1 A Political Economy of Asbestos Disasters	1
Hiroyuki Mori	
1.1 The Impact of Asbestos Disasters.....	1
1.2 A Social Scientific Perspective on Asbestos Disasters	4
1.2.1 Complex-Stock Disasters	4
1.2.2 The Issue of Responsibility for Asbestos Disasters	6
1.3 An Economic Analysis of Occupational Safety and Health	7
1.3.1 The Labor Economics Approach	8
1.3.2 The Post-Keynesian Economics Approach	10
1.3.3 The Institutional Economics Approach.....	12
1.3.4 The Marxian Economics Approach	13
1.4 Toward a Political Economy of Asbestos Disasters.....	16
Notes	16
References.....	17
 2 An Exploration of Measures Against Industrial Asbestos Accidents	19
Kenichi Miyamoto	
2.1 Industrial Asbestos Accidents and the Status of Current Countermeasures	19
2.1.1 The Status of Asbestos Exposure and Relief Measures	19
2.1.2 Epidemiological Studies (and Projections)	28
2.1.3 Regulations and Follow-Up Countermeasures for Asbestos Businesses and Related Facilities	30
2.2 The Asbestos Crisis and Modern Political and Economic Systems	34
2.2.1 International Trends in Asbestos Use and Contamination	34
2.2.2 The Asbestos Crisis as a Product of Flaws in Modern Socioeconomic Systems	37

2.3	Responsibility for, and Relief from, Complex Stock Pollution	39
2.3.1	Judicial Relief and Administrative Relief: Experiences at the Country Level	39
2.3.2	Issues for Future Study.....	43
	Notes	45
	References.....	46
3	Why did the Asbestos Disaster Spread?	47
	Takehiko Murayama and Yuji Natori	
3.1	Introduction.....	47
3.2	Insufficient Application of Current Medical Knowledge of the Toxicity of Asbestos to Public Policies	47
3.2.1	Prewar.....	47
3.2.2	Postwar	48
3.3	Commitments of Governments and Industries.....	49
3.3.1	Prewar.....	49
3.3.2	Postwar	49
3.4	Cost of Asbestos Products	50
3.5	Information Manipulation and Abuse of the Knowledge Gap Among Stakeholders	51
	References.....	53
4	Asbestos Pollution and Its Health Effects: Asbestos-Related Diseases in Japan.....	55
	Kenji Morinaga and Yasushi Shinohara	
4.1	Introduction.....	55
4.2	Postwar Asbestos Use in Japan.....	55
4.3	Current Asbestos-Related Disease Trends.....	57
4.3.1	Types of Asbestos-Related Diseases	57
4.3.2	Pulmonary Asbestosis	58
4.3.3	Lung Cancer	60
4.3.4	Mesothelioma.....	61
4.3.5	Benign Asbestos Pleurisy.....	64
4.4	Workers Accident Insurance Compensation for Patients with Asbestos-Related Diseases	65
4.5	Relief Measures for Mesothelioma and Asbestos-Induced Lung Cancer Patients	68
4.5.1	Relief Benefits.....	68
4.5.2	Special Benefit for Bereaved Families	71
4.6	Concluding Remarks.....	72
	References.....	72

5 Mesothelioma Due to Neighborhood Asbestos Exposure: A Large-Scale, Ongoing Disaster Among Residents Living Near a Former Kubota Plant in Amagasaki, Japan	75
Norio Kurumatani and Shinji Kumagai	
5.1 Introduction.....	75
5.2 The Beginning.....	75
5.3 Proposal for an Epidemiological Survey	76
5.4 Interim Developments.....	77
5.5 Results of Epidemiological Survey.....	78
5.5.1 Confirmation of Asbestos Exposure and Underlying Cause of Death	78
5.5.2 Subjects for Analysis.....	79
5.5.3 Emitting Source of Crocidolite in the Study Area	81
5.5.4 Risk of Mesothelioma Among the Residents.....	82
5.6 Estimation of Asbestos Fiber Concentrations.....	87
5.7 Concluding Remarks.....	88
References.....	90
 6 Asbestos Disasters and Public Policy: From the Prewar Era Through the Postwar Economic Boom	 93
Hiroyuki Mori	
6.1 The Nexus of the Problem	93
6.2 A Shadow Player Behind the Development of Japan's Modern Industry.....	94
6.2.1 The Dawn of the Asbestos Industry	94
6.2.2 The Asbestos Industry and Wartime Economic Controls	96
6.2.3 The Asbestos Industry and Postwar Reconstruction	97
6.2.4 The Asbestos Industry and the Phase of Rapid Economic Growth.....	102
6.3 Policy Conflicts Within the Government.....	108
6.4. The Sennan District as a Center of the Japanese Asbestos Industry.....	110
6.4.1 Asbestos Textile Products: Their Purpose and Role	111
6.4.2 The Prestige of Sennan's Asbestos Textile Factories	112
6.4.3 Asbestos Product Manufacturing Processes in Sennan and Public Regulations.....	116
6.4.4 The Government and the Sennan District	121
6.5 Conclusions.....	122
Notes	123
References.....	125
