## Part I Subfamily Orchidoideae (Part Two)

<b>1 Subtribes Goodyerinae and Cranichidinae .....</b>	<b>3</b>
Goodyerinae .....	3
<i>Goodyera</i> R. Brown (Rattlesnake Plantains) .....	3
Other Goodyerinae.....	14
<i>Zeuxine</i> Lindley .....	14
<i>Platythelys</i> Garay .....	15
Cranichidinae .....	15
<i>Ponthieva</i> R. Brown .....	15
References .....	16
<b>2 Subtribe Spiranthinae .....</b>	<b>19</b>
<i>Spiranthes</i> Richard (Ladies' -Tresses).....	19
Asexual Species or Populations .....	23
Distribution and Habitat.....	24
Floral Morphology .....	25
Compatibility and Breeding System .....	26
Fruiting Success and Limiting Factors .....	29
Sexual Species or Populations .....	30
Distribution and Habitat.....	31
Floral Morphology .....	31
Compatibility and Breeding System .....	31
Pollinators and Pollination Mechanisms.....	34
Fruiting Success and Limiting Factors .....	41
Additional Species of <i>Spiranthes</i> .....	44
Other Spiranthinae .....	44
<i>Dichromanthus</i> Garay .....	44
<i>Deiregyne</i> Schlechter .....	46

<i>Schiedeella</i> Schlechter .....	46
<i>Microthelys</i> Garay .....	47
References .....	47

## Part II Subfamily Epidendroideae

<b>3 Tribe Neottieae</b> .....	55
<i>Listera</i> R. Brown .....	55
<i>Listera cordata</i> (L.) R. Brown (Heart-Leaved Twayblade) .....	56
<i>Cephalanthera</i> Richard .....	63
<i>Cephalanthera austinae</i> (A. Gray) A. Heller (Phantom Orchid, Snow Orchid) .....	63
<i>Epipactis</i> Zinn .....	66
<i>Epipactis gigantea</i> Douglas ex Hooker (Giant Helleborine, Stream Orchid) .....	66
<i>Epipactis helleborine</i> (L.) Crantz (Broad-Leaved Helleborine) .....	71
References .....	78
<b>4 Tribe Triphoreae</b> .....	85
<i>Triphora</i> Nuttall .....	85
<i>Triphora trianthophora</i> (Swartz) Rydberg (Three Birds Orchid, Nodding Pogonia) .....	86
References .....	90
<b>5 Tribe Malaxideae</b> .....	91
<i>Malaxis</i> Solander ex Swartz .....	91
<i>Malaxis paludosa</i> (L.) Swartz (Bog Adder's-Mouth) (= <i>Hammarbya paludosa</i> (L.) Kuntze) .....	92
<i>Liparis</i> Richard .....	96
<i>Liparis liliifolia</i> (L.) Richard ex Lindley (Lily-Leaved Twayblade or Large Twayblade) .....	97
<i>Liparis loeselii</i> (L.) Richard (Loesel's Twayblade or Fen Orchid) .....	99
References .....	103
<b>6 Tribe Calypsoeae</b> .....	105
<i>Calypso</i> Salisbury .....	105
<i>Calypso bulbosa</i> (L.) Oakes (Calypso, Fairy Slipper) .....	106
<i>Tipularia</i> Nuttall .....	115
<i>Tipularia discolor</i> (Pursh) Nuttall (Crane-Fly Orchid) .....	116
<i>Corallorhiza</i> Gagnebin (Coral Roots) .....	122
<i>Aplectrum</i> Nuttall .....	132
<i>Aplectrum hyemale</i> (Muhlenberg ex Willdenow) Nuttall (Adam and Eve Orchid, Putty-Root) .....	132
References .....	135

<b>7 Tribes Cymbidieae and Epidendreae .....</b>	<b>141</b>
Cymbidieae .....	141
<i>Eulophia</i> R. Brown ex Lindley .....	141
Epidendreae.....	142
<i>Epidendrum</i> L. ....	143
Hexalectris Rafinesque.....	144
References.....	145
<b>8 Tribe Arethuseae (<i>Calopogon</i> R. Brown and <i>Arethusa</i> L.) and Subfamily Vanilloideae (Part One) (<i>Pogonia</i> Jussieu).....</b>	<b>147</b>
<i>Arethusa bulbosa</i> L. (Dragon's-Mouth), <i>Pogonia ophioglossoides</i> (L.) Ker Gawler (Rose Pogonia), and <i>Calopogon tuberosus</i> (L.) Britton, Sterns, and Poggenburg (Grass-Pink) .....	148
Distribution and Habitat.....	148
Floral Morphology .....	148
Compatibility and Breeding System.....	152
Pollinators and Pollination Mechanisms.....	154
Fruiting Success and Limiting Factors .....	159
Additional Species of <i>Calopogon</i> .....	160
References.....	162
 <b>Part III Subfamily Vanilloideae (Part Two)</b>	
<b>9 Tribe Pogonieae .....</b>	<b>167</b>
<i>Isotria</i> Rafinesque .....	167
<i>Isotria verticillata</i> (Muhlenberg ex Willdenow) Rafinesque (Large Whorled Pogonia) and <i>Isotria medeoloides</i> (Pursh) Rafinesque (Small Whorled Pogonia).....	168
<i>Cleisteslopsis</i> Pansarin and Barros .....	174
<i>Cleisteslopsis divaricata</i> (L.) Pansarin and Barros (Spreading Pogonia) and <i>Cleisteslopsis bifaria</i> (Fernald) Pansarin and Barros (Smaller Spreading Pogonia).....	174
References.....	181
 <b>Glossary .....</b>	<b>185</b>
 <b>Index.....</b>	<b>197</b>

The Pollination Biology of North American Orchids:

Volume 2

North of Florida and Mexico

Argue, C.L.

2012, IX, 202 p., Hardcover

ISBN: 978-1-4614-0621-1
