## Part I Scientific Basis

<b>1 Epidemiology .....</b>	<b>3</b>
Yannis Alamanos and Alexandros A. Drosos	
<b>2 Genetics, Genomics, and Proteomics of Sjögren's Syndrome .....</b>	<b>11</b>
Christopher J. Lessard, John A. Ice, Jacen Maier-Moore, Courtney G. Montgomery, Hal Scofield, and Kathy L. Moser	
<b>3 Pathogenetic Aspects of Primary Sjögren's Syndrome .....</b>	<b>33</b>
Athanasios G. Tzioufas, Efstathia K. Kapsogeorgou, Menelaos N. Manoussakis, and Haralampos M. Moutsopoulos	
<b>4 Primary Sjögren's Syndrome and Viruses.....</b>	<b>55</b>
Manuel Ramos-Casals, Albert Bové, Rafael Belenguer, Xavier Forns, and Salvatore deVita	
<b>5 Etiopathogenic Role of B Cells in Primary Sjögren's Syndrome .....</b>	<b>67</b>
Jacques-Olivier Pers, Sophie Hillion, Gabriel Tobón, Valérie Devauchelle, Alain Saraux, and Pierre Youinou	

## Part II Clinical Manifestations

<b>6 Oral Involvement.....</b>	<b>85</b>
Crispian Scully and Eleni A. Georgakopoulou	
<b>7 Ocular Involvement.....</b>	<b>107</b>
Stephen C. Pflugfelder, Karyn Siemasko, and Michael E. Stern	
<b>8 Ear, Nose, and Throat Manifestations of Sjögren's Syndrome.....</b>	<b>121</b>
Rohan R. Walvekar and Francis Marchal	
<b>9 Fatigue in Primary Sjögren's Syndrome.....</b>	<b>129</b>
Barbara M. Segal	
<b>10 Musculoskeletal Involvement .....</b>	<b>149</b>
Guillermo J. Pons-Estel, Bernardo A. Pons-Estel, and Graciela S. Alarcón	

<b>11 Non-Vasculitic Cutaneous Involvement .....</b>	<b>157</b>
Hobart W. Walling and Richard D. Sontheimer	
<b>12 Vasculitis and Sjögren's Syndrome.....</b>	<b>173</b>
George E. Fragoulis, Haralampos M. Moutsopoulos, and John H. Stone	
<b>13 Cardiovascular Involvement .....</b>	<b>185</b>
George E. Tzelepis, Clio P. Mavragani, and Haralampos M. Moutsopoulos	
<b>14 Pulmonary Involvement.....</b>	<b>195</b>
Clio P. Mavragani, George E. Tzelepis, and Haralampos M. Moutsopoulos	
<b>15 Raynaud's Phenomenon and Sjögren's Syndrome .....</b>	<b>209</b>
Fredrick M. Wigley	
<b>16 Gastrointestinal Involvement in Primary Sjögren's Syndrome.....</b>	<b>227</b>
Manuel Ramos-Casals, José Rosas, Roser Solans, Margit Zeher, and Peter Szodoray	
<b>17 Liver Involvement in Sjögren's Syndrome.....</b>	<b>237</b>
George E. Fragoulis, Fotini N. Skopouli, Carlo Selmi, and M. Eric Gershwin	
<b>18 Pancreatic Disease in Sjögren's Syndrome and IgG4-Related Disease.....</b>	<b>247</b>
Arezou Khosroshahi, John H. Stone, and Vikram Deshpande	
<b>19 Nephro-Urological Involvement.....</b>	<b>265</b>
Andreas V. Goules and Haralampos M. Moutsopoulos	
<b>20 Central Nervous System Involvement .....</b>	<b>281</b>
Stanley R. Pillemer, Aaron B. Mendelsohn, and Katrin E. Morgen	
<b>21 Peripheral Neuropathy .....</b>	<b>293</b>
Pantelis P. Pavlakis and Marinos C. Dalakas	
<b>22 Autonomic Neuropathy .....</b>	<b>303</b>
Thomas Mandl and Lennart Jacobsson	
<b>23 Endocrine Involvement.....</b>	<b>321</b>
Luis J. Jara, Gabriela Medina, Carmen Navarro, Olga Vera-Lastra, and Miguel A. Saavedra	
<b>24 Gynecological and Reproductive Complications in Primary Sjögren's Syndrome .....</b>	<b>333</b>
Andreas Goules and Athanasios G. Tzioufas	
<b>25 Laboratory Abnormalities in Primary Sjögren's Syndrome .....</b>	<b>347</b>
Pilar Brito-Zerón, Roberto Pérez-Alvarez, Marta Pérez-de-Lis, Carmen Hidalgo-Tenorio, and Manuel Ramos-Casals	

