

Contents

Chemistry, Properties, and Uses of Commercial Fluorinated Surfactants	1
Robert C. Buck, Peter M. Murphy, and Martial Pabon	
Perfluorinated Compounds: Occurrence and Uses in Products	25
Stefan Posner	
Mass Spectrometric Approaches to Reveal Biotransformation Products from Per- and Polyfluorinated Chemicals	41
Tobias Frömel and Thomas P. Knepper	
Sorption and Leaching Behavior of Perfluorinated Compounds in Soil	63
Vanessa Gellrich and Thomas P. Knepper	
Polyfluorinated Chemicals in European Surface Waters, Ground- and Drinking Waters	73
Christian Eschauzier, Pim de Voogt, Heinz-Jürgen Brauch, and Frank Thomas Lange	
Treatment Options for the Removal and Degradation of Polyfluorinated Chemicals	103
Holger Lutze, Stefan Panglisch, Axel Bergmann, and Torsten C. Schmidt	
Perfluorinated Compounds in Food	127
Marinella Farré, Marta Llorca, Sandra Pérez, and Damià Barceló	
Human Biomonitoring of Perfluorinated Compounds	155
Michael Wilhelm and Jürgen Hölzer	
Index	169

Polyfluorinated Chemicals and Transformation Products

Knepper, Th.P.; Lange, F.T. (Eds.)

2012, XIV, 174 p., Hardcover

ISBN: 978-3-642-21871-2
