Restoration: Conservation of *Acipenser sturio*, Scientific and Political Management

20 Historic Overview of the European Sturgeon <i>Acipenser sturio</i> in France: Surveys, Regulations, Reasons for the Decline, Conservation, and Analysis	285
Patrick Williot and Gérard Castelnaud	
21 Restoration of the European Sturgeon <i>Acipenser sturio</i> in Germany	309
Frank Kirschbaum, Patrick Williot, Frank Fredrich, Ralph Tiedemann, and Jörn Gessner	
22 Fishery By-Catch of European Sturgeon in the Bay of Biscay	335
M. Lepage and E. Rochard	
23 Age Assessment in European Sturgeon	343
Philippe Jatteau, E. Rochard, M. Lepage, and Christine Gazeau	
24 Tagging European and Atlantic Sturgeons in Europe	349
Philippe Jatteau, G. Castelnaud, E. Rochard, J. Gessner, and M. Lepage	
25 Mass Marking in European Sturgeon	357
Philippe Jatteau and Aude Lochet	
26 Sex Determination and Staging of Gonads	369
Patrick Williot	
27 Reproduction of Wild Brood Fish from Garonne Basin	383
Patrick Williot, Thierry Rouault, Rémi Brun, Marcel Pelard, and Daniel Mercier	
28 Preliminary Results on Larval Rearing the European Sturgeon, <i>Acipenser sturio</i>	395
P. Williot, T. Rouault, R. Brun, M. Pelard, and D. Mercier	

29	Post-release Monitoring Techniques	407
	M.L. Acolas, Charles Roqueplo, E. Rouleau, and E. Rochard	
30	Modelling the Future of Stocked Fish	417
	E. Rochard and Patrick Lambert	
31	Building a Brood Stock of <i>Acipenser sturio</i> in France	425
	Patrick Williot, Thierry Rouault, Rémi Brun, Marcel Pelard, Daniel Mercier, Louis Jacobs, and Frank Kirschbaum	
32	Reproduction of the Cultured Brood Fish	439
	Patrick Williot and Patrick Chèvre	
33	Recent Progress in Larval Rearing of the European Sturgeon, <i>Acipenser sturio</i>	449
	Patrick Chèvre, Julien Saint-Sevin, Daniel Mercier, Louis Jacobs, and Patrick Williot	
34	Genetic Variability of Cultured European Sturgeon <i>Acipenser sturio</i>	455
	Ralph Tiedemann, Anja Schneider, Patrick Williot, and Frank Kirschbaum	
35	Sperm Cryopreservation in Sturgeon with a Special Focus on <i>A. sturio</i>	465
	Ákos Horváth, Patrick Chèvre, and Béla Urbányi	
36	How Non-governmental Stakeholders Have Contributed to the Conservation Programme in France	477
	Didier Moreau	
37	Why, How and Results from an Awareness Campaign Within Marine Professional Fishermen for the Protection of Large Migratory Fish, the European Sturgeon <i>Acipenser sturio</i>	489
	Nicolas Michelet	
38	The French–German Cooperation: The Key Issue for the Success of the Preservation and Restoration of the European Sturgeon, <i>Acipenser sturio</i>, and Its Significance for Other Sturgeon Issues ...	499
	Patrick Williot and Frank Kirschbaum	

Part IV Restoration: Conservation Programmes of *Acipenser oxyrinchus*

- 39 Conservation and Restoration of *Acipenser oxyrinchus* in the USA** 517
John Waldman
- 40 Atlantic Sturgeon (*Acipenser oxyrinchus oxyrinchus*) Fishery Management in the St. Lawrence Estuary, Québec, Canada** 527
Guy Verreault and Guy Trencia
- 41 Remediation of Atlantic Sturgeon *Acipenser oxyrinchus* in the Oder River: Background and First Results** 539
Jörn Gessner, Gerd-Michael Arndt, Frank Fredrich, Arne Ludwig, Frank Kirschbaum, Ryszard Bartel, and Henning von Nordheim
- 42 The Past and Future of Sturgeons in Poland: The Genetic Approach** 561
Ana Stanković
- 43 Re-establishing the Atlantic Sturgeon (*Acipenser oxyrinchus oxyrinchus* Mitchill) in Poland** 573
Ryszard Kolman, Andrzej Kapusta, and Arkadiusz Duda

Part V Perspectives and Prospectives

- 44 Population Conservation Requires Improved Understanding of In Situ Life Histories** 585
M.L. Acolas, J. Gessner, and E. Rochard
- 45 Potential Effects of Forthcoming Climate Change and Biological Introductions on the Restoration of the European Sturgeon** 593
Géraldine Lassalle, M. Béguier, and E. Rochard
- 46 Population Viability Analysis of the European Sturgeon (*Acipenser sturio* L.) from the Gironde Estuary System** 603
Ivan Jarić, J. Knežević-Jarić, G. Cvijanović, and Mirjana Lenhardt
- 47 One Alternative to Germ Cells Cryopreservation: Cryobanking of Somatic Cells in Sturgeon** 621
Catherine Labbe, Alexandra Depince, Pierre-Yves Le Bail, and Patrick Williot

48	Some Ex-Situ-Related Approaches for Assessing the Biological Variability of <i>Acipenser sturio</i>	635
	Patrick Williot	

Part VI General Conclusions

49	What Is the Future for the European Sturgeon?	649
	Patrick Williot, Eric Rochard, Nathalie Desse-Berset, Jörn Gessner, and Frank Kirschbaum	

Index		663