### Part III Diagnosis and Prognosis

<b>26 Diagnostic Procedures (I): Ocular and Oral Tests .....</b>	<b>369</b>
Gabriela Hernández-Molina, Francisco Cárdenas-Velazquez, Claudia Recillas-Gispert, and Jorge Sánchez-Guerrero	
<b>27 Diagnostic Procedures (II): Parotid Scintigraphy, Parotid Ultrasound, Magnetic Resonance, Salivary Gland Biopsy .....</b>	<b>383</b>
Gabriela Hernández-Molina, Eric Kimura-Hayama, María del Carmen Ávila-Casado, and Jorge Sánchez-Guerrero	
<b>28 Immunological Tests in Primary Sjögren Syndrome .....</b>	<b>401</b>
Soledad Retamozo, Pilar Brito-Zerón, Myriam Gandía, Lucio Pallarés, and Manuel Ramos-Casals	
<b>29 Classification Criteria .....</b>	<b>417</b>
Chiara Baldini, Rosaria Talarico, and Stefano Bombardieri	
<b>30 Measurement of Chronicity and Activity in Sjögren's Syndrome.....</b>	<b>429</b>
Claudio Vitali	
<b>31 Measurement of Quality of Life in Primary Sjögren's Syndrome.....</b>	<b>441</b>
Simon J. Bowman and Wan-Fai Ng	
<b>32 Sjögren's Syndrome and Associations with Other Autoimmune and Rheumatic Diseases .....</b>	<b>455</b>
James E. Peters and David A. Isenberg	
<b>33 Cancer .....</b>	<b>477</b>
Elke Theander and Eva Baecklund	
<b>34 Prognostic Factors and Survival .....</b>	<b>493</b>
Andreas V. Goules and Fotini N. Skopouli	
<b>35 Primary Sjögren Syndrome in Primary Health Care.....</b>	<b>501</b>
Antoni Sisó-Almirall, Jaume Benavent, Xavier Bosch, Albert Bové, and Manuel Ramos-Casals	

### Part IV Therapeutic Aspects

<b>36 Therapy of Oral and Cutaneous Dryness Manifestations in Sjögren's Syndrome .....</b>	<b>517</b>
Robert I. Fox and Carla M. Fox	
<b>37 Treatment of B-Cell Lymphoma .....</b>	<b>547</b>
Michael Voulgarelis and Haralampos M. Moutsopoulos	
<b>38 Classic Immunosuppressive and Immunomodulatory Drugs.....</b>	<b>565</b>
Clio P. Mavragani and Stuart S. Kassan	

<b>39 New Immunosuppressive Agents for the Treatment of Sjögren's Syndrome .....</b>	<b>571</b>
Steven Carsons	
<b>40 B-Cell-Targeted Therapies in Sjögren's Syndrome .....</b>	<b>579</b>
Xavier Mariette	
<b>41 Other Biological Therapies in Primary Sjögren's Syndrome .....</b>	<b>589</b>
Pilar Brito-Zerón, Cándido Diaz-Lagares, M. Jose Soto-Cárdenas, Manuel Ramos-Casals, and Munther A. Khamashta	
<b>42 Experimental Therapies in Sjögren's Syndrome .....</b>	<b>599</b>
Arjan Vissink, Hendrika Bootsma, Fred K.L. Spijkervet, and Cees G.M. Kallenberg	
<b>Index.....</b>	<b>617</b>

Sjögren's Syndrome

Diagnosis and Therapeutics

Ramos-Casals, M.; Stone, J.H.; Moutsopoulos, H.M.

(Eds.)

2012, XX, 633 p., Hardcover

ISBN: 978-0-85729-946-8
