## Contents

### **1 Normal Findings and Variations of the Urinary Tract**

Sang Youn Kim and Jeong Yeon Cho

Introduction .....	3
Illustrations .....	11

### **2 Congenital Anomalies of the Upper Urinary Tract**

Sung Il Jung and Jeong Yeon Cho

Introduction .....	55
Illustrations .....	59

### **3 Benign Renal Tumors**

Sung Il Hwang and Jung Suk Sim

Introduction .....	105
Illustrations .....	109

### **4 Malignant Renal Parenchymal Tumors**

Sun Ho Kim and Jung Suk Sim

Introduction .....	147
Illustrations .....	153

### **5 Urothelial Tumors of the Pelvocalyces and Ureter**

Sung Kyoung Moon and Jung Suk Sim

Introduction .....	255
Illustrations .....	259

### **6 Renal Cysts and Cystic Diseases**

Chan Kyo Kim and Bohyun Kim

Introduction .....	293
Illustrations .....	299

### **7 Pediatric Renal Masses**

Woo Sun Kim

Introduction .....	339
Illustrations .....	345

## 8 Renal Infection

Jeong Yeon Cho

Introduction .....	393
Illustrations .....	397

## 9 Urogenital Tuberculosis

Seong Kuk Yoon and Seung Hyup Kim

Introduction .....	425
Illustrations .....	429

## 10 Renal Papillary Necrosis

Dae Chul Jung and Seung Hyup Kim

Introduction .....	471
Illustrations .....	475

## 11 Renal Parenchymal Disease

See Hyung Kim and Bohyun Kim

Introduction .....	491
Illustrations .....	499

## 12 Nephrocalcinosis

Hak Jong Lee

Introduction .....	529
Illustrations .....	533

## 13 Urolithiasis

Young Taik Oh and Hak Jong Lee

Introduction .....	553
Illustrations .....	557

## 14 Obstructive Uropathy

Hak Jong Lee

Introduction .....	597
Illustrations .....	601

## 15 Vascular Diseases of the Kidney

Sung Il Jung and Seung Hyup Kim

Introduction .....	629
Illustrations .....	635

## 16 Renal Pelvis and Ureter

Hyuck Jae Choi and Jung Suk Sim

Introduction .....	691
Illustrations .....	695

**17 Urinary Bladder**

Deuk Jae Sung and Chang Kyu Sung

Introduction .....	721
Illustrations .....	729

**18 Urethral Diseases**

Chang Kyu Sung

Introduction .....	787
Illustrations .....	793

**19 Prostate**

Chan Kyo Kim and Jeong Yeon Cho

Introduction .....	825
Illustrations .....	835

**20 Imaging for Seminal Tracts**

Min Hoan Moon and Seung Hyup Kim

Introduction .....	887
Illustrations .....	891

**21 Scrotum**

Hyun Lee and Bohyun Kim

Introduction .....	907
Illustrations .....	913

**22 Varicocele**

Bum Sang Cho and Seung Hyup Kim

Introduction .....	979
Illustrations .....	983

**23 Erectile Dysfunction**

Seung Hyup Kim

Introduction .....	1001
Illustrations .....	1005

**24 Retroperitoneum**

Young Taik Oh and Seung Hyup Kim

Introduction .....	1039
Illustrations .....	1043

**25 Adrenal Gland**

Byung Kwan Park and Jung Suk Sim

Introduction .....	1119
Illustrations .....	1125

**26 Renal Trauma**

Cheong-Il Shin and Jung Suk Sim

Introduction .....	1157
Illustrations .....	1161

**27 Transplanted Kidneys**

Hyuck Jae Choi and Bohyun Kim

Introduction .....	1181
Illustrations .....	1187

**28 Pediatric Urinary Tract Infection and Related Conditions**

In-One Kim

Introduction .....	1207
Illustrations .....	1211

**29 Nonvascular Interventions of the Urinary Tract**

Chang Kyu Sung and Seung Hyup Kim

Introduction .....	1243
Illustrations .....	1249

**30 Renovascular Interventions**

Young Soo Do and Jin Wook Chung

Introduction .....	1297
Illustrations .....	1301
