

Contents

1 Laetoli Revisited: Renewed Paleontological and Geological Investigations at Localities on the Eyasi Plateau in Northern Tanzania	1
Terry Harrison	
2 Paleontological Localities on the Eyasi Plateau, Including Laetoli.....	17
Terry Harrison and Amandus Kweka	
3 Sedimentology, Lithostratigraphy and Depositional History of the Laetoli Area.....	47
Peter Ditchfield and Terry Harrison	
4 ⁴⁰Ar/³⁹Ar Dating of Laetoli, Tanzania.....	77
Alan L. Deino	
5 Petrology, Geochemistry and Age of Satiman, Lemagurut and Oldeani: Sources of the Volcanic Deposits of the Laetoli Area.....	99
Godwin F. Mollé, Carl C. Swisher III, Mark D. Feigenson, and Michael J. Carr	
6 Geochemistry and Mineralogy of Laetoli Area Tuffs: Lower Laetolil through Naibadad Beds.....	121
Lindsay J. McHenry	
7 Geochemical and Mineralogic Characterization of Middle Stone Age Tools of Laetoli, Tanzania, and Comparisons with Possible Source Materials	143
Katherine A. Adelsberger, Karl R. Wirth, Audax Z. P. Mabulla, and Daniel C. Bowman	
8 The Ecology and Biogeography of the Endulen-Laetoli Area in Northern Tanzania.....	167
Peter Andrews, Marion K. Bamford, Efrem-Fred Njau, and Godson Leliyo	
9 Phytoliths and Pollen, the Microscopic Plant Remains in Pliocene Volcanic Sediments Around Laetoli, Tanzania	201
Lloyd Rossouw and Louis Scott	
10 Fossil Woods	217
Marion K. Bamford	
11 Fossil Leaves, Fruits and Seeds.....	235
Marion K. Bamford	

12	Serengeti Micromammal Communities and the Paleoecology of Laetoli, Tanzania.....	253
	Denné N. Reed	
13	The Taphonomy and Paleoenvironmental Implications of the Laetoli Micromammals.....	265
	Denné N. Reed and Christiane Denys	
14	Coprolites: Taphonomic and Paleoecological Implications.....	279
	Terry Harrison	
15	Stable Isotopic Analyses of Laetoli Fossil Herbivores	293
	John D. Kingston	
16	Feeding Ecology and Niche Partitioning of the Laetoli Ungulate Faunas	329
	Thomas M. Kaiser	
17	Paleoenvironments of Laetoli, Tanzania as Determined by Antelope Habitat Preferences	355
	Laura C. Bishop, Thomas W. Plummer, Fritz Hertel, and Kris Kovarovic	
18	Environmental Change within the Laetoli Fossiliferous Sequence: Vegetation Catenas and Bovid Ecomorphology	367
	Kris Kovarovic and Peter Andrews	
19	Large Mammal Evidence for the Paleoenvironment of the Upper Laetoli and Upper Ndolanya Beds of Laetoli, Tanzania.....	381
	Denise F. Su	
	Index.....	393

Paleontology and Geology of Laetoli: Human Evolution
in Context

Volume 1: Geology, Geochronology, Paleoecology and
Paleoenvironment

Harrison, T. (Ed.)

2011, XIV, 402 p., Hardcover

ISBN: 978-90-481-9955-6
