

Contents

1	Antifungal Agents	1
	Gerri S. Hall, Jennifer A. Sekeres, Elizabeth Neuner, and James O. Hall	
2	Antifungal Susceptibility Testing: Clinical Laboratory and Standards Institute (CLSI) Methods	65
	Annette W. Fothergill	
3	Antifungal Susceptibility Testing Methods: Non-CLSI Methods for Yeast and Moulds	75
	Audrey Wanger	
4	Susceptibility Testing of Dermatophytes.....	89
	David V. Chand and Mahmoud A. Ghannoum	
5	Usual Susceptibility Patterns of Common Yeasts.....	97
	Gerri S. Hall	
6	Usual Susceptibility Patterns of Common Moulds and Systemic Fungi	109
	Gerri S. Hall	
7	Usual Susceptibility Patterns for Systemic Dimorphic Fungi.....	125
	Gerri S. Hall	
8	Utility of Antifungal Susceptibility Testing and Clinical Correlations	131
	Daniel J. Diekema and Michael A. Pfaller	
	About the Editor	159
