

Contents

Part I Computer Engineering and Applications II

1	Efficient Mod Sum Labeling Scheme of Generalized Friendship Graph	3
	Duanyin Shi, Wenyu Li, Qiujie Zhang and Xiaoli Pan	
2	Revision Method of Man-Hour Quota Real-Time Optimization Based on the Moving Average	9
	Biao Meng and Xiewen Zhang	
3	Research and Implementation on the Combination of Art Design and Computer Mapping	15
	Xiao Zhao	
4	Service-Oriented Software Engineering Research and Application	21
	Zhiyong Li	
5	Study on Management Mode of Software Enterprise	29
	Jindong Wei	
6	Novel Metrics Formulate with Well-Initialized Setting	37
	Xiangyang You, Xiangsheng Rong, Fujiang Huo, Ming Xu and Yuanzheng Zhang	
7	Study of Quasi Natural Language Features of Advanced Computer Language	45
	Peilu Yang	

8	Measurement on Financial Risks Based on Catastrophe Model	53
	Chengyu Li	
9	Study on Coupling Model of Physical and Numerical Models in Estuarine Area	61
	Xiaofeng Luo, Chuanteng Lu and Zhichang Chen	
10	Study on Animation Engine Based on Frame Chain and Woodcut	67
	Shuang Zhang	
11	Component Semantic Dynamic Adaptation of Aspect-Oriented Programming	77
	Yejun Xu and Huacheng Qi	
12	Analysis of Electronic Weighing Instrument Fault Detection Method	85
	Xu Lu and Yongtao Cai	
13	Study on Start-Up and Operation of VSC-HVDC System.	91
	Pengfei Xu	
14	Research on Acceptance Degree of Harry Potter Series	99
	Jinxu Guo	
15	Sport Events Simulation Based on Virtual Reality Technology	107
	Wankai Fu	
16	Open Computer Laboratories Based on Desktop Virtualization Technology	115
	Guozhu Gao, Yuefeng Wang and Jianhong Yang	
17	Study of Sports Loading Analysis System Based on B/S Model	123
	Xin Li	
18	Implementation of Computer-Based Sport Training Based on Pedagogical Principles	129
	Xin Li	
19	Study of VIN Based on BP Neural Network Recognition	137
	Shengli Yang	

20	Project-Driving and Case Teaching Model in Software Engineering	145
	Yaomin Zhang	
21	Study on Large-Scale Embedded Databases Evolution	153
	Shuang Guo, Haiying Li, Chunfang Ding and Honghong Ren	
22	Study on Operating Mechanism of Military Auditing Immune System	159
	Qiang Yang, Hao Meng, Mingzong Ma and Zhenkai Xie	
23	Study on Precision Positioning Technology in Digital Tobacco Agriculture	167
	Tao Liu, Lei Bi, Hongtao Chen, Chunyang Qian and Ling Li	
24	Citation Graph Based Similarity Search Algorithm	175
	Ge Zhu	

Part II Engineering Management and Applications II

25	Study on Economic and Social Development of Ansai County and Tertiary Industry	185
	Ming Hu	
26	Occurrence and Potential Ecological Risk Assessment of Heavy Metals in the Farmland Soil	191
	Xiao-yu Wang, Li Li and Wei Zuo	
27	Cardboard Furniture Design Under Low Carbon Economy	199
	Xiaohui Wei	
28	Study on Influence of River Island on Distribution of Circulation in Curve and Branch Channel.	205
	Hong Li, Ping-Yi Wang, Wei Su, Gao-Shan Wang and Shu-Ping Ren	
29	Study on Waterway Regulation of Chaotiaomen Reach in the Three Gorges Reservoir Fluctuating Backwater Region.	213
	Jin-Chao He, Bishan Huang and Shiqiang Zhao	
30	Study on Countermeasures of in Low Carbon Economy.	223
	Jinjuan Ouyang	

