Preface	vii
Introduction	1
1. Grüss-and Čebyšev-type inequalities	7
1.1 Introduction	7
1.2 Grüss-type inequalities	7
1.3 Čebyšev-type inequalities	14
1.4 Inequalities of the Grüss- and Čebyšev-type	21
1.5 More inequalities of the Grüss-and Čebyšev-type	31
1.6 Discrete Inequalities of the Grüss-and Čebyšev-type	45
1.7 Applications	51
1.8 Miscellaneous inequalities	61
1.9 Notes	70
2. Multidimensional Grüss-Čebyšev and-Trapezoid-type inequalities	71
2.1 Introduction	71
2.2 Some Grüss-type inequalities in inner product spaces	71
2.3 Grüss-and Čebyšev-type inequalities in two and three variables	80
2.4 Trapezoid-type inequalities in two variables	93
2.5 Some multivariate Grüss-type integral inequalities	100
2.6 Multivariate Grüss-and Čebyšev-type discrete inequalities	107
2.7 Applications	114
2.8 Miscellaneous inequalities	125
2.9 Notes	130

3. Ostrowski-type inequalities	133
3.1 Introduction	133
3.2 Inequalities of the Ostrowski-type	133
3.3 Ostrowski-type inequalities involving the product of two functions	143
3.4 Inequalities of the Ostrowski-and Grüss-type	151
3.5 Further inequalities of the Ostrowski-type	163
3.6 Discrete Ostrowski-type inequalities	169
3.7 Applications	174
3.8 Miscellaneous inequalities	181
3.9 Notes	189
4. Multidimensional Ostrowski-type inequalities	191
4.1 Introduction	191
4.2 Ostrowski-type inequalities in two variables	191
4.3 Ostrowski-type inequalities in three variables	205
4.4 Ostrowski-type inequalities in several variables	217
4.5 More Ostrowski-type inequalities in several variables	222
4.6 Discrete inequalities of the Ostrowski-type in several variables	227
4.7 Applications	237
4.8 Miscellaneous inequalities	242
4.9 Notes	248
5. Inequalities via convex functions	249
5.1 Introduction	249
5.2 Integral inequalities involving convex functions	249
5.3 Further integral inequalities involving convex functions	257
5.4 Integral inequalities involving log-convex functions	261
5.5 Discrete inequalities involving log-convex functions	271
5.6 Discrete inequalities for differentiable convex functions	276
5.7 Applications	281
5.8 Miscellaneous inequalities	287
5.9 Notes	292
Bibliography	293
Subject Index	301
