# Contents

Preface .....	v
Brief contents .....	vii
Contents .....	ix
List of figures .....	xvii
List of insets .....	xxiii
0 Introduction .....	1
0.1 Internationalization of society and economy.....	1
0.2 Aims of the book and its target audience.....	1
0.3 Framework for going and being international .....	2
0.4 Overview of the book.....	5
0.5 Note to readers.....	7
Part I: Internationalization.....	9
1 Facts and figures about internationalization.....	11
1.1 Internationalization in general.....	11
1.2 Internationalization of the economy .....	15
2 Drivers of internationalization for companies .....	27
2.1 Framework for the internationalization of companies .....	27
2.2 Drivers of internationalization .....	28
2.3 External conditions for internationalization .....	34
2.4 Explanatory models for the internationalization of companies .....	39
Part II: Strategic planning in general and in the international context .....	45
3 Strategic planning in general.....	47
3.1 Strategies .....	47
3.2 Success potentials.....	49
3.3 Types of strategies and other strategic documents .....	53
3.4 Process of strategic planning .....	56
4 Strategic planning of a domestic company as the starting point for going international .....	65
4.1 Strategic planning as the starting point for going international for new markets .....	65
4.1.1 Preliminary remarks .....	65

4.1.2	Portfolio analysis .....	65
4.1.3	Growth options matrix .....	68
4.2	Strategic planning as the starting point for going international for production and sourcing.....	76
4.2.1	Preliminary remarks .....	76
4.2.2	Value chain analysis.....	76
4.2.3	Strategic cost analysis.....	83
4.2.4	Options for achieving cost competitiveness.....	84
5	Introduction to strategic planning in the international context .....	89
5.1	Preliminary remarks.....	89
5.2	Types of strategies and other strategic documents in the international context.....	89
5.3	Strategic planning processes in the international context.....	94
Part III: Strategies for going international for new markets .....		97
6	Evaluating new markets .....	99
6.1	Preliminary remarks.....	99
6.2	Criteria for evaluating new markets .....	100
6.3	Process for evaluating new markets.....	100
6.3.1	Overview of the process .....	100
6.3.2	Step 1: Producing an initial list of potential new markets .....	102
6.3.2.1	General considerations .....	102
6.3.2.2	Initial elimination criteria.....	103
6.3.2.3	The resulting initial list.....	106
6.3.3	Step 2: Eliminating the less attractive markets.....	107
6.3.3.1	Planning and carrying out the market search .....	107
6.3.3.2	Analyzing the data .....	107
6.3.3.3	Evaluating the markets and eliminating the less attractive ones .....	109
6.3.4	Step 3: Selecting the most attractive markets.....	112
6.3.4.1	Planning and carrying out the market search .....	112
6.3.4.2	Analyzing the data .....	113

	6.3.4.3 Evaluating the markets and selecting the most attractive ones.....	120
7	Evaluating market entry modes.....	123
7.1	Preliminary remarks and overview of the modes.....	123
7.2	Export.....	124
7.2.1	Overview .....	124
7.2.2	Indirect export.....	125
7.2.3	Direct export to the final customer .....	125
7.2.4	Direct export via a distributor .....	126
7.2.5	Direct export via an agent.....	128
7.2.6	Direct export with sales representatives.....	130
7.2.7	Direct export with a sales branch or a sales subsidiary .....	131
7.3	Entry modes with production in the host country .....	132
7.3.1	Preliminary remarks and overview .....	132
7.3.2	Licensing agreements .....	133
7.3.3	Wholly owned production subsidiary .....	137
7.3.4	Production joint venture.....	139
7.4	Franchising .....	140
7.5	Recommendations for evaluating market entry modes.....	143
7.5.1	Evaluation criteria.....	143
7.5.2	Conditions influencing the evaluation .....	144
7.5.3	Evaluation process .....	145
8	Developing an internationalization strategy for new markets .....	149
8.1	Overview of the process .....	149
8.2	Step 0: Preparing the strategy planning project.....	151
8.3	Step 1: Evaluating potential markets and selecting the most attractive ones .....	153
8.4	Step 2: Determining the market entry modes for the attractive markets .....	154
8.5	Step 3: Developing feasibility studies for entering the attractive country markets .....	156
8.6	Step 4: Developing the internationalization strategy.....	158
8.7	Step 5: Signing agreements with partners.....	162
8.8	Step 6: Developing the market entry programs .....	163

Part IV: Strategies for going international for production and sourcing .....	165
9 Evaluating new production and sourcing locations.....	167
9.1 Preliminary remarks.....	167
9.2 Criteria for evaluating new production and sourcing locations .....	167
9.2.1 Overview .....	167
9.2.2 Cost factors .....	170
9.2.3 Strategic factors .....	174
9.2.4 Political factors .....	177
9.2.5 Other factors.....	177
9.3 Process for evaluating new production and sourcing locations.....	180
9.3.1 Overview of the process.....	180
9.3.2 Step 1: Producing an initial list of potential country locations .....	181
9.3.3 Step 2: Eliminating the less attractive countries.....	182
9.3.4 Step 3: Selecting the most attractive country locations .....	184
10 Evaluating foreign operation modes.....	187
10.1 Preliminary remarks and overview of the operation modes.....	187
10.2 Sourcing from a trade company .....	189
10.3 Sourcing from an independent foreign manufacturer .....	190
10.4 Sourcing from a foreign contract manufacturer .....	192
10.4.1 General considerations about contract manufacturers .....	192
10.4.2 Processing trade as a particular form of contract manufacturing.....	196
10.4.3 Business process outsourcing as an extension of process manufacturing.....	198
10.5 Establishing own production abroad.....	199
10.5.1 Preliminary remarks and overview .....	199
10.5.2 Establishing a wholly owned foreign production facility.....	201
10.5.3 Establishing an international production joint venture.....	203
10.6 Recommendations for evaluating foreign operation modes.....	205