31	Energy Efficient Design of High-Rise Office Building in Northwest China.	229
	Chao Chen, Fengrui Shao and Zhiyuan Ma	
32	New Mode of Parasites Experimental Teaching	239
	Fengying Zheng	
33	Sign Design for Prevention of Taking Pharmaceutical PTP by Accidental Mistake.	245
	Chong Guo	
34	Traffic Sign Detection Based on Shape Model	253
	Xulan Zhang, Dunxu Yang and Xiaofeng Du	
35	Design and Implementation on Second Stage Landscape Engineering	261
	Aobing Yuan and Lu Tian	
36	Research on Non-Agriculture Shift Confronting Rural Vulnerable Farmers in the Underdeveloped Areas.	269
	Junwei Liu	
37	Study on Energy Chemical Industry Clustering.	275
	Xirong Wang and Jiang Liu	
38	Furniture Design Based on Green Ecological Environment.	283
	Xin Zhang	
39	Research of Health-Related Quality of Life	291
	Yunming Li, Jun Tang, Changsheng Chen, Qianzhen Hua and Jianwen Gu	
40	Industrial Function and Development Strategy of Weifang Integrated Free Trade Zone	303
	Huicai Chen	
41	Research of Employment Ability of New-Generation Migrant Workers	311
	Junwei Liu	
42	Study on Book Number for Library Based on Fuzzy Recognition	317
	Juntao Bi	

43	Study on Park and Ride Management During the Periods of Major Events	325
	Jingya Chen, Shihao Fan, Shulong Zheng and Yuanjun Zhang	
44	Study on Ethical Design Concept for Display Design	333
	Liqing Ji	
45	Study of Construction Projects of Cost Pricing	341
	Yongjun Ma, Li Chen and Yurong Liu	
46	Study on Teaching of Structure Courses in Architecture Design	349
	Pinfeng Tan, Shulan Wang, Dong Liang, Shaowei Zhao and Ling Wang	
 Part III Knowledge Management and Applications		
47	Behavioral Psychology Research on Influence of Tourism Management Decision	357
	Jing Chen	
48	Tripartite Game Analysis of Enterprises in Choosing of Production Mode	365
	Honglei Tang	
49	Study of Landscape Ecological Pattern in Environmental Construction.	371
	Hai-feng Wang and Zhong-hua Peng	
50	Research of Influence on Shandong Social Sports with Guangzhou Asian Games.	381
	Yu Jiang	
51	Analysis on Industrialization Development of Modern Cheongsam in Art Design	389
	Cheng Jiang, Jin Li, Gang Yang, Xue-yun Peng and Ji-ling Lu	
52	An Elastic and Distributed Secret Sharing Scheme	397
	Lei Wu	
53	Study of Relationship Between Occupational Orientation and Occupational Interest	405
	Qin Yang	

54	On Countermeasures of Specification and Development of Social Intermediary Organizations	413
	Yuxin Zhao and Wei Xu	
55	Analysis of the Human Rights Protection in Civil and Commercial Law	421
	Jing-zhi Gu	
56	Study on Security and Stability of Prison Management	429
	Kui He	
57	Chinization Dimension and Governance Principles of Network Moral Education.	437
	Yali Wei	
58	On the Relationship Between Human Capital Financing Structure and Business Performance of Family Business	445
	Zhiqiang Zhou, Yinhua Tian and Fugui Chen	
59	Research on Indoor Environment Design Based on Ancient Gardens Building Environment	455
	Yu Wen and Jiang Shu	
60	Research and Application of Ontology-Based Marine Ecology Knowledge Management	465
	Jing Xiong, Jipeng Wang and Feng Gao	
61	Research on Social Support of Occupational Female	473
	Qi Ren, Weijun Guan, Yun Li and Lihua Cui	
62	Research on Violence in Vocational Schools.	481
	Xueling Pang, Shulan Guan, Weijun Cui, Hua Li, Qi Ren, Ruigeng Liu, Yinxiang Zhao and Yongqiang Zheng	
 Part IV Information Management and Applications I		
63	Design on Psychology Management System in Universities	489
	Zhen Zhong	
64	Quality Education Scheme in College Language Research	497
	Xue Yao, Meijuan Gu, Hongliang Yan and Xinhua Liu	

