## Part I Multiple Sclerosis: General Clinical Aspects

|  |           |
|--|-----------|
| <b>1 Introduction</b>  | <b>3</b>  |
| Silvia Romano, Carlo Caltagirone, and Ugo Nocentini                      |           |
| <b>2 Epidemiology</b>  | <b>7</b>  |
| Silvia Romano, Carlo Caltagirone, and Ugo Nocentini                      |           |
| <b>3 Clinical Presentation</b>   | <b>11</b> |
| Silvia Romano, Carlo Caltagirone, and Ugo Nocentini                      |           |
| <b>4 Etiopathogenesis</b>  | <b>21</b> |
| Silvia Romano, Carlo Caltagirone, and Ugo Nocentini                      |           |
| <b>5 Neuropathology</b>  | <b>27</b> |
| Silvia Romano, Carlo Caltagirone, and Ugo Nocentini                      |           |
| <b>6 The Diagnosis of Multiple Sclerosis</b>                             | <b>31</b> |
| Simona Bonavita and Gioacchino Tedeschi                                  |           |
| <b>7 Assessment Instruments</b>  | <b>37</b> |
| Silvia Romano, Carlo Caltagirone, and Ugo Nocentini                      |           |
| <b>8 Neuroimaging in Multiple Sclerosis</b>                              | <b>43</b> |
| Gioacchino Tedeschi, Renato Docimo, Alvino Bisecco,<br>and Antonio Gallo |           |
| <b>9 Therapy of Multiple Sclerosis</b>                                   | <b>65</b> |
| Alessandro d'Ambrosio and Simona Bonavita                                |           |
| <b>10 Rehabilitation in Multiple Sclerosis</b>                           | <b>77</b> |
| Ugo Nocentini and Carlo Caltagirone                                      |           |

## **Part II Psychiatric Disturbances in Multiple Sclerosis**

|   |     |
|---|-----|
| <b>11 Depression and Anxiety</b> . . . . .  | 85  |
| Alberto Siracusano, Cinzia Niolu, Lucia Sacchetti, and Michele Ribolsi              |     |
| <b>12 Bipolar Disorder and Mania</b> . . . . .                                      | 99  |
| Alberto Siracusano, Cinzia Niolu, Michele Ribolsi, and Lucia Sacchetti              |     |
| <b>13 Mood Dysfunctions in MS and Neuroimaging</b> . . . . .                        | 107 |
| Antonio Gallo, Rosaria Sacco, and Gioacchino Tedeschi                               |     |
| <b>14 Psychosis</b> . . . . .   | 113 |
| Patrizia Montella, Manuela de Stefano, Daniela Buonanno,<br>and Gioacchino Tedeschi |     |
| <b>15 Euphoria, Pathological Laughing and Crying</b> . . . . .                      | 121 |
| Silvia Romano and Ugo Nocentini   |     |
| <b>16 Emotions and Multiple Sclerosis</b> . . . . .                                 | 127 |
| Ugo Nocentini   |     |

## **Part III Cognitive Dysfunctions and Multiple Sclerosis**

|  |     |
|--|-----|
| <b>17 Cognitive Dysfunctions in Multiple Sclerosis</b> . . . . . | 133 |
| Ugo Nocentini, Silvia Romano, and Carlo Caltagirone              |     |
| <b>18 Conclusions</b> . . . . .                                  | 155 |
| Ugo Nocentini, Gioacchino Tedeschi, and Carlo Caltagirone        |     |
| <b>Index</b> . . . . .   | 159 |

Neuropsychiatric Dysfunction in Multiple Sclerosis

Nocentini, U.; Caltagirone, C.; Tedeschi, G. (Eds.)

2012, X, 163 p., Softcover

ISBN: 978-88-470-2675-9