10.6.1	Evaluation criteria.....	205
10.6.2	Conditions influencing the evaluation .....	206
10.6.3	Evaluation process .....	207
11	Developing an internationalization strategy for production and sourcing .....	213
11.1	Overview of the process.....	213
11.2	Step 0: Preparing the strategy planning project.....	214
11.3	Steps 1a and 1b: Evaluating potential sourcing countries and operation modes .....	215
11.4	Step 2: Determining suitable location - operation mode combinations .....	216
11.4.1	Determining country - operation mode combinations .....	216
11.4.2	Identifying production and sourcing locations within the prospective countries .....	217
11.4.3	Identifying potential partners and suppliers in the prospective countries.....	219
11.4.4	Result of Step 2.....	220
11.5	Step 3: Developing feasibility studies for production and sourcing relocations.....	221
11.6	Step 4: Developing the internationalization strategy.....	226
11.7	Step 5: Signing agreements with partners.....	228
11.8	Step 6: Developing the production and sourcing relocation programs.....	228
	Part V: Strategies for being international.....	231
12	Determining the level of integration and responsiveness .....	235
12.1	Preliminary remarks.....	235
12.2	Three strategic orientations in the integration responsiveness framework.....	235
12.3	Recommendations for determining the level of integration and responsiveness.....	243
12.3.1	Conditions influencing the decision .....	243
12.3.2	Process for determining the level of integration and responsiveness.....	246
13	Defining the strategic businesses.....	249
13.1	The importance of defining the strategic businesses .....	249
13.2	Understanding strategic businesses.....	249
13.3	Process for defining the strategic businesses .....	254
13.4	Patterns of businesses in international companies.....	257

14	Defining the strategic objectives.....	261
14.1	Preliminary remarks.....	261
14.2	Dimensions of strategic objectives .....	261
14.3	Process of defining the strategic objectives.....	265
15	Determining the level of standardization and differentiation of market offers.....	273
15.1	Preliminary remarks.....	273
15.2	Particularities of international marketing.....	273
15.3	Basic options for international marketing.....	276
15.4	Benefits of standardization and differentiation.....	278
15.5	Hybrid strategies to combine the advantages of different basic options.....	281
15.5.1	Considering different product features .....	281
15.5.2	Considering different marketing mix elements.....	282
15.5.3	Considering the product and brand portfolio.....	283
15.5.4	Considering different market segments .....	290
15.6	Recommendations for determining the level of standardization and differentiation of market offers .....	292
15.6.1	Conditions influencing the decision .....	292
15.6.2	Process for determining the level of standardization and differentiation of market offers .....	294
16	Configuring the value creation process and determining the operation modes .....	297
16.1	Preliminary remarks.....	297
16.2	Configuring the value creation process .....	298
16.2.1	Configuring the value creation process as a two-dimensional problem.....	298
16.2.2	Basic production configurations.....	300
16.2.3	Trends .....	307
16.3	Determining the operation modes .....	309
16.3.1	Basic options .....	309
16.3.2	The operation mode as a dynamic phenomenon .....	312
16.3.3	Bundles of operation modes to optimally adapt to the specific situation .....	313
16.3.4	Standardization versus local adaptation in the operation mode decision .....	314
16.4	Recommendations for developing an operations strategy.....	317

16.4.1	The operations strategy as an approach to configuring the value creation process and determining the operation modes .....	317
16.4.2	Conditions influencing the decision .....	318
16.4.2.1	Conditions influencing the configuration of the value creation process.....	318
16.4.2.2	Conditions influencing the operation mode .....	320
16.4.3	Process for developing an operation strategy.....	320
17	The process of strategic planning in an international company .....	323
17.1	Preliminary remarks.....	323
17.2	Overview of the process .....	323
17.3	Step 0: Preparing the strategy planning project.....	325
17.4	Step 1: Carrying out strategic analyses .....	326
17.5	Step 2: Revising or producing the mission statement.....	328
17.6	Step 3: Developing the corporate strategy .....	329
17.6.1	Overview .....	329
17.6.2	Level of integration and responsiveness .....	330
17.6.3	Strategic businesses .....	331
17.6.4	Strategic objectives .....	334
17.6.5	Level of standardization and differentiation of market offers .....	335
17.6.6	Configuration of the value creation process and determination of the operation modes .....	336
17.6.7	Required business strategies and functional strategies.....	336
17.7	Step 4: Developing the business strategies.....	337
17.8	Step 5: Developing the functional strategies .....	341
17.9	Step 6: Determining the implementation programs .....	341
17.10	Step 7: Final assessment of strategies and implementation .....	343
17.11	Step 8: Formulating and approving the strategic documents.....	344
18	Closing remarks .....	347
	Index .....	349
	Bibliography.....	355