65	Research on IIMS System Based on the Management System of Digital Library	505
	Zhili Wang	
66	Study on Feasibility of Applying Information Material in Hospital Resource Management	513
	Minli Wang, Dafei Fang and Weibin Xu	
67	Research of Information and Computer Technology on Architecture	521
	Xing Chen and Xiao-Chun Wang	
68	Study of Service Marketing Communication Strategy of Vocational College Library Based on User Information Behavior	529
	Yanhang Li and Zhiguo Wang	
69	Research of Flash Interactive Features in Courseware Design	537
	Mingzhe Su	
70	Analysis of Effectiveness of Economic Mathematics Multimedia Software Making by Lectora	547
	Yuanyuan Luo, Nan Ji and Chunyan Li	
71	Study of Practical Teaching Based on Multimedia	553
	Jie Xiong	
72	Application of Latent Semantic Analysis in English Composition Support	561
	Jie Yang and Yushi Yang	
73	Network Course Evaluation System Based on AHP Theory	569
	Zhiping Zhou and Kai Liang	
74	Propaganda to Enroll New Student Propaganda Mechanism Evolution Analysis Universities Under the Background of Parallel Application Policy	577
	Liuyang Ji and Feng Gao	
75	Research on MVC-based Teaching Affairs Management System	585
	Chunyu Li	

76	Research on Social Media Network and National Security	593
	Yu Chen	
77	On the Multi-Media Assisted Interpreting Teaching Strategies.	601
	Ming Lei and Yong Zhu	
78	Study on Negative Effects of Multimedia Teaching on Education in Middle and Primary Schools	609
	Weiyan Liang	
79	Professional Comprehensive Training Based on Computer Multi-Media Technology	617
	Zhengdong Chen	

Part V Education in Management Science II

80	Study on Dual Process Control of English Writing Training.	627
	Liping Zhang, Ping Zhang and Jian He	
81	Study on Higher Vocational Education Based on Fuzzy Evaluation Index System.	635
	Tao Xu, Jianjun Chen and Jiaqing Xiao	
82	Study on Tutorial System of Undergraduate	643
	Hongqing Liu and Lingfang Yan	
83	Study on Chinese and Japanese Higher Education Reform Policies	653
	Jie Hao	
84	Research of Computer-Assisted Language Learning.	661
	Jingjing Guan	
85	Study on Quality of Teaching in Higher Vocational Colleges	669
	Ping Li, Danjun Wu and Longhui Yu	
86	Research on Music Education in the Primary and Secondary Schools	675
	Tingjun Wang	

87	Study on Life Style and Psychological Health of College Students	683
	Xinli Wang, Yue Yu and Xiaopeng Chi	
88	Study on Quality of Undergraduate Education.	691
	Ni Xie	
89	Teaching Reform of Dress Designing.	699
	Honglei Zhou	
90	Research on Relationship Between Sensory Color and Objective Color of Cotton Fabrics	709
	Hua Zhou, Quan Wen, Yawen Huang and Rufang Yuan	
91	Study on Contemporary Emotional Experience Product Design Based on Iphone.	719
	Gang Wang	
92	Culture and Art Localization Research in Globalization Background.	725
	Gang Wang	
93	Research of Project Teaching of Higher HRM Courses	733
	Weidong Zhang	
94	Research on Elementary Piano Teaching for Children	739
	Xue-Zhu Ma	
95	Research on Education Strategy of Saving a Nation from Extinction	745
	Li Li	
96	Analysis on Traditional Education Functions of WA Nationality	753
	Suyun Dong	
97	Research of Foreign Trade System in China	761
	Danghua Xia	
98	Efficient Education Scheme of Ecological Civilization.	769
	Guidong Wang	

99	Research of Society Management in Russian Transitional Period	777
	Xiao-hui Zhou	
100	On Establishment of Independent Personality of College Freshmen	783
	Chengsi Lu	
101	Efficient Scheme to Deal with Errors in Oral English Teaching	791
	Guihua Cao	
102	Mobile Training: An Effective Teacher Training Model	797
	Ming Wang and Yingchun Zhang	
103	Study on Foundation of Library Alliance and Cooperation	803
	Jia Luo
